AMENDMENT TO CHAPTER 42 OF THE GENERAL ORDINANCES OF THE CITY OF ROCHESTER REGARDING ACCESSORY APARTMENTS

THE CITY OF ROCHESTER ORDAINS:

That Chapter 42 of the General Ordinances of the City of Rochester and currently before the Rochester City Council, be amended as follows:

42.23 Accessory Uses

a. **General Provisions.** The following provisions apply in evaluating proposed accessory uses, activities, structures, and situations.

- *
 - *
 - *

b. **Standards for Specific Accessory Uses.** The following standards shall apply to these specific accessory uses, activities, structures, and situations wherever they are allowed:

1. *Accessory Apartment.* An accessory apartment is permitted subject to compliance with all of the following standards and procedures:
 - A. It is permitted where and as specified in the Table of Uses (by right or by special exception). **However, if the accessory dwelling is detached from the single family dwelling, it must be approved by a special exception;**
 - B. It is accessory to a single family dwelling only **and if detached from the single family dwelling it is similar in architectural style;**
 - C. ~~It must be a studio or one bedroom apartment;~~ **It must be two bedrooms or less;**
 - D. It may not exceed 800 square feet;
 - E. It may not house more than two occupants;
 - F. It may be either part of the single family house **dwelling** or in a separate building, such as above a garage; **if it is part of the single family house, an interior door shall be provided between the principal dwelling unit and the accessory dwelling unit.**
 - G. There may be only one per lot;
 - H. ~~The main house must be owner occupied;~~ **The owner of the property must occupy one of the dwelling units and the owner must demonstrate that one of the dwelling units is his or her principal place of residence;**
 - I. At least one parking space must be provided for the unit;
 - J. Where municipal sewer service is not provided, the septic system

shall meet NHDES requirements for the combined system demand for total occupancy of the property; and

- K.** It is exempt from site plan review but a letter of intent must be submitted to the Building Inspector to ensure that the above conditions are met.
- L.** If it is a security apartment, it shall not exceed 800 square feet and it shall be attached to or located with an allowed commercial, office or industrial use. Such unit may be occupied by the business owner, family member or employee whose purpose is to provide security and/or protection of the business premises. This use shall require Site Plan review.
- M.** If it is a caretaker apartment it shall be attached to or located with an allowed residential or nonresidential use and it shall be occupied by the owner, family member or employee of the principal use and the gross floor area does not exceed 800 square feet. This use shall require Site Plan review.

The effective date of these amendments shall be upon passage.

AMENDMENT TO CHAPTER 42 OF THE GENERAL ORDINANCES OF THE CITY OF ROCHESTER REGARDING TABLE 18-A

THE CITY OF ROCHESTER ORDAINS:

That Chapter 42 of the General Ordinances of the City of Rochester and currently before the Rochester City Council, be amended as follows:

The effective date of these amendments shall be upon passage.

