City Clerk's Office

#### Amendment to Chapter 42 of the General Ordinances of the City of Rochester Regarding Dimensional Standards

#### THE CITY OF ROCHESTER ORDAINS:

That Chapter 42 of the General Ordinances of the City of Rochester and currently before the Rochester City Council, be amended as follows:

#### 42.19 Dimensional Regulations

**b.** Dimensional Provisions. General dimensional regulations and other regulations (as well as clarifications, notes, and references) specifically referenced to the tables follow.

8. <u>Density Rings.</u> The density rings are shown on the Official City of Rochester's Zoning Map that is adopted as part of this Ordinance and only apply to multi-family dwellings/developments *not within the DC Zone*. The rings are as follows:

The minimum lot area per dwelling unit within a one (1) mile radius of the center of Rochester shall be 5,000 square feet. The minimum lot area per dwelling unit outside of the one (1) mile radius of the center of Rochester. Shall be7,500 square feet.

The minimum lot area per dwelling unit within a one-half (1/2) mile radius of the center of Gonic and East Rochester, shall be 5,000 square feet. The minimum lot area per dwelling unit outside of the one-half (1/2) mile radius of the center of Gonic and East Rochester, shall be 7,500 square feet.

# For multi-family dwellings/developments within the DC Zone, the minimum lot per dwelling unit shall be 500 square feet.

Any lot that is partially within the radius of a density ring shall be treated as if it were entirely within the radius of the density ring.

The effective date of these amendments shall be upon passage.

CC FY 18 12-05 AB 65

#### **<u>CITY OF ROCHESTER</u> NOTICE OF PUBLIC HEARING**

Notice is hereby given that the Rochester City Council will conduct a PUBLIC HEARING on Tuesday, January 16, 2018 at 7:00 p.m. in the City Council Chambers, City Hall, 31 Wakefield Street, Rochester, NH relative to the following matter:

#### AMENDMENTS TO CHAPTER 42 OF THE GENERAL ORDINANCES OF THE CITY OF ROCHESTER REGARDING DIMENSIONAL STANDARDS

The Rochester City Council will conduct a public hearing in the City Council Chambers, City Hall, 31 Wakefield Street, Rochester, NH, to take citizen input on the question of whether to make changes to the Zoning Ordinance, Chapter 42.19 of the General Ordinances that would amend the minimum lot per dwelling unit for multi-family dwellings/developments within the DC Zone.

Citizens are invited to attend the PUBLIC HEARING and to ask questions or otherwise speak on the foregoing proposal.

Persons with disabilities requesting accommodations should contact the City Clerk's Office, (tel. 332-2130) on or before January 16, 2018 in order to make arrangements.

Kelly Walters, City Clerk

#### Amendment to the City of Rochester's General Ordinances Relative to Chapter 16.25 Entitled "Wastewater Rate and Fee Schedule"

#### THE CITY OF ROCHESTER ORDAINS:

I. That Chapter 16, Section 16.25 of the General Ordinances of the City of Rochester, entitled "Wastewater Rate and Fee Schedule", be amended by deleting the portion of said ordinance entitled <u>"Quarterly Wastewater Rates"</u> and by replacing such portion of the ordinance with the following:

#### 16.25 Wastewater Rate and Fee Schedule

Quarterly Wastewater Rates Residential Customers without exemption: Residential Customers with exemption: Commercial and industrial customers: High Volume Customer (I.e. customers using more than 5,000 units **monthly)	<ul> <li>\$6.75 per 100 cu. ft. of water use</li> <li>\$4.49 per 100 cu. ft. of water use</li> <li>\$6.75 per 100 cu. ft. of water use</li> <li>\$6.08 per 100 cu. ft. of water use</li> </ul>
Unmetered Residential Customers: Per quarter per unit without exemption: Per quarter per unit with exemption:	\$215.91 \$107.94
Sewer-Metered Customers:	\$6.75 per 100 cu. Ft.
Minimum Fee: Per quarter per unit without exemption: Per quarter per unit with exemption:	\$32.28 \$25.70
Septage Discharge: RV Septage Discharge: Graywater Disposal	<ul><li>\$52.00 per 500 gal. or portion thereof</li><li>\$15.00 flat fee</li><li>\$28.00 per 2000 gal. or portion thereof</li></ul>

#### II. That this ordinance amendment shall take effect on February 1, 2018

CC FY 18 12-05 AB 64

#### <u>CITY OF ROCHESTER</u> NOTICE OF PUBLIC HEARING

Notice is hereby given that the Rochester City Council will conduct a **PUBLIC HEARING** on Tuesday, January 16, 2018, at 7:00 p.m. in the City Council Chambers, City Hall, 31 Wakefield Street, Rochester, NH, relative to the following matter:

#### AMENDMENTS TO CHAPTER 16, SECTION 16.25 OF THE GENERAL ORDINANCES OF THE CITY OF ROCHESTER REGARDING WASTEWATER RATE AND FEE SCHEDULE

The ordinance amendment, if adopted, would establish the fee for quarterly wastewater rates. The proposed amendments to Chapter 16 of the General Ordinances of the City of Rochester, entitled "Wastewater Rate and Fee Schedule", would, if adopted:

(a) Delete subsection 16.25 of Chapter 16 of the General Ordinances of the City entitled "Quarterly Wastewater Rates" in its entirety and substituting in its stead, to be known as subsection 16.25 "Quarterly Wastewater Rates", which would establish a new Wastewater Rate and Fee Schedule.

Copies of the "Amendments to Chapter 16 of the General Ordinances of The City of Rochester Regarding Wastewater Rate and Fee Schedule are available in the City Clerk's Office.

The **PUBLIC HEARING** on the above matter will be conducted by the City Council at the City Hall, City Council Chambers, 31 Wakefield Street, Rochester, New Hampshire.

Citizens are invited to attend the **PUBLIC HEARING** and to ask questions or otherwise speak on the proposal.

Persons with disabilities requesting accommodations should contact the City Clerk's Office, (tel. 332-2130) on or before January 16, 2018, in order to make arrangements.

Kelly Walters, Rochester, City Clerk

#### Amendment to the City of Rochester's General Ordinances Relative to Chapter 17.34 Entitled "Water Rate and Fee Schedule"

#### THE CITY OF ROCHESTER ORDAINS:

I. That Chapter 17, Section 17.34 of the General Ordinances of the City of Rochester, entitled "Water Rate and Fee Schedule", be amended by deleting the portion of said ordinance entitled <u>"Quarterly Water Rates"</u> and by replacing such portion of the ordinance with the following:

#### 17.34 Water Rate and Fee Schedule

Quarterly Water Rates Residential Customers without exemption: Residential Customers with exemption: Commercial and industrial customers:	\$5.55 \$2.40 \$5.55	per 100 cu. ft. of water use
Unmetered Residential Customers: Per quarter per unit without exemption: Per quarter per unit with exemption:	\$148.53 \$74.25	
Minimum Fee: Per quarter per unit without exemption: Per quarter per unit with exemption:	\$21.09 \$16.91	

#### II. That this ordinance amendment shall take effect on February 1, 2018

CC FY 18 12-05 AB 63

#### CITY OF ROCHESTER NOTICE OF PUBLIC HEARING

Notice is hereby given that the Rochester City Council will conduct a **PUBLIC HEARING** on Tuesday, January 16, 2018, at 7:00 p.m. in the City Council Chambers, City Hall, 31 Wakefield Street, Rochester, NH, relative to the following matter:

#### AMENDMENTS TO CHAPTER 17, SECTION 17.34 OF THE GENERAL ORDINANCES OF THE CITY OF ROCHESTER REGARDING WATER RATE AND FEE SCHEDULE

The ordinance amendment, if adopted, would establish the fee for quarterly water rates. The proposed amendments to Chapter 17 of the General Ordinances of the City of Rochester, entitled "Water Rate and Fee Schedule", would, if adopted:

> (a) Delete subsection 17.34 of Chapter 17 of the General Ordinances of the City entitled "Quarterly Water Rates" in its entirety and substituting in its stead, to be known as subsection 17.34 "Quarterly Water Rates", which would establish a new Water Rate and Fee Schedule.

