Government Channel Programming Schedule

The following chart shows current programming on the Rochester Government Channel. The brighter colors starting at 7:00 PM on Monday, Tuesday, Wednesday, and Thursday designate live meeting times.

PLEASE NOTE: The live meetings start at the time designated, but in many cases the actual meeting is shorter than the block assigned. The extra time will broadcast special programming or the Bulletin Board.

The lighter colors represent the scheduled rebroadcast times of the corresponding live meeting. The white areas represent special programming. The light lavender color designates the Bulletin Board.