**City Clerk's Report
FY 2017**

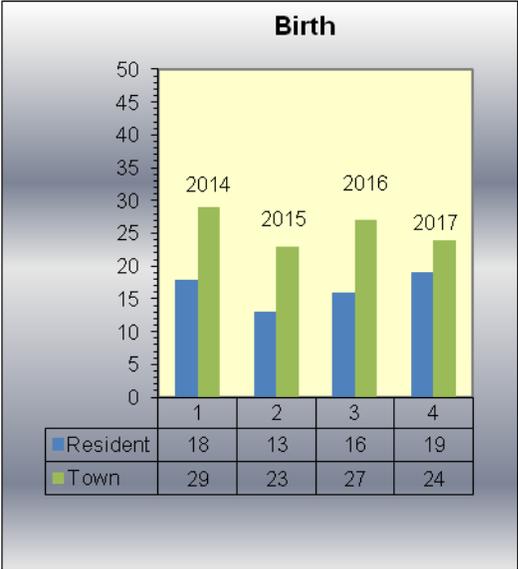

March 21, 2017

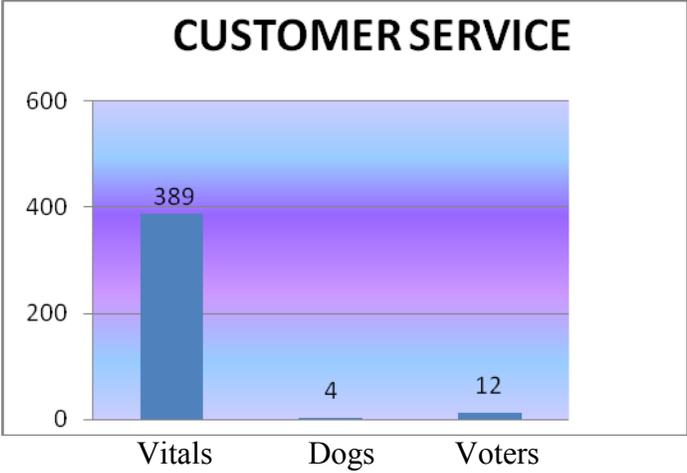

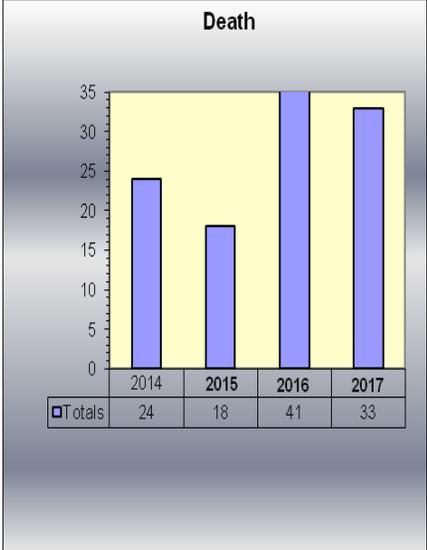

Vital Statistics

The City Clerk's staff issued 229 initial copies of vital records, 144 subsequent copies of vital records, and 16 marriage licenses in February. The New Hampshire Division of Vital Records Administration generated the following report of statistics for the City of Rochester: there were 24 babies born in Rochester during the month of February, 19 of which were of Rochester residents; a total of 33 resident deaths occurred in Rochester during the month of February.

Revenue – Vital Records/Marriage Licenses

	State	City
Initial/Subsequent copies	\$2,552	\$2,323
Marriage Licenses	\$ 688	\$ 112
	\$3,240	\$2,435

Dog Licensing

The City Clerk’s office licensed 4 dogs during the month of January for a total of \$14.00.

Economic & Community Development Management Report

February 28

2017

The City of Rochester is one of the fastest-growing cities in the Seacoast region. As a growing retail and entertainment destination, our dynamic and expanding business climate is attributed to the proud industrial history of the area, a renewing downtown district and the thriving aerospace and advanced composites manufacturing sectors.

City of
Rochester, New
Hampshire

Management Report Compiled & Written by Jennifer Murphy Aubin, Executive Secretary

Karen Pollard, Economic Development Manager

Representing the City – Educational Community Partners

Manager Pollard met with representatives from Granite State College to work on attraction strategies for students to meet our business workforce demand.

Expanded Resources – Tax Increment Financing (TIF)

The second phase of The Ridge, the Waterstone Development in the Granite Ridge Development District, has begun, along with discussion of expansion of the TIF district.

Comprehensive Economic Development Strategy (CEDS)

Manager Pollard participated in the annual CEDS meeting hosted by Strafford Regional Planning. The role of Strafford EDD is to complete annual updates to the five year Strafford Regional 2011-2016 Comprehensive Economic Development Strategy. This update includes data updates and analyses, project updates, and a process for updating the overall project database listing from the municipalities and partner organizations, or project solicitation. http://www.strafford.org/econdev/ceds_overview.php

Highway Signs and Wayfinding

The Way Finding RFP bids came in spanning a broad geographic distribution with interest from businesses as far away as Florida and Pennsylvania, along with New Hampshire firms. The inter-department committee will review and score the bids, final decision in March.

Ribbon Cutting

The City of Rochester is pleased to welcome The Paper Store, a retail haven for gifts, fashion and décor, to the Granite Ridge Development District, The Ridge Marketplace.

In the News – Sunday Feature

By Brian Early bearly@seacoastonline.com

ROCHESTER — The city's thriving industrial zone, the Granite State Business Park, again has room to expand after the Rochester added 47 acres to the park for future development.

The city bought three parcels of land this fall, re-zoned them from agriculture to industrial and added them to the Granite State Business Park Tax Increment

Finance District. The business park on Innovation Drive by Skyhaven Airport already includes Albany International, Albany Engineered Composites and Safran Aerospace Composites, among others.