Copies of the "Amendments to Chapter 17 of the General Ordinances of The City of Rochester Regarding Water Rate and Fee Schedule are available in the City Clerk's Office.

The **PUBLIC HEARING** on the above matter will be conducted by the City Council at the City Hall, City Council Chambers, 31 Wakefield Street, Rochester, New Hampshire.

Citizens are invited to attend the **PUBLIC HEARING** and to ask questions or otherwise speak on the proposal.

Persons with disabilities requesting accommodations should contact the City Clerk's Office, (tel. 332-2130) on or before January 16, 2018, in order to make arrangements.

Kelly Walters, Rochester, City Clerk

### City Clerk's Report December 2017

#### **Vital Statistics**

As reported in the revenue chart below, the City Clerk's staff issued 188 initial copies of vital records, and 183 subsequent copies of vital records. The City Clerk's staff issued 6 Marriage Licenses.

The New Hampshire Division of Vital Records Administration generated the following report of statistics for the City of Rochester:

- 24 babies were reported in Rochester during the month of December, 10 of which were born to Rochester residents.
- 28 resident deaths were reported in Rochester.
- 3 couples celebrated their wedding ceremonies in Rochester during the month of December.

	2016		2017	
	State	City	State	City
Initial/Subsequent copies:	\$2,292	\$2,103	\$2,419	\$2,231
Marriage Licenses:	\$602	\$98	\$258	\$42
Total:	\$2,894	\$2,201	\$2,677	\$2,273

#### <u> Revenue – Vital Records/Marriage Licenses</u>

#### **Dog Licensing**

The City Clerk's office licensed 45 dogs during the month of December. There was \$25 in Civil Forfeiture fees collected in December 2017.

Customers Served during the month of December 2017

#### **Elections**

In December, the City Clerk's office began to undertake the large-scale project of reorganizing all voter registrations on file. The registration cards, which are alphabetical by ward, are currently being combined and reorganized to be alphabetical city wide. The reorganization will make filing, registration inquiries and changes to voter cards quicker, easier and more efficient.

Ward	Democrats	Libertarians	Republicans	Undeclared	Totals
1	1,026	1	1,153	1,388	3,567
2	942	0	1,086	1,601	3,629

5	933	0	1,117	1,350	3,400
6	1,016	0	845	1,219	3,080
Totals:	5,741	4	6,179	8,535	20,455

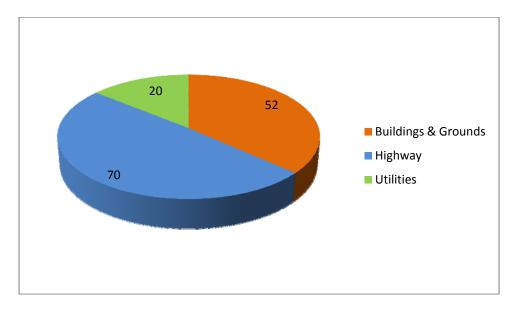

#### Voter registration summary by party as of December 31, 2017:

Respectfully submitted,

Cassie Givara Deputy City Clerk

### ROCHESTER DEPARTMENT OF PUBLIC WORKS MONTHLY REPORT DECEMBER 2017

The Department of Public Works responded to 142 requests for service in the month of November. The Highway Division had 70 requests that ranged from sign repairs, requests for road and sidewalk treatment and other miscellaneous requests. The Utilities Division responded to 20 requests that included calls for water and sewer connection inspections, sewer backup concerns and other miscellaneous concerns. The Buildings and Grounds Division had 52 requests which included heating & cooling issues, lighting repairs and requests for supplies.

#### HIGHWAY & FLEET MAINTENANCE WORK COMPLETED:

- Patched potholes
- Assisted crack sealing company with flagging.
- Installed sanders and wings for winter maintenance.
- Completed last few hot top jobs
- 7 snow and ice events, received 25" of snow.
- Hauled away 9,472 yards of snow.
- Install snow fence at various locations.
- Repaired and installed street signs
- Brush trimming on Dry Hill Road, Forest Park and Oak St.
- Replaced fuel filters on several truck due to cold temps.
- Replaced bearings, PTO shaft, PTO Clutch on sidewalk tractors.
- Plow pump motor and 2 new batteries on truck #24, one ton dump truck.
- Repaired heater on sewer truck #45.
- Repaired tires on the grader and loader.
- Main hydraulics hose on #12, the ten wheel dump truck.
- Replaced 4 tires on #33, <sup>3</sup>/<sub>4</sub> ton pick-up.
- New air chambers on six wheel trucks, #16 and #20.

#### UTILITIES DIVISION WORK COMPLETED:

- Dig Safe mark-outs of city utilities
- Hydrant Maintenance-Clearing snow after accumulation
- Hydrant Hysteria Competition-Tim Robare & George Steele; members of the Utility Division qualified to compete at the East Coast Finals in Worcester, MA
- Water main breaks on Regency Court and Industrial Way were repaired. Industrial Way pipe needs further assessment.
- Two curb stop repairs.
- One hydrant was repaired.
- (4) New sewer services and 3 new water services were installed by private contractors and inspected by City Staff.
- Monthly jetting & vacuuming of problematic gravity systems.
- 9 clogged sewer systems.
- Located & documented the illicit connections responsible for the ongoing oil deposits in the public sewer system.

#### **BUILDINGS AND GROUNDS DIVISION WORK COMPLETED:**

- Lighting replacement project at Olde Farm Lane continues to progress- all underground conduit and pole base installed, all paving repairs complete in the street, sidewalks and walkways.
- Work on the remodeling of the office space at City Hall continues. New offices for City Attorney are complete and moving will take place once they are ready to be moved. Remodeling continues on the last section to be completed for the Business Office.
- Removed and repaired vandalized decking on new foot bridge at Hanson Pines.
- Installed new carpeting in the meeting room at Central Fire Station.
- Snow plowing and treating of all City Buildings and parking lots for snow and ice storms.

Dewey Street Bridge Vandalism Repair

**Central Fire Meeting Room Carpet-Before** 

**Central Fire Meeting Room Carpet-In progress** 

#### WASTEWATER TREATMENT DIVISION

Employee News: Josh Scotton Lead Maintenance has submitted his letter of resignation. Josh has been with the City for 10 years and will be moving on to the private sector. Chad Pierce has passed the Grade 2 Wastewater Treatment Facility certification exam. There were 3 qualified applicants interviewed for the WWTP Laborer position.

Items that were completed during the month of December include the following. Staff continues to work with the coalition of communities on related wastewater and Great Bay Estuary issues. Simple Life Recycling has been added to the Industrial Pretreatment Program as a "Significant Industrial User" (SIU). We continue to work with engineers and contractors on the automation project. The final version of energy evaluation has been completed and reviewed with NHDES

and EverSource. The WWTF is exploring funding options for project implementation. The Ultraviolet (UV) system HMI monitor has been received and installed. Staff completed annual field instrumentation calibration and service. A new inline effluent ammonia analyzer was installed. David Green submitted his O&M and CIP budget requests. Staff attended state sponsored training classes and attended NHWPCA meeting. The heater in soda ash silo was replaced. All required testing for the EPA and State has been completed and submitted. Staff performed preventative and corrective maintenance on equipment, machinery and instrumentation. Average influent flow for the month was 2.356 million gallons per day (MGD). Percent of design flow = 46.8%. Percent of design flow for 2017 = 61.9%. Precipitation for the month = 1.40". Precipitation for 2017 = 43.6".

