

The following chart shows current programming on the Rochester Government Channel. The brighter colors starting at 7:00 PM on Monday, Tuesday, Wednesday, and Thursday designate live meeting times. The lighter colors represent the scheduled rebroadcast times of the corresponding live meeting. The white areas will show special programming or the Bulletin Board. **PLEASE NOTE:** The meetings start at the time designated, but in most cases the actual meeting will be shorter than the block assigned. The extra time will show the Bulletin Board.