The park has been growing since the first buildings were constructed in 1994. According to city documents, between 1995 to 2010, an average of 11,500 square feet of building space has been added each year. The TIF was created in 2011 to help further improvements.

Karen Pollard, Rochester's economic development manager, said the purchase of the three parcels, for a total of \$856,982, is crucial for the expansion of the city's industrial space.

"The only way for us for us to attract more industry to the city is to expand the industrial park further," she said. "It's 47 acres. Especially with the frontage of Route 108 and the ability to connect here on Innovation Drive gives us our next best opportunity to attract another high-tech advanced manufacturer."

Pollard said when Safran was looking to expand earlier this decade; the city purchased 125 acres in the area. The city sold 50 acres to Safran, which has an option to purchase another 50 acres.

"One hundred of the 125 acres were gone to one tenant, which we see as a great investment for their future and for the city's" she said. After other land agreements, the city has a five-acre parcel remaining, "and that's now under agreement to a vendor of Albany's," Pollard said. "So that leaves us no land to market to businesses."

The city opted to purchase land near the business park to preserve it for industrial use when Albany sought to expand around 2012, Pollard said.

"The private market is not looking out for Rochester's interest," she said. "They're looking out for their own interests. And housing has really been the way that a lot of landowners have been making back their investment. If we did not get involved, the market was not going to invest in any industrial space because the return wasn't great enough."

The city, on the other hand, only has to break even, she said. "We also have the available cash to make these deals without borrowing, which reduces costs further," she said.

One of the parcels in the recent 47-acre purchase was the same owner of the parcel the city bought for the Safran expansion.

"They were so pleased with what their family's investment had done for the city," Pollard said. The city kept a good relationship with the family, who Pollard said is based in the Midwest, and when the city started looking for additional land, they went to the family first. "They made a deal with us very quickly," she said.

The city has a different idea of profit than a private developer. "Because we got the land at a reasonable price, we will be able to pass those savings on to whoever buys it from us," she said. "We're looking to break even. To us, the profit is creating the jobs and having a taxable building at the end of the day."

Market Research – Article, “Where Did the Money Go?”

BizSurprise
March 1, 2017

Dollars & Details:

The average annual income for an American household (2.5 people in average size) is roughly \$71,000. This has grown by about \$8,000 since 2010, not adjusted for inflation.

What do Americans do with that income? Some \$11,000 of it goes to income taxes.

Next, while we probably don't save enough of our money, we do save more, on average, than you might think. Of "disposable" income (what's left after paying income taxes), we were saving about 5.4% in late 2016. That's a good increase from very low savings rates seen in 2005-2007, but a vast decrease from the 10%+ rates seen in the 1980s.

Trends and Theories:

If health care and education hadn't become so expensive in recent years, we might be putting a lot more money into savings and investment. Health care now accounts for almost 8% of a typical household's spending, a ratio that nearly doubled from 2005 through 2016!

Education accounts for 2.3%, so much so that student loan totals (with \$1.2 trillion outstanding balances) are 70% higher than total credit card balances.

Meanwhile, unhealthy habits take a big bite out of our wallets, with tobacco/smoking accounting for 0.6% of spending and alcoholic beverages nearly 1%. Put another way, we spend five times as much on alcohol as we do on reading materials like books.

Americans purchase 1 billion pair of shoes each year, but we nonetheless spend more on entertainment (5.1%) than we do on clothing (3.3%), and we spend more on transportation (17.0%) than we do on food (12.5%).

We spend a roughly equal amount on food purchased to eat at home and food/beverages in restaurants.