#### WATER TREATMENT DIVISION

Treated water volume for the month of December was approximately 45.4 million gallons from the surface water treatment facility and 4.2 million gallons from the well. All water quality testing and monitoring was completed in accordance with NHDES requirements. We are pleased to report that the City of Rochester again met and exceeded all State and Federal standards for drinking water. Stage 2 disinfection byproduct results remained below compliance levels for quarter 4. Inspections were conducted throughout the watershed. There is greater than 90% ice coverage, with visible flow only over the dams and through narrow channels. The reservoir was refilled to capacity following intake structure repairs. Monthly rainfall measured 1.3 inches at the Reservoir and over 10" of snow cover. Additional signage was deployed at Tufts and Berry Ponds due to evidence of increased recreational use. Equipment and grounds maintenance was performed at the plant, well, and tanks/stations. Snow cleanup, equipment and ventilation checks, and installation of auxiliary heaters kept the station crew busy. Maintenance at the well included repairs to the bicarbonate and chlorine systems, instrument calibration, and repairs to the fire system panel. Maintenance at the WTP included replacement of valve knuckles on the primary influent and intermediate filter channels, service on the fluoride and pre-chlorine analyzers, additional repairs to the heating system, calibration of the mag meters, and optimization of sand filter backwash parameters. Staff continues to chase small leaks in the pipe gallery from the flocculation basins. The main generator automatic transfer switch controls will require replacement. Replacement of the surface water intake air sparge line was completed this month. Initial testing of the new line demonstrated significantly improved air flow and scouring effects not seen for a numbers of years. Budget preparation is completed and CIP and O&M request are in. Engineering consultants have submitted a 100% design specification of the raw water/low lift pump station for finance review. Cross connection surveys were conducted within the system. Staff provided a tour of the facility to a group of environmental science students from UNH. Staff also met with a UNH research group to discuss participation in a drinking water quality and perception study. Additional details and a follow-up meeting are expected in January.

Sludge nuggets freed from the sand filter

New air sparge/scour line to the intake

How not to connect to the public water system...This is why we have a cross connection program.

#### ENGINEERING

Confirmation of receipt of two EPA Brownfields Cleanup Grant applications for \$200,000 each for the 10-16 Wallace Street properties has been received. Announcement of selection of grant recipients by EPA is expected in the Spring of 2018.

Project Updates for December 2017:

- Salmon Falls Road/Milton Road Water and Sewer (EDA Project): Construction of public sewer and water infrastructure has been completed, as well as the final pavement overlay. Private water and sewer connection work included in this project was completed in early December 2017.
- Franklin St. /Western Ave. Area Improvements: Construction of buried infrastructure and base pavement has been completed on Western Avenue. Water, sewer, and drainage infrastructure construction will continue on Franklin Street in 2018. A change order has been processed that adds to the scope of work the completion of Third, Fourth, and Fifth Streets, as well as Adams Avenue between Third and Franklin Streets. Project completion has been extended to August 2018.
- Colonial Pines Sewer Extension: The construction project that included pipe-jacking a sewer under the Spaulding Turnpike from Railroad Ave. to Birch Dr. was completed in early December. Sewer installation work on Railroad Avenue is being planned for the Spring of 2018. Future phases of this multi-phased sewer extension program are being designed and have either been funded in the CIP budget previously or will be requested in the next couple of years.
- **Pavement Maintenance & Rehabilitation:** Paving overlays in Woodman/Myrtle project area, and on Lagasse, Wilfred, and Chestnut have been completed. Pavement reclamation

and placement of base pavement has been completed on Dry Hill, Eastern, Pray, Lisa, and Stonewall. The final wearing course to be placed in Spring of 2018. Other paving work from the FY18 list to be completed in 2018 includes: Wakefield, City Hall Municipal Parking Lot, Irish, Osborne, and Scott. Paving list for SB38 funds includes the following: Clow Court, Nadeau Drive, portions of Portland Street and Sampson Road, and Woodside Lane. Crack sealing of nearly 10 miles of roadway was completed at the end of November 2017.

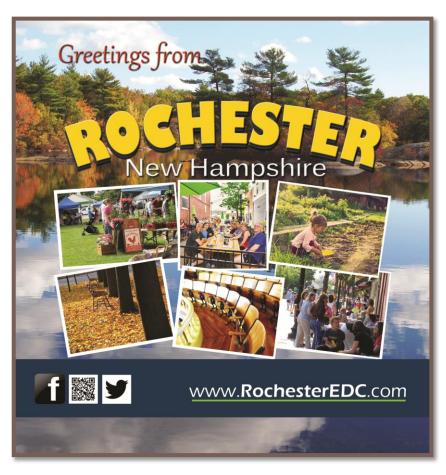

- Columbus Avenue (Rte. 125) Pedestrian Bridge: The new pedestrian bridge was opened in February 2016. Temporary sidewalk approaches to the bridge are planned to be replaced with more permanent sidewalk and railings. This project was advertised for bids and bids were received in May 2017; however, only one bid was received. DPW is working with this bidder to complete the construction in Spring of 2018.
- **Dewey Street Pedestrian Bridge:** The official bridge opening ceremony was held on Friday, December 8<sup>th</sup>, 2017 at 9:00am. Final pavement overlay of bridge approaches and other punch list items to be completed in Spring of 2018.
- **Strafford Square Roundabout**: Design continues. Bidding of the roundabout construction contract is now anticipated for late 2018. Prior to that contract, and in preparation for that construction, a utility infrastructure contract is anticipated to be bid for construction in 2018.
- Water Treatment Plant Low Lift Pump Station Upgrade: Design is at 90%. This project is scheduled to be advertised for bids in January 2018 and be constructed in spring of 2018.
- **Wastewater Interceptor Upgrades:** A Basis of Design Report has been received from the design consultant. This report summarizes alternatives and recommends a sewer collection system master plan before proceeding with final design.
- NPDES Permit Wastewater & MS4 Permit Stormwater: The draft NPDES Permit for the Wastewater Treatment Facility has not yet been issued by USEPA Region 1, however issuance could happen at any time. As far as the MS4 Permit for Stormwater, the new NH Small MS4 General Permit was issued by USEPA Region 1 on January 18, 2017; the Permit becomes effective on July 1, 2018. Both USEPA Region 1 and NHDES have conceptually proposed the idea of an integrated permit, combining the WWTF NPDES Permit and the MS4 Stormwater Permit.

# ECONOMIC & COMMUNITY DEVELOPMENT TEAM

# 12/31/2017 Management Report

#### Rochester is one of the fastest-growing cities in the Seacoast region,

Written & Compiled by: Jennifer Murphy Aubin featuring an excellent quality of life and renewing retail, dining, entertainment & arts downtown district.

With a strong lineage of textiles manufacturing, Rochester is reigniting a dynamic business climate, including thriving aerospace, advanced manufacturing and composites industries.

# Economic & Community Development Team

KAREN POLLARD, CECD, ECONOMIC DEVELOPMENT MANAGER

## **CIP & BUDGET DISCUSSION**

Economic and community development staff met to discuss CIP items and budget concerns for FY2019. New CIP guidelines were issued by the Finance Department, which were reviewed. Several CIP proposals from economic development were rolled over from previous years and are related to public works and planning. Several new items were proposed. HUD funding for CDBG for FY2019 is not yet finalized, but we estimate it will be at or near the same level. The Bridging the Gaps grant pays a small percentage of Julian's salary, and that grant will be concluded at the end of the 1<sup>st</sup> quarter of FY 2019 and will require a funding adjustment.

## **REGIONAL ECONOMIC RELATIONSHIPS**

The Economic Development Strategic Plan was approved by the REDC and sent to the City Council for review at the December 5 meeting. From there is to come before the Planning Board for review and endorsement. Downtown density for residential units was also discussed at the REDC meeting held on November 16<sup>th</sup> and this request to change the density zoning in Downtown for residential units was also sent to the Planning Board for discussion. Both of these should be reviewed and discussed in January, then sent back to the City Council for final action.

## **REGIONAL ECONOMIC RELATIONSHIPS**

ECONOMIX – New Orleans, LA: A two day session for leaders in economic development to meet with Site Selection consultants from all over the US in a speedy round robin format. This is followed by individual appointments and group networking. The final session was a panel of site selectors discussing how to get on a project "short list" of sites. It proved to be very informative and useful to have meetings with 26 national site selectors.

GBCC Advisory Board – The December meeting was saying goodbye to President Wil Arvelo who has led the college for 10 years and was instrumental in opening the Rochester Advanced Technology and Academic Center. His replacement will be Dr. Susan Huard, who will add Great Bay to her responsibilities at Manchester Community College.

### DOWNTOWN & SMALL BUSINESS RELATIONSHIPS

Three Buxton regional managers and employees were in Rochester to provide training on the SCOUT tool, marketing analysis and customer buying habits, which was very helpful the department as well as to new user Angela Mills, Executive Director of Rochester Main Street.

### JENN MARSH, ECONOMIC DEVELOPMENT SPECIALIST

#### **Notable Events**

- First Annual River Walk Dinner, drawing over 75 diners
- Second Annual Farmers Market season, with over 24 vendors, including weekly live music, visits from local restaurants providing demonstrations and samples of the market bounty, and thanks to our community partners and sponsors SNAP EBT, Stafford County CAP, Bernier Insurance, Holy Rosary Credit Union among others.
- > Piano project, a musical and community gathering space in the downtown
- Downtown Beautification, Mural Project, a collaboration with the Office of Economic Development, Rochester Main Street and the Rochester Museum of Fine Art
- > Rochester Museum of Fine Arts, Pop Up Art Galleries, using available storefronts as gallery space

## **REVISIONING THE ROCHESTER FAIRGROUNDS**

Specialist Marsh, the Greater Rochester Chamber of Commerce Government Affairs Committee and Economic Development Business Roundtable held a joint meeting with Vicky Poland, the new Event Manager for Fair and fairgrounds, which is owned by a nonprofit group of stakeholders, The Rochester Agricultural and Mechanical Association. The collaborative meeting was an opportunity to get to know the new manager, get an overview of upcoming events for the 2018 Rochester Fair season, along with discussing profitability of the Fair. Fosters Daily Democrat covered the meeting and wrote an article detailing the plans, including to exploring harness horse racing. <a href="http://www.fosters.com/news/20171207/amateur-horse-racing-eyed-for-2018-rochester-fair">http://www.fosters.com/news/20171207/amateur-horse-racing-eyed-for-2018-rochester-fair</a>

Jennifer Murphy Aubin, Executive Secretary & Marketing Management

### ARTS PUTS ROCHESTER ON THE MAP

#### "ON A RECENT THURSDAY NIGHT, A CROWD ASSEMBLED AT THE ROCHESTER OPERA HOUSE, A VENERABLE ARTS INSTITUTION IN A SCRAPPY TOWN 23 MILES FROM PORTSMOUTH." NH CHARITABLE FOUNDATION NEWSLETTER, FALL/WINTER2017

Executive Secretary Aubin discussed the City of Rochester's participation in the Americans for the Arts Prosperity survey with the New Hampshire State Council on the Arts back in August during the annual Arts

Award event. The Council encourages communities across New Hampshire to expand arts and culture as a vibrant and powerful economic driver. As a result of that conversation, Rochester was featured prominently in the New Hampshire Charitable Foundation's Fall/Winter newsletter, Focus On section, along with other neighboring communities including Portsmouth, Keene and Concord. Full article follows at the end of the report.

# NEW OFFICE INTERIOR & STAFF TRAINING SUPPORT

"Rochester's numbers were the most surprising. The Americans for the Arts study found that in the City of Rochester, spending by the arts and culture industry and its audiences totaled \$12.3 million – more than double the \$5.3 million median for communities its size nationwide."

Executive Secretary Aubin coordinated the training for the new furniture ensuring staff comfort and ease of new materials. All order items are installed and ergonomic training from Primex will be arranged with HR in the New Year.

### **BIKE SHARE INITIATIVE**

Assistant Director Krans and Executive Secretary Aubin are moving forward to present the Bike Share initiative to the combined commission meeting, including REDC and the Recreation Board at the January REDC meeting. Assistant Director Krans is gathering feedback from a safety perspective from the Police Department. Executive Secretary Aubin is working with Zagster on a more formalized plan for Rochester.

(Left to Right) L: Business Facilities focus on Rochester's demographics to support retail businesses; R: Area Development, focus on aerospace, medical devises and advanced manufacturing

# FORECAST FOR COMPOSITES - 2018 STATE OF THE INDUSTRY

# The Future of the Global Composites Market is Bright!

There is increased demand for lightweight materials across market segments for products as varied as large aerospace components and small consumer goods. Composites fit the bill.

The global composites end product market is expected to reach \$113.2 billion by 2022, according to market research firm Lucintel. So what does that mean for composite manufacturers and their material suppliers? Industry experts weigh in on five specific areas in this year's annual State of the Industry report:

- The Aerospace Market By Jens Hinrichsen, Engineering Manager, Zodiac Aerospace
- The Glass Fiber Market
   By Dr. Sanjay Mazumdar, CEO
   Lucintel
- The Automotive Market By Marc Benevento, Managing Director, Industrial Market Insight
- The Carbon Fiber Market By Daniel Pichler, Managing Director, CarbConsult GmbH
- The European Market By Elmar Witten, Managing Director AVK, the German Federation of Reinforced Plastics

The Office of Economic Development is a member to American Composites Association, which provides insights to the industries and site selection opportunities.

## Julian Long, CDBG Coordinator & Grants Manager

COORDINATOR REPORT PREPARED AND SUBMITTED BY THE COMMUNITY DEVELOPMENT COORDINATOR December 2017 - January 2018

### **Continuing Projects**

#### HOMELESS CENTER FOR STRAFFORD COUNTY – GENERATOR PROJECT: Berry's Electrical has finished work on this project. The Community Development Coordinator conducted an on-site Davis-Bacon Act labor interview with Berry's Electrical and is waiting to receive all of the weekly payroll forms from the company.

TENNIS COURTS LIGHTS PROJECT: The Community Development Coordinator has met with the Recreation Department and the Department of Public Works to discuss the bid invitation and timeline for this project. The project is planned to begin in June 2018 to avoid interference with the spring 2018 tennis season.

FY 2018-2019 CDBG ANNUAL ACTION PLAN FIRST REVIEW: The Community Development Coordinator has finished drafting the FY 2018-2019 Annual Action Plan for the CDBG program. The draft FY 2018-2019 Annual Action Plan is included as an attachment to this report. Sections highlighted in blue are sections that will be revised as the public consultation process continues and/or when the Community Development Committee makes its funding recommendations.

FIRST PUBLIC HEARING: The first public hearing for the FY 2018-2019 Annual Action Plan was held on November 21, 2017. One resident spoke at the hearing, expressing concerns about the FY 2017-2018 tennis court lights project. The second public hearing will be held after the draft FY 2018-2019 is publicly posted and is tentatively scheduled for April 2018.

CONFLICT OF INTEREST CONCERN – SOS RECOVERY CENTER: The Rochester SOS Recovery Center, an addiction recovery organization whose offices are housed within First Church Congregational, has applied for FY 18-19 CDBG funds to support a staff position at the Rochester center. The recovery center provides an annual donation to First Church Congregational in exchange for use of the space. The Community Development Coordinator serves in a leadership position at First Church Congregational, and while the ideal would be for another city staff person to handle any application from SOS Recovery, it is impractical as the Community Development Coordinator is only staff person who handles the non-financial parts of the city's CDBG program. The Community Development has requested guidance from the City Attorney, and following the City Attorney's guidance, intends to request an exception to the conflict of interest from HUD per 24 CFR 570.611.

CONFLICT OF INTEREST CONCERN – DOVER ADULT LEARNING CENTER: The Dover Adult Learning Center, which has a Rochester location housed within First Church Congregational, has applied for FY 18-19 CDBG funds to support its HiSET testing program. The learning center provides an annual donation to First Church Congregational in exchange for use of the space. The Community Development Coordinator serves in a leadership position at First Church Congregational, and while the ideal would be for another city staff person to handle any application from the Dover Adult Learning Center, it is impractical as the Community Development Coordinator is only staff person who handles the non-financial parts of the city's CDBG program. The Community Development has requested guidance from the City Attorney, and following the City Attorney's guidance, intends to request an exception to the conflict of interest from HUD per 24 CFR 570.611.

#### **CDBG** Program

NH MUNICIPAL TECHNICAL ASSISTANCE GRANT: This RFP was delayed due to Planning Department staff being out of office for extended periods. The RFP is now scheduled to go out in January.