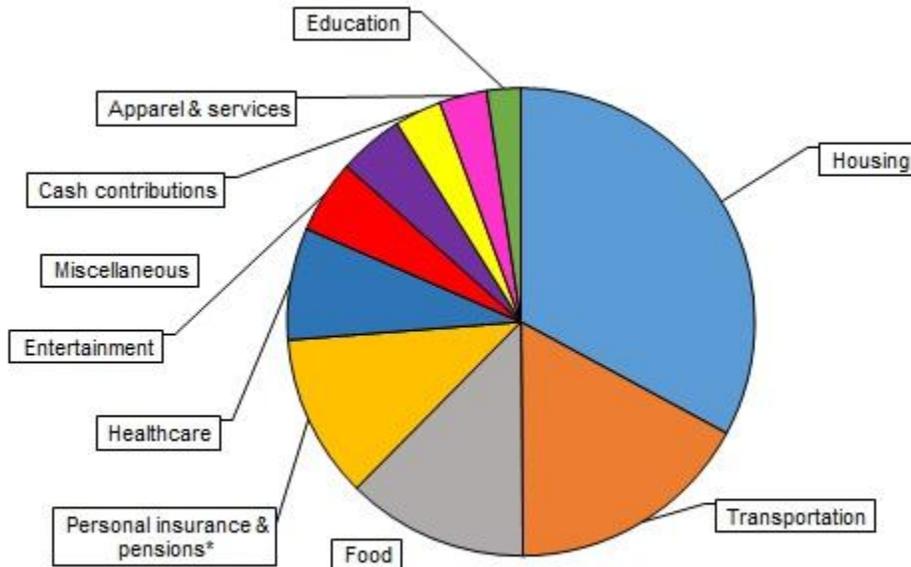

Ranks and Results:

While we still spend most of our money by walking into stores at America's 116,000 shopping centers, it's not a big surprise that we spend an ever-increasing portion of our money by shopping online. It isn't at all hard to imagine Amazon becoming America's largest retailer someday. (A distinction currently held by Wal-Mart.) Meanwhile, 15.8 Americans work in retail, making it one of our largest employment sectors by far.

Distribution of Total U.S. Annual Household Expenditures, by Major Category: 2015

(As Percentages of Total; For 2014, Average Total Spending = \$55,978)

Expenditure Item	Percent Distribution
Housing	32.9%
Transportation	17.0%
Food	12.5%
Personal insurance & pensions*	11.3%
Healthcare	7.8%
Entertainment	5.1%
Miscellaneous	4.5%
Cash contributions	3.2%
Apparel & services	3.3%
Education	2.3%

Jenn Marsh, Economic Development Specialist

Educational Partnerships

The office welcomed Spaulding High School Senior, Ciera, to gain exposure to the economic development office, including marketing, downtown districts, local manufacturers and to help with ongoing projects. Along with visiting businesses, she is helping working on updating the property listings on the website as well as creating a survey to give to her peers.

Main Street Annual Meeting

Specialist Marsh attended the Annual Meeting at Frisbie Hospital, where she received an award for volunteer of the year.

JOB Loan Closing

Trigger Devils is a small manufacturer of a component to enhance remote controls for gamers. Founder, T Antonio, invented and patented the technology, selling online and in trade shows. Trigger Devils closed on the JOB Loan in the amount of \$50,000, for expand their business and begin the launch of their product into the larger retail market. They grew 300% in 2016 and needed additional funding to match the growing pace of their sales and begin to launch the larger production of the controls (aka. Trigger Devils).

Save the Date - Rochester Farmer's Market – Market Opening June 16th!

The Rochester Farmers market has approved their first seven vendors of the season. The deadline for applications is April 1st with more applications anticipated for approval into the Spring. Returning vendors are: *McKenzie's*, *Studley's Flower Garden (part-time)*, *Hackelboro Farm*, *Line Hill Farm*, *Spirit Wind Farm*, and *Rivka Jams & Jellies*. A new vendor this year is *Our Farm* from Springvale, Maine, specializing in mushrooms, beef, pork, seasonal produce and herbs.

Jennifer Murphy Aubin, Economic Development Executive Secretary

ThinkROCHESTER.biz Website & City of Rochester ED & REDC Pages

Executive Secretary Aubin is the project manager for the website completion, which is on track launch April 1st.

Art & Culture Partnerships

Executive Secretary Aubin provided technical assistance to the new Performance Art Center staff and board members, with the new building slated for opening later this year. Staff from planning and the Rochester Opera House met to discuss the uses of the space, community partner engagement and the organization's mission. Executive Secretary Aubin discussed marketing campaigns and tactics.

New Building - Interior Design

Executive Secretary Aubin met with the designer of a Rochester cityscape, which was used in a marketing campaign years ago to promote the downtown

district. This design has great potential to be part of the new building interior aesthetic, bringing the beauty of the downtown corridor to greet patrons, businesses, residents, developers and site selectors. Executive Secretary Aubin was asked by the lead architect to lead the coordination of the soft furniture items for the new offices within the building, collaborating with Planning and BZLS departments make sure the needs of the department, the staff, their customers and clients are taken into consideration.

Online Growth

The Office of Economic Development Facebook page has more than 1200 likes, representing a positive community outlet for business and citizens. It is an effective way to engage, inform and provide a forum for discussion.

Julian Long, Community Development Coordinator

Prepared and submitted by the Community Development Coordinator

February 2017-March 2017

- **Continuing Projects**

- Tri-City Co-op – Handicap Ramp and HVAC projects: The Community Development Coordinator met with the HVAC contractor for this project to discuss Davis-Bacon Act requirements, as the contractor has not worked a Davis-Bacon project before. The HVAC project was originally scheduled to begin February 9th but was postponed to March 8th due to inclement weather. The HVAC project should last about two days. The handicap ramp project is still pending.
- Homeless Center for Strafford County – Generator Project: The Community Development Coordinator has continued to coordinate with HCSC's executive director to finalize language in the bid documents and to arrange for the project to go out to bid.

- **FY 17-18 CDBG Annual Action Plan**

- FY 17-18 Plan Draft: The revised draft version of the FY 2017-2018 CDBG Annual Action Plan has been uploaded to DropBox. It is available at https://www.dropbox.com/sh/w8hx2cwp5wlymti/AABRQ2_e869OTQQ26-xS8hINa?dl=0.
- FY 17-18 Grant Applications: The FY 2017-2018 CDBG and general city funding grant applications, along with the revised summary and analysis of the applications, have been uploaded to DropBox. They are available at <https://www.dropbox.com/sh/ox20pg9tww8wc3x/AABPGfwzVHSBqHmVWR21Tqf1a?dl=0>. The revised versions of the summary and analysis of the applications, which include an extra \$300 for construction projects over \$10,000 (to cover the costs of placing bid announcements, in compliance with the City's procurement policy), are also attached to this report. These revisions also include public feedback received at the Ward 5 meeting and through the online community development survey.
- **CDBG Program**
 - Assessment of Fair Housing: The Community Development Coordinator has continued to meet and coordinate with the Rochester Housing Authority to work on the research and consultation phases of the Assessment of Fair Housing (AFH). The Community Development Coordinator has conducted several of the required consultations and is continuing to schedule consultations.
 - New HUD Secretary: On March 2nd, Dr. Ben Carson was sworn in as the new secretary for the U.S. Department of Housing and Urban Development. The news release for Secretary Carson's swearing in is available at https://portal.hud.gov/hudportal/HUD?src=/press/press_releases_media_advisories/2017/HUDNo_17-021.
- **Non-CDBG Grant Activities**
 - HUD Lead-Based Paint Hazard Control Program: The Community Development Coordinator has extensively revised the lead grant application after feedback from Building, Zoning, and Licensing Services and to ensure the application complies with the FY 2017 Notice of Funding Availability. The Community Development Coordinator is also gathering letters of support for the application. The deadline for application submission is March 23rd.
 - Certified Local Government (CLG) Grant – Historic District Design Guidelines: The Community Development Coordinator assisted the Planning Department in drafting and submitting a CLG grant application requesting funds to draft historic district design guidelines. This should streamline the process for property owners in the historic district to make changes or renovations to their properties. A grant in the amount of about \$17,000 was awarded to the City of Rochester.
 - New Hampshire Municipal Technical Assistance Grant: The Community Development Coordinator has assisted the Planning Department in drafting a NH Municipal Assistance Grant application, requesting funds to research and revise the zoning ordinance as related to the downtown district.
 - Moose Plate Grant – Historic Document Preservation: The Community Development Coordinator has drafted and submitted a Letter of Intent to apply for Moose Plate Grant funds to preserve historic municipal documents from the 18th and 19th centuries. The Community Development Coordinator has started drafting the grant application itself, as well, which is due May 12th.
 - Bridging the Gaps: The Community Development Coordinator has worked with the coalition coordinator to submit the FY 17-18 continuation grant application. The Community Development Coordinator reviewed the required progress report, prepared by the coalition coordinator, which was submitted in February.
 - City Hall Annex: The Community Development Coordinator has completed and submitted the Land & Community Heritage Investment Program (LCHIP) grant acceptance documents. The Community

Development Coordinator has been collecting and organizing required documents to submit in order to receive the first grant reimbursement.

- US EPA Brownfields Cleanup Grant: This application has been submitted, but the EPA has placed a temporary freeze on grants. A decision regarding the application is not anticipated until later in the spring.
- Great Bay Community College: The Community Development Coordinator has researched potential funding opportunities, including federal grants and private foundation funding, for Great Bay Community College's ATAC center.
- Workforce Innovation and Opportunity (WIOA) Grant: The Community Development Coordinator has met with Creteau Tech Center staff to discuss and research applying for state WIOA funds to support an advanced manufacturing certificate program partnership between the tech center and Great Bay Community College.