ASSESSMENT OF FAIR HOUSING: The Community Development Coordinator has continued to coordinate with the Rochester Housing Authority RHA to work on the research and consultation phases of the Assessment of Fair Housing (AFH). The Community Development Coordinator has also continued drafting the Assessment of Fair Housing, including the extensive fair housing analysis section. The City and RHA will hold a joint public hearing on the AFH in January 2018 at the RHA offices at Wellsweep Acres.

JOB LOAN PROGRAM: A second loan disbursement in the amount of \$37,500 has been distributed to White Birch Armory, as the company has met all of the conditions set by the JOB Loan Committee to receive its second disbursement.

TRAININGS AND CONFERENCES: The Community Development Coordinator attended a fair housing conference hosted by New Hampshire Legal Assistance held in Concord, as well as the annual Community Action Partnership for Strafford County breakfast.

WORKFORCE HOUSING CHARRETTE APPLICATION: The Community Development Coordinator has reached out to multiple property owners in the downtown to find a property owner willing to allow their

property to be the site for the City of Rochester's proposed 2018 workforce housing charrette. This has included researching funding avenues for bricks and mortar projects, should a property owner wish to implement the designs created during the charrette.

#### **Non-CDBG Grant Activities**

BRIDGING THE GAPS: The Bridging the Gaps coalition is entering its final funding year from the Drug Free Communities grant, which is overseen by the federal Substance Abuse and Mental Health Services Administration. The Community Development Coordinator continues to meet with the advisory board and coalition coordinator to discuss future sustainability plans. The Community Development Coordinator has worked closely with the coalition coordinator to draft a grant application for the Substance Abuse and Mental Health Services Administration's Community-Based Coalition Enhancement Grant to Address Local Drug Crises. The grant application is due January 29, 2018 and provides for up to \$50,000 of funding per year for a period of three years.

VOCA GRANT: The Community Development Coordinator has worked with the victim-witness advocate and city prosecutor to prepare and submit the semi-annual A-87 report (certifying that all VOCA grant funds have been expended on allowable activities) for the period of July 2017 to December 2017.

CITY HALL ANNEX: The Community Development Coordinator had drafted and submitted the final report for the CLG and Moose Plate grants. These reports have been accepted by the state historic preservation office, and the final amounts remaining on these grants have been released to the city. The Community Development Coordinator has drafted the final report for the LCHIP grant, which has been accepted by LCHIP, and has gotten the stewardship agreement signed. The stewardship agreement has been filed with the Strafford County Registry of Deeds, and once confirmation of filing is submitted to LCHIP, LCHIP will release the remaining funds in the city's LCHIP grant.

EPA BROWNFIELDS GRANT: The grant application to remediate the Wallace Street former Advanced Recycling site was drafted by the Community Development Coordinator and submitted in November. The City of Rochester will be informed whether it will receive an award in late spring 2018.

NH HOMELAND SECURITY GRANT: The Community Development Coordinator drafted a New Hampshire Homeland Security grant application on behalf of the Fire Department, requesting rescue watercraft and related equipment, and submitted the application in December.

BARR FOUNDATION GRANT: The Community Development Coordinator has had multiple meeting with School Department staff regarding seeking a Barr Foundation planning grant for the Bud Carlson Academy. The Community Development Coordinator has been assisting with the draft and revising of the project proposal narrative. The grant application is due in January 22, 2018.

CRETEAU TECH CENTER FUNDING: The Community Development Coordinator has met with tech center staff to discuss funding possibilities for a joint degree/certification program with Great Bay Community College and local advanced manufacturing companies. The Community Development Coordinator has also has researched some possible grants for this program and provided this grant research to tech center staff.

# **Facing Racism**

Addressing racism is important to building a strong democracy

- Racism is rooted in our history and embedded in our culture
- Racism is one of the greatest barriers to solving all kinds of public problems
- New Hampshire is becoming more racially diverse

Because of this, we help communities pay special attention to how *structural* racism and other *structural inequities* affect the problems they want to address.

# What We Are Seeing:

## Reactive

- Incident response
- Local and national
- Sense of urgency and media attention

## Proactive

- Institutional and Organizational (schools, police departments, prof. dev.)
- Community-wide
- Coalitions being established
- Friends and Family

# **Principles:**

- Framing Matters
- Attending to the power of language
- Committing to inclusion

Addressing structural racism, not just individual bias

# What's happening now:

- Concord
- Claremont
- Durham
- NH Blue and You
- Leadership Learning Exchange for Equity (NH Endowment for Health)
- Symposium on Race and Equity in NH fall 2017
- Book groups in several communities
- Movie and conversation

# **Tools:**

<u>Everyday Democracy</u>
 Framing, organizing, exercises, discussion guides

1/11/2018

- Living Room Conversation Guide
- <u>Ten Things Everyone Should Know About Race</u>

# **Resources:**

- Granite State Organizing Project: Active Bystander
   <u>Program</u>
- Andrew Smith, NH Disproportionate Minority Contact Director
- Unpacking racism and unpacking whiteness workshops
- NH Blue and You Page 44 of 93

What are you seeing in your community?

What resources can you identify in your community? (community groups led by people of color, networking with newcomers, interfaith organizations, schools, ...)

What support do Local Listens groups need from NH Listens to host conversations on race and racism?

2017 201 RSEASON ON SALE HOW

## ARTS MATTER

RODRIGO GABRIELA NOV!

LOVETT AND HIATT NOV8

In New Hampshire, nonprofit arts and culture organizations improve the quality of life — and pack an impressive economic punch.

n a recent Thursday night, a crowd assembled at the Rochester Opera House, a venerable arts institution in a scrappy town 23 miles from Portsmouth.

FOCUS ON

People had come to watch a preview of a documentary on the Vietnam War and participate in a community discussion. There was not exactly rock-concert-level buzz, but the event brought 200 people downtown on a weeknight. Some ate in Revolution (one of New Hampshire Magazine's Best New Restaurants in 2015) or in the new Magrilla's or the Lilac City Grill. Some filled gas tanks, some did errands in town.

One way or another, they all left money behind.

Where the arts thrive, research shows, money (and jobs) follow.

A recent study by Americans for the Arts, which has, for decades, compiled and analyzed data on the arts economy in the United States, found that in just four regions of New Hampshire, the nonprofit arts and culture industry packs an economic punch of \$120 million — including supporting almost 4,000 full-time equivalent jobs, generating \$81.7 million in household income and \$12.5 million in local and state government revenue.

"It's an exciting time for arts and culture in New Hampshire," said Randy Cohen, vice president of research and policy at Americans for the Arts."

"What the study really shows is that arts organizations are businesses, they employ people locally, they are members of Chambers of Commerce, they help drive tourism. They are good business citizens."

11/2018

"A vibrant arts and cultural community is a magnet for people," said Jeffrey Rose, commissioner of the New Hampshire Department of Natural and Cultural Resources. "And we are working to drive people to New Hampshire, to attract and retain young people." Expanding the arts and culture sector of the economy, he said, will help do that — and help other sectors expand as well.

On a national scale, the Arts &

### BEQUEST SUPPORTS MUSIC EDUCATION

Music education in New Hampshire's public schools is getting a boost from the David M. Brooks Music Fund. Brooks, of Bedford, was a U.S. Army veteran who had worked in the printing industry — and who loved music. He left a bequest in his will to create the fund, which will distribute up to \$175,000 annually in perpetuity for the teaching of light classical music and voice in New Hampshire grammar schools, high schools, colleges and universities.

The New Hampshire Music Educators Association is working with the Foundation to advise grantmaking, and grants will be focused on districts with the greatest need.

For more information, contact Peter Benson, senior program officer, at 800-464-6641 ext. 271 or Peter.Benson@nhcf.org.

## GIVING GUIDE PROVIDES STRATEGIES AND INSPIRATION

The 2018 Charitable Giving Guide, published by New Hampshire Business Review, features profiles of New Hampshire nonprofits, plus a how-to about creating a culture of giving in your business, and articles about how New Hampshire businesses like Associated Grocers of New England and AG Supermarkets and Pax World Funds are doing strategic giving that strengthens communities.

The Foundation is a proud sponsor of the Giving Guide, along with the Red River Charitable Foundation, Sheehan Phinney, the Concord Hospital Trust, Dartmouth-Hitchcock and the New Hampshire Center for Nonprofits.