- **Other Information**

- Potential Federal Funding Cuts: There are a number of potential federal budget cuts that may be proposed by the new presidential administration: <http://thehill.com/policy/finance/314991-trump-team-prepares-dramatic-cuts>. Included among proposed cuts are the elimination of the Economic Development Administration, the Office of Community Oriented Policing Services, and Violence Against Women Act-authorized grants. The city has active EDA and COPS grants, and the Violence Against Women Act grants are a potential funding source for the city's victim-witness advocacy program. The Community Development Coordinator will track any federal budget cuts and potential impact on the City's grant-funded activities.

- **Report Attachments**

- FY 17-18 CDBG and General City Funding Grant Application Summaries and Analyses – Word Document Version - p. 4
- FY 17-18 CDBG and General City Funding Grant Application Summaries and Analyses – Excel Spreadsheet Version - p. 9

Dover Adult Learning Center

- Project: High School Equivalency Test preparation services
- Funding request: \$5,000
- Most recent request: \$5,000 / FY 16-17
- Most recent award: \$5,000 / FY 16-17
- Note: Public input has indicated support for funding this organization and its services.

SHARE Fund

- Project: Emergency housing assistance (e.g., back rent, security deposit, etc.) plus client financial counseling
- Funding request: \$6,000
- Most recent request: \$6,000 / FY 16-17
- Most recent award: \$5,000 / FY 16-17
- Note: Public input has indicated support for SHARE Fund activities, such as emergency housing assistance. Public input has also indicated concerns with the affordability of housing in Rochester.

Cross Roads House

- Project: Homeless shelter services (staff salary and benefits) for individuals and families
- Funding request: \$12,000
- Most recent request: \$12,000 / FY 16-17
- Most recent award: \$5,000 / FY 16-17
- Note: Public input has indicated need for more homelessness resources. Public input has indicated support for funding this organization and its services.

YMCA of Strafford County / Granite YMCA

- Project: Camp scholarships for 50 homeless youth
- Funding request: \$5,000
- Most recent request: N/A
- Most recent award: N/A
- Note: Public input indicated a need for more pro-social youth recreation options.

CASA of NH

- Project: Recruitment, screening, training, and support of volunteer child advocates

- Funding request: \$2,000
- Most recent request: \$2,000 / FY 16-17
- Most recent award: \$1,500 / FY 16-17
- Note: Public input has indicated support for funding this organization and its services.

Community Action Partnership of Strafford County

- Project: Weatherization services for low-income homeowners
- Funding request: \$50,000
- Most recent request: \$50,000 / FY 16-17
- Most recent award: \$46,103 / FY 16-17
- Note: Public input has indicated support for CAP services such as weatherization assistance and fuel assistance. Public input has also indicated concerns with the affordability of housing in Rochester. Public input has indicated support for funding this organization and its services.

Rochester Housing Authority

- Project: Installation of PV electric generation system at Marsh View housing units for low-income elderly residents (Low-Income Housing Tax Credit Program)
- Funding request: \$71,873 (\$71,573 request + \$300 for bid announcement)
- Most recent request: \$49,500 / FY 15-16
- Most recent award: \$49,500 / FY 15-16
- Note: Public input has indicated a lack of support for this proposed project, as it is not seen as serving basic needs of Rochester residents. Public input has also indicated concerns with the affordability of housing in Rochester.

Hope on Haven Hill

- Project: Case management services for pregnant women with substance use disorders
- Funding request: \$39,000
- Most recent request: \$102,456 / FY 16-17
- Most recent award: \$102,456 / FY 16-17
- Note: Public input indicated a need for more substance use disorder treatment facilities. Public input has indicated support for funding this organization and its services.

Rochester Recreation and Arena Department

- Project: Installation of lighting at tennis courts
- Funding request: \$137,700 (\$137,400 + \$300 for bid announcement)
- Most recent request: \$43,350 / FY 14-15
- Most recent award: \$43,350 / FY 14-15
- Note: Public input indicated a need for more pro-social youth recreation options.