Check it out online at www.nhbr.com/Charitable-Giving-Guide/

## OPPORTUNITY NETWORK GETS FORD FOUNDATION GRANT

The Community Foundation Opportunity Network is a coalition of U.S. community foundations working together to ensure that all children, regardless of where they live, have an equal opportunity to reach their full potential.

The effort is now getting a major boost from the Ford Foundation with a \$300,000 grant.

The Opportunity Network, which is led by Charitable Foundation President Dick Ober, is an unprecedented effort among community foundations to unite in a sustained effort around a single issue. The 43 participating foundations are collaborating to share best practices, tools and resources to advance opportunity in their own regions, while working with partners on the state, regional and national levels to advance equality of opportunity for all of America's kids.

#### **KUDOS**

## Siblings celebrated for their philanthropy and service

Longtime Foundation friend and donor Ellie Cochran and her brother Charlie Goodwin were presented with Easter Seals' Eugene Van Loan III Leadership award.

BIA honors Foundation partners The Business and Industry Association presented Girls Inc. with the New Hampshire Advantage Award (Cathy Duffy Cullity accepting). Dr. Ed McKay, a New Hampshire Tomorrow Leadership Council member, and former Gov. John H. Sununu were presented with Lifetime Achievement Awards.

Joseph Reilly lives United Foundation Director and Eastern Bank President Joseph Reilly was presented with Granite United Way's LIVE UNITED Award.

"You're not pouring resources into a black hole of goodness by supporting the arts. The money and resources go into a business that recirculates dollars and recirculates them locally. That money pays for employees who own houses and pay taxes."

-Jessica Gelter of Arts Alive! in Keene

Portsmouth's cultural commission. While those things remain true, this study also helps people understand the arts "as part of business and economy solutions."

The study did not factor in the price of admission, and it only surveyed nonprofit arts institutions and audiences — leaving out for-profit movie theaters, concert venues and art galleries.

"These are very conservative numbers that should be viewed as a floor — but we all intuitively know that the impact is far greater," Rose said.

Anthony Ejarque, executive director of the Rochester Opera House, said the study provides valuable, objective analysis — "not just 'wow, it was busy downtown because we had a show.'"

The Opera House recently added the Performance and Arts Center to the local arts scene. The previously vacant Main Street space has been gutted and renovated and is now home to afterschool arts programming, classes, camps, workshops and a performance and recording space. A local bank owns the space and is allowing the nonprofit to use it for free, with an option to buy. Local contractors did the framing, the plumbing, the electrical, the HVAC. Supplies for the project came from local vendors.

"You're not pouring resources into a black hole of goodness," by supporting the arts, said Jessica Gelter of Arts Alive! in Keene. "The money and resources go into a business that recirculates dollars and recirculates them locally. That money pays for employees who own houses and pay taxes."

Rochester's numbers were not the state's highest, but they may have been the most surprising: The study found that in the city of Rochester, spending by the arts and culture industry and its audiences totaled \$12.3 million — more than double the \$5.3 million median for communities its size nationwide. The nonprofit arts sector generated \$8.1 million in household income and \$1 million in local and state government revenue while supporting 405 full-time equivalent jobs.

Portsmouth — which has remade itself over four decades into an arts and cultural magnet — is New Hampshire's undisputed hot spot, with \$58 million in total economic activity in the greater Portsmouth area ("just a huge number for a community that size," Cohen said). The industry supports 1,825 full-time equivalent jobs, and generates \$38.4 million in resident household income and \$6.8 million in state and local government revenue.

A downside of Portsmouth's arts boom: a squeeze in affordable housing

(Continued, p. 8)

More than 52,000 people attended performances and events at the Colonial Theatre in downtown Keene during its 2016-2017 season.

Economic Prosperity 5 survey showed that nonprofit arts and culture comprises a \$166.3 billion industry that produces \$27.5 billion in government revenue while supporting 4.6 million full-time equivalent jobs (jobs at nonprofit arts organizations account for a larger percentage of the U.S. workforce than police officers, lawyers or computer programmers). The study focused on 341 communities in 50 states and the District of Columbia.

"The inherent, soul-enriching qualities of art is an argument that we have leaned on for decades: the good it has done for our souls and the soul of our democracy," said Mike Teixeira, a business owner and chair of Art-Speak,

## SS \$20 MILLION

Charitable Foundation support to nonprofit arts and culture organizations in the last five years

In the greater Concord, Portsmouth and Monadnock regions and in the City of Rochester,

#### THE NONPROFIT ARTS AND CULTURE INDUSTRY GENERATES:

SI20 MILLION

\$81.7
MILLION
in household income

12.5 MILLION

full-time equivalent jobs

Source: Arts & Economic Prosperity Survey by Americans for the Arts and artist studio space.

"One key lesson to take away from what is happening in Portsmouth is to make sure you take inventory of available spaces in your area early on ... what can we preserve to create work space for artists?" Teixeira said. "Don't let development get away from you. I see places like Rochester and Kittery where they still have those untapped spaces ... and think, 'please, city council, get involved now and take an inventory.'"

In the greater Concord area, the industry accounts for \$31.2 million in total economic activity, supports 962 full-time equivalent jobs, generates \$22.4 million in household revenue and delivers \$2.8 million in government revenue.

"The creative economy is one of the fastest-growing sectors of the Greater Concord economy," said Tim Sink, president of the Greater Concord Chamber of Commerce. "We are confident that Concord is really emerging as a cultural center for the state."

The Monadnock region, Gelter said "is in the midst of a huge infrastructure boom for arts and culture — from libraries to performing arts venues to makerspaces ... we are seeing that all explode." The arts and culture industry there generates \$18.6 million in total economic activity, supports 659 full-time equivalent jobs and generates \$12.7 million in local household income and \$1.9 million in government revenue.

Arts and culture is one of the six priority areas that the Foundation

Page 50 of 93

funds. In the last five years, the Foundation awarded \$20 million in grants to support arts and culture organizations.

"The arts are fundamental to community well-being, education, citizenship — and to economic prosperity," said Katie Merrow, Foundation vice president for community impact. "This study has done a great job of quantifying that economic picture."

Some communities around the country, recognizing the arts as an important economic driver, have taken steps to reinvest public funds. In St. Louis, Missouri, 4/15 of tax revenue from hotel rooms goes directly to support the regional arts commission.

"If you reinvest in the arts, you are creating more product, putting more feet on the street and more derrieres in café chairs," Cohen said.

Supporting vibrant arts scenes, Cohen added, is one way to stem brain drain — especially among the coveted millennial workforce.

"When business leaders and human resource professionals ask 'what is it going to take for you to stay here?' People are saying 'you want me to be creative in the workplace ... I want to be creative in my life as well.' Arts festivals, cool restaurants and coffee shops those aren't just the province of the big cities anymore."

The takeaway, said Teixeira: It is time for decision-makers to "stop thinking about the arts as some softie 'nice-to-have' in schools and communities, but something that is actually changing the financial picture of their area."

## FINANCE COMMITTEE Agenda Item

Agenda Item Name: Monthly Financial Statements Summary – as of December 31, 2017.

#### PLANNING & DEVELOPMENT DEPARTMENT MONTHLY REPORT FOR DECEMBER 2017

The Planning Board held their regular meeting in December. The Conservation Commission, Historic District Commission (HDC), and Arts & Culture Commission did not meet in the month of December. Having been down two staff members for a considerable amount of time, this was a welcome reprieve to enable us to catch up on work that had become backlogged. The discussions/agenda items from the regular meeting of the Planning Board are summarized below. The Planning Board had decided in November that they would not be holding a workshop meeting in December.

Both Crystal Galloway and Michelle Mears came back to work after being out on leave. Needless to say, their presence in the office was very welcome. While there was a respite in the work of some of some of our Committees in December, the office remained busy. The Planning Staff attended variety of other meetings throughout the month. These include, but are not limited to, City Council, the Strafford Metropolitan Planning Organization's Technical Advisory Committee, the City's Technical Review Group, a NHDES public hearing for Waste Management, E-911 meeting with a state E-911 representative, Holiday Drive wrap-up breakfast for Families in Transition, Department Head meeting with GIS presentation, ribbon cutting for Dewey Street bridge, a webinar for online public engagement, a site walk for Copper Lane with the Southeast Land Trust, various site visits for Planning Board approval follow-up and pre-construction meetings, Rotary, a meeting regarding Project Narratives and the process, and various meetings with consultants, developers, citizens, and other City staff. The Planning Board agenda for January is all set with four (4) new applications and several other discussion items. We have also been working on the agenda for the Planning Board retreat set for January 22, 2018. We are still processing guite a few applications and continue to work on applications that have been before the Planning Board. We continue to hear good comments from the public, developers, etc., on the renovations to the Annex. It has made working together much easier and has made it more efficient for the public, developers, potential developers, and staff. On behalf of the entire Planning and Development Department we hope everyone had a Happy New Year and we look forward to continuing to help the City move forward in a positive way this coming year. Thank you all for your support.

#### APPLICATIONS REVIEWED BY THE PLANNING BOARD

**D.R. Lemieux Builders, Inc., 114 Rochester Hill Road** (by Norway Plains Associates) Site plan to construct 102 multi-family units. Case# **134 – 5 – R2 – 16** *APPROVED* 

**Paul & Sue Normand, 52 Pondview Lane** (by Norway Plains Associates) 2-Lot subdivision. Case# 203 – 27 – A – 17 **APPROVED** 

**Gary & Tiffany Randall, 0 Main Street** (by Berry Surveying & Engineering) Conditional use permit to construct a single family home behind the "build to" line. Case# 103 – 119 – NMU – 17 **APPROVED** 

Waste Management of NH, 90 Rochester Neck Road & 214 Isinglass Drive (by Sanborn, Head & Accociates) Site plan for TLR-III Refuse Disposal Facility – South area. Case# 267/268 – 2&3/2&2-1 – RI/A – 17 **APPROVED** 

**Quantum Real Estate Group, LLC, 156 Old Dover Road** (by Tritech Engineering Corp.) 17-Lot subdivision. Case# 140 – 73 – R1 – 17 *INCOMPLETE* 

#### APPLICATIONS REVIEWED BY THE CONSERVATION COMMISSION

The Conservation Commission did not hold a meeting in December.

#### APPLICATIONS REVIEWED BY THE HISTORIC DISTRICT COMMISSION

The Historic District Commission did not meet in December.

#### ARTS AND CULTURE COMMISSION ACTIVITIES

The Arts and Culture Commission did not hold a meeting in December.

Respectfully submitted,

James B. Campbell, Director of Planning & Development

#### **Skate With Santa**

December was full of holiday cheer at Rochester Rec & Arena. Our popular Skate With Santa Charity Food Drive for Gerry's Food Pantry was a huge success. Through collaboration with Spaulding High School's ROTC, we were able to provide the food pantry with a large donation of non perishable food items and toiletries. This was our largest Skate with Santa yet-over 300 community members attended, many of whom had never skated at the rink before.

#### Family Holiday Gifts and Staff Breakfast

Our department sponsored two families through the Human Resource Department's holiday program with the school department. Between recreation and arena staff, we were able to purchase a boatload of presents and gift cards for these families to place under their trees. To celebrate, our department worked with Diane and Kay from HR to host a wonderful breakfast at the Rochester Area Senior Center. This was a great opportunity for multiple city groups (seniors, police, city workers, guidance counselors) to connect and meet one another.

#### **Staff Training**

As part of our commitment to health and safety, our full time staff completed CPR/AED/First Aid training. This training was arranged through collaboration with Detective Frechette and the Rochester Police Department. Our part time seasonal staff will be re-certified in early January.

#### **Community Center Improvement Initiatives**

We continue to lead ongoing initiatives to improve our beloved Rochester Community Center. December Community Coffee (our monthly tenant meeting) was well attended once again. We even had a surprise visit from Santa! At the end of December, our department purchased and placed 5 new tables in the main foyer of the Community Center. The intent of these tables is to create a more positive, welcoming environment for building patrons. The tables have been out for two weeks now, and they have produced great results. Often times when we look into the hallway, customers are sitting, chatting and having a cup of coffee while they wait for a meeting or are on break. We love the community vibe these tables, our new piano and the Rochester Museum of Fine Arts artwork has created in the building!

Page 57 of 93

#### ROCHESTER FIRE DEPARTMENT Mark Klose Chief of Department

The above graph shows our runs for the fiscal year 2018 with each month's data shown individually with their respective totals shown at the top of each month's column. Halfway through the fiscal year at this point we have logged 1,567 runs so far. At this rate if runs continue as they have been, we are on track to reach over 3,100 runs by the end of the fiscal year.

#### DEPARTMENT INFORMATION:

We have only one Rochester firefighters on active military duty. FF Jeffers safe and doing well as expected. FF. JB Riley, FF. Kevin Banks, and, FF Ken Hoyt are now home and have returned to duty. We thank them for their service to our Country.

FF Ken Hoyt now state side and home on their 30-day adjustment leave. Expectation back on duty is January 11, 2018.

Administration completed necessary shift transfers to equal out shifts to help with overtime.

- o 1 Shift at 9 Firefighters (1 Captain, 1 Lieutenant and 7 Firefighters)
- o 3 Shift at 7 Firefighters (1 Captain, 1 Lieutenant and 5 Firefighters)
- o Manning Station 1 and Gonic Station

FF. Bruce Snyder retired from the department on December 23, 2017

FF. Rick Dutton resigned from the department for a new position in North Carolina December 31, 2017

Deputy Chief/Chaplin Ron Lachapelle retired after 55 years of service with the department on December 31, 2018

We continue to provide mutual aid coverage to our surrounding communities:

Dover: Multiple structure fires, Engine and Deputy Chief to the scene Barrington: Structure Fire, Engine and Assistant Chief to the scene Lebanon, Maine: Engine, Tanker and Air Trailer Assistant and Deputy Chief to the scene Strafford: Structure Fire, Engine to scene

Rochester FD and members of Local 1451 participated in the Holiday Parade on Sunday December 3, 2017

Local 1451 had their Toy Bank party providing toys to over 500 children from the Rochester area.

Rochester FD participated along with Recycle Percussion to provide toys for kids in and around Rochester.

Page 58 of 93

First time in department history, in 2017 we surpassed 2900 emergency service calls in a calendar year. This represents a 4.5% call volume increase from calendar year 2016.

#### **FIRE PREVENTION:**

During the month of December the Fire Prevention Bureau focused on completing backlogged reports, which includes code research to verify that suspected code violations are valid and do not have an associated exemption. This can be seen in the lower number of statistics reflected in this month's activity table. A great deal of time was required during the month to educate property owners and address concerns noted in several inspection reports, which isn't necessarily detailed in the numbers provided. The time spent with property owners is well received and helps provide a more successful code compliance process. We would like to remind the public to be mindful of snow accumulation during the winter months. Whether ensuring that heating appliance vents are clear of snow and ice, or access is maintained around your neighborhood fire hydrant, these efforts help us be a more resilient community when facing fire and life safety hazards.

ROCHESTER FIRE DEPARTMENT Mark Klose Chief of Department

#### FIRE DEPARTMENT TRAINING DIVISION

#### Administration

Continued multiple policy updates and work on new policies.

Continued work on developing the Driver /Operator Training Manual

Attended budget training with Mark Sullivan.

Worked extensively with other command officers on fire department budget

Organized new firefighter gear and equipment issue.

Prepared Probationary Firefighters Manuals for two new hires.

Managed EMS recertification records.

Began Captain's office remodel with used furniture purchase and design.

#### **Emergency Response**

Responded to multiple calls in Rochester.

Responded to Lebanon Maine to a fatal building fire and was assigned as Operations Officer.

Responded off duty to Dover for a 3 Alarm building fire and was assigned as Resource Officer and assisted with Operations.

#### Training

The Call Force began training on safe driving practices, reviewed driving policies, driver training on Utility-1 and trailer towing.

The shifts continued the fourth quarter training packet, including 2 multi-company drills, 6 company drills and multiple shift training classes. This schedule runs from October through December.

EMS Training covered contagious illness and disease.