Tri-City Co-op

- Project: Remodeling to create music room and art space
- Funding request: \$5,775
- Most recent request: \$9,180 / FY 16-17
- Most recent award: \$9,180 / FY 16-17
- Notes: Application also requested funding to purchase a snow blower, but this is ineligible under 24 CFR 570.207(b) (1). Public input has indicated support for funding this organization and its services.

Community Partners

- Project: Housing stability services for homeless individuals and those at risk of homelessness who have a mental illness and/or developmental disability
- Funding request: \$10,000
- Most recent request: \$35,600 / FY 16-17
- Most recent award: \$35,600 / FY 16-17
- Note: Public input has indicated need for more homelessness resources, and consultations have indicated a need for more supportive housing services for residents with mental illness. Public input has also indicated concerns with the affordability of housing in Rochester.

MY TURN

- Project: Employment Plus Program support for low-income young adults
- Funding request: \$5,000
- Most recent request: \$10,000 / FY 16-17
- Most recent award: \$5,000 / FY 16-17

Homeless Center for Strafford County

- Project: Case management services for homeless shelter
- Funding request: \$12,600
- Most recent request: \$10,500 – operating expenses; \$16,300 – facilities / FY 16-17
- Most recent award: \$8,658 – operating expenses; \$16,300 – facilities / FY 16-17
- Note: Public input has indicated need for more homelessness resources.

Maple St. Magnet School

- Project: Creation of outdoor classroom and recreational area as part of existing playground (open to neighborhood, not only students)
- Funding request: \$28,958.50 (\$28,658.50 + \$300 for bid announcement)
- Most recent request: \$212,000 / FY 15-16 (district, not school-level)
- Most recent award: \$48,400 / FY 15-16 (SHS elevator)
- Note: Public input indicated a need for more pro-social youth recreation options.

General City Funding

Cornerstone VNA

- Project: Supplement Medicaid reimbursements for home care, hospice, palliative care, and perinatal services for low-income patients
- Funding request: \$28,826
- Most recent request: \$28,826 / FY 16-17
- Most recent award: \$28,826 / FY 16-17

Community Action Partnership of Strafford County

- Project: General support for housing, utility assistance, food, emergency shelter, education, and child care services
- Funding request: \$9,000
- Most recent request: \$9,000 / FY 16-17
- Most recent award: \$9,000 / FY 16-17

The Homemakers

- Project: Home support and personal care service provider programs
- Funding request: \$20,000
- Most recent request: \$20,000 / FY 16-17
- Most recent award: \$11,000 / FY 16-17

COAST

- Project: Fixed-route public transportation services and ADA paratransit services
- Funding request: \$118,527
- Most recent request: \$118,799 / FY 16-17
- Most recent award: \$118,799 / FY 16-17

March 2, 2017

TO: City Manager Dan Fitzpatrick
 Mayor Caroline McCarley & City Council Members

MONTHLY REPORT
FEBRUARY 2017

On behalf of the Fire Department, I am pleased to provide you with the following report. It serves as a summary of the activities, projects and programs underway within the department.

DEPARTMENT INFORMATION:

During the month of February the Department responded to 228 calls for service. This represents an 8.5% increase over January with only 210 runs. Of the calls in February, there were 3 building fires, one of which required a first alarm be transmitted. Additionally there was 1 cooking fire, 1 chimney fire, 1 camper fire and 1 vehicle fire.

Crews also responded to an additional 37 calls for vehicle accidents, and 3 more accidents involving pedestrians being struck which resulted in serious injuries, and 1 ice rescue. Additionally there were 66 medical calls. 8 of those medical calls were overdoses. We also responded to 5 calls for mutual aid assistance. The remaining calls included everything from alarm activations, good intent calls, and public service calls, as well as a multitude of various other type calls.

ADMINISTRATIVE STAFF:

Staff attended Employee Performance Training which was held at the Library.

Staff attended the ribbon cutting for the Paper Store which is located in Granite Ridge.

Staff attended a training on Military Deployment Education.

I met with Olivia Lapolla a senior at Spaulding High School to answer some questions about the Fire Department.

Deputy Dube attended a meeting regarding the Community Access Recovery program which was held at the Frisbie Conference Center.

I attended and participated in the Chamber of Commerce Annual Showcase which was held at the Rochester Elks.