#### ROCHESTER FIRE DEPARTMENT Mark Klose Chief of Department

#### **EMERGENCY MANAGEMENT:**

The month of December we had unprecedented cold temperatures for 10-14 days. Temperatures barley broke 0 degrees, multiple nights were below zero.

First time in the City's history, in a collaborative effort amongst several agencies to open "warming facility" for the population to have them to get out of the weather.

Heavy snow storm on Christmas Day, many challenges for RFD

We provided two ride-a-long days for media "A day in the Life of a Rochester Firefighter"

Respectfully submitted,

Mark Klose Fire Chief

RE: Monthly Report – December 2017

**OPERATIONS**: One of the six wards met this period. There was a discussion on thefts from motor vehicles and a reminder to remove valuables and lock vehicles. The ordinance dealing with camping in the Pines was discussed, and a question was raised about attrition. All of the wards have meetings scheduled for January.

The investigations bureau had 35 cases sent up from patrol for review or investigation. There are currently 82 cases assigned. There were 27 cases presented to the Grand Jury all with true bills. We logged in 231 pieces of evidence and returned 36 pieces. Twelve phones were analyzed with the Cellebrite machine. There were 12 sex offender compliance checks and 4 pawn shop compliance checks completed. There were three detective call outs, all for untimely deaths.

**BRIDGING THE GAPS:** Fourteen middle school youth-to-youth members participated in the chamber's Christmas parade.

Members of the Bridging the Gaps sustainability task force has discovered a new \$50,000 grant and has begun steps for permission to apply.

Bridging the Gaps has been working with several other prevention coalitions and social service provides to provide a focus group for senior and alternative caregivers of youth. With the opiate crisis many grandparents and extended family members now need to care for the children of parents in active addiction. The first event is scheduled for Saturday, January 27, 2018.

**COMMUNICATIONS:** The annual Project Good Morning party was held at Granite Steak and Grill. The dispatchers did a lot of work to prepare for the event, including getting help from Department staff to do a cookie exchange to put in gift baskets. We are working on the upcoming CJIS audit.

**COMP STAT:** As we have reported officers being released to solo patrol has positively impacted field activity with a 167% increase in traffic stops this period. Accidents have decreased since October; however there were 6 DWI arrests from accidents.

Property crime, other than shoplifting had overall decreases. Thefts from motor vehicles are still occurring throughout the City. This period all were from unlocked cars. There were six incidents of vandalism, from a bb gun; no suspects have been identified as of this time. Additionally there were two burglaries that appear connected on Ten Rod and Four Rod Road where copper was removed from vacant homes.

**DIVERSION:** December teen night served 140 youth. Staff met with the Juvenile Prosecutor and the School Administration regarding the changes resulting from the decriminalization of marijuana and how it affected the referral process to Teen Drug Court. Due to time constraints all cases are to be referred directly to court and then backtracked to diversion. Staff has been working with Bridging the Gaps on writing a grant for opiate prevention among youth.

**HONOR GUARD:** Participated in the annual chamber holiday parade. They have also been requested to post the colors for the January Council meeting, and are preparing a flag detail for the annual C.H.aD. Battle of the Badges hockey game on March 25, 2018 at the SNHU arena in Manchester.

**K9:** There were a total of eight calls; 7 tracks (one out of town) and one drug search also out of town. The team participated in a fund raising event for the Working Dog Foundation at the Rochester Opera House.

**PROSECUTION:** In adult court this period there were 199 new cases with 301 charges. Of those there were 75 guilty pleas, 68 not guilty pleas and 44 failed to appear. Of the cases that went before the court there were 27 administrative guilty findings, 37 charges nol prossed as part of plea agreements, and 21 cases were dismissed by the Court. 25 cases were continued.

Juvenile prosecution had 9 arraignments, 2 review and 2 violation hearings. Eight trials were resolved by plea. Lt. Gould completed 2 competency hearings and completed 11 investigations for violation of RSA 193:1 –Duty of a Parent/Compulsory Student Attendance.

The Explorers had two meetings this period. The Re-charter paperwork was completed this month.

**ADMINISTRATIVE:** We received the new Tasers and will be completing training on them at the first of the year, so that it can be counted in the right year for annual training.

We received the first of our three new SUV's. It is currently being fitted at our radio vendor. We anticipate receiving the remaining cruisers in the latter part of January.

We are 13 of 26 pay periods through the fiscal year. When factoring in comp time liability, we are 107.5% spent in our overtime line. As officers are being released to solo patrol we are seeing a decrease of overtime used over the most recent pay periods. We continue to watch and evaluate this weekly.

No major changes have occurred in the operating budget since our last report. The clothing line is currently 66% spent and vehicle maintenance 40% spent.

We have met 4 times as a group to review our budget building process. The level 1 data is due by January 9. We are scheduled to present our budget to the City Manager on January 23.

The four officers at the Academy graduated this period. They are completing some in house training and will then be released to field training. One still had to take a make-up test at the Academy.

The crisis intervention team completed their required 8 hours of training.

**FORFEITURE SPENDING:** There was no forfeiture spending this period.

**EMD USE:** There were two Taser displays and no Taser deploys this period.

Respectfully Submitted,

Paul R. Toussaint Paul R. Toussaint Chief of Police

Rochester Public Library 65 South Main St. Rochester, NH 03867 Main Desk: (603) 332-1428 Reference: 335-7550 Children's: 335-7549 Fax: 335-7582 www.rpl.lib.nh.us

### MONTHLY REPORT December 2017

There were a total of 13,606 items circulated with 8,657 people visiting the library in the month of December. One hundred ninety patrons used the library's Internet computers for 592 hours. Current number of patron registrations is 37,954. Interlibrary loan activity included 63 materials borrowed from other libraries and 168 loaned to other libraries.

The library was proud to exhibit the work of MindsEye Designs artist, James Watts through the month of December. This was James' first solo exhibit. He had a great reception arriving in a brand new 2018 Ford Truck to a cheering group of fans. All of the pieces of art on display were of Ford made cars and trucks using crayons, sharpie markers and prismacolor pencils.

The library staff graciously hosted another successful Patron Appreciation Day on Wednesday, December 20<sup>th</sup>. This included pastries, snacks and beverages available throughout the day for all visitors to the library.

Peggy Trout and her Adult Circulation Services staff again this year created a heartwarming holiday display around a non-perishable donation collection spot for Gerry's Food Pantry on the main floor of the Library. This allowed many generous library patrons and staff to easily donate to those in need while visiting the library. Sixty-two bags of food were collected from November through the end of December. Six bags of food were donated to the 24-hr warming shelter that was available due to the extreme cold weather this December.

In addition to the print versions of available books, 250 of our library patrons downloaded 1,210 e-books to media devices through the library's web site this month. The RPL website also enabled 35 patrons access to the Mango Languages, Chilton, and Legal Forms databases along with 286 digital downloads from Hoopla and Instant Flix.

Trustees meet on January 23<sup>rd</sup> in the Rose Room of the library at 6pm.

### Rochester, New Hampshire Inter office Memorandum

- TO: Daniel Fitzpatrick City Manager
- FROM: Todd M. Marsh Director of Welfare

SUBJECT: Analysis of Direct Assistance for December, 2017.

DATE: January 10, 2018

This office reported 70 formal client notes for the month of December.

Voucher amounts issued for December, 2017 were as follows:

	20 <u>Families</u> 3 <i>new</i>	9 <u>Single</u> 1 new
Burial	1,300.00	650.00
Dental	.00	.00
Electricity	197.78	.00
Food	.00	.00
Fuel heating	274.95	.00
Mortgage	.00	.00
Prescriptions	.00	.00
Rent	3,623.50	1,712.00
Temporary Housing	365.00	.00
Transportation	7.50	3.00
TOTAL	\$5,768.73	\$2,365.00

This represents an average cost per case/family of \$288.44 and case/Individual of \$262.78 for this month.

Total vouchers issued: \$8,133.73

There was a decrease of \$396.72 in assistance issued this month compared to December 2016. There was a decrease of \$2,525.13 in vouchers issued this month compared to last month.

We received reimbursements from the Interim Assistance Program SSI, State Medicaid and Personal Reimbursements totaling \$.00