FIRE PREVENTION:

The fire prevention bureau spent a large amount of time in February conducting school inspections. There are thirteen public schools and over twenty private schools in the city that require life safety inspections. These reports are then filed with the state fire marshal's office per RSA. The average school takes an inspector approximately six hours to inspect and then dependent on the number of deficiencies about two hours to complete a report for the responsible party to use as a guide to remedy the deficiencies. School vacation week in February is always an opportune time to conduct these inspections as we are not disruptive to the students and teachers during their studies. We are continuing to conduct rental housing inspections and are starting to receive a lot of positive feedback from that program.

DUTY SHIFT:

Prepared and presented multiple lessons and ensured compliance.

Each shift trained on;

Search Priorities (to increase victim survivability)

Drilled on specific searching techniques with an acquired structure

Cancer Prevention for firefighters, with intro to new draft policy.

Zoll AED Operations

Blood-borne Pathogens

Firefighter line of duty death review

EMS protocols review, Poisoning/Substance Abuse/Overdose

The Call Force was instructed on search priorities.

Planned and developed the March training schedule, along with preparation for instruction.

Continued work on the Driver operator training program

Applied and received an "EMS in the Warm Zone" grant from Homeland Security and Emergency Management, which will supply our members with protective equipment for use during active shooter and other violent events.

Established a rough draft of a "Cancer Prevention" policy.
Assisted with administrative duties as needed.
Assisted with 2 Fire Prevention Inspections
Assisted with investigation of building fire 17 1/2 Bridge Street

EMERGENCY MANAGEMENT:

Staff conducted a meeting to plan an Emergency Shelter Drill.

Staff attended a Emergency Preparedness meeting which was held at Wentworth Douglas Hospital.

I attended a Board meeting for the Health and Safety Council of Strafford County. This was held at the Strafford County Court House.

Sincerely,

Norman G. Sanborn, Jr.
Fire Chief

MONTHLY REPORT

February 2017

There were a total of 17,386 items circulated with 10,927 people visiting the library in the month of January. Two hundred twenty-eight patrons used the library's Internet computers for 620 hours. Visitors to the library's web site numbered 11,238. Current number of patron registrations is 37,044. Interlibrary loan activity included 59 materials borrowed from other libraries and 265 loaned to other libraries.

Winter story times continued in the month of February. Five story times were held throughout the month with over one hundred children in attendance. The busy Children's Room staff also held a Valentine's Day themed "Make-It and Take-It" program creating "Clay Heart Ornaments" with 48 enthusiastic children.

The Rochester Public Library was pleased to present an exhibit of paintings and mixed media artwork by Rochester resident, Jessica Allard. The majority of her work explores the relationship between memory and identity. Allard studied art at the New Hampshire Institute for Art. She also studied at Gordon College and has attended numerous workshops. Allard's work has been exhibited at studios around New Hampshire, receiving several awards.

In addition to the print versions of available books, 259 of our library patrons downloaded 501 e-books to media devices through the library's web site this month. The RPL website also enabled 83 patrons access to Mango Languages, 200 digital downloads from Hoopla and 333 songs were downloaded from Freegal Music.

Trustees meet on March 21st in the Rose Room of the library at 6pm.

Planning and Development
 Conservation Commission
 Historic District Commission
 Arts & Culture Commission

PLANNING & DEVELOPMENT DEPARTMENT MONTHLY REPORT FOR FEBRUARY 2017

The Planning Board, Conservation Commission, and the Historic District Commission (HDC) held their regular meetings in the month of February. The Arts & Culture Commission did not meet in the month of February.

The Planning Board continued to be busy in the month of February. In addition to their regular meeting the Board also held their workshop meeting on February 27, 2017. There were some discussions on applications at the Workshop meeting including the proposed amendment to the Highfield Commons PUD, the Fazekas site plan application, and the Makris subdivision application. The Board was also given a surety and inspections update, discussed a partial surety release for the Village oat Clark Brook PUD, and discussed possible amendments to the definition of Taverns in the Zoning Ordinance. The discussions/agenda items from the regular meetings of the Planning Board, Conservation Commission, and HDC are summarized below.

The Planning & Development Department had another busy month in February. In addition to the meetings listed within this report, the Planning Staff attended variety of other meetings throughout the month of February. These include, but are not limited to, the Strafford Metropolitan Planning Organization's Technical Advisory Committee, the City's Technical Review Group, an Annex Team meeting, Main Street Annual Meeting, Main Street Design Committee meeting, a webinar on climate change, a Special Downtown application review, Rochester Rotary, a meeting on the State's 10-Year Transportation plan, a Workforce Housing meeting, and various meetings with consultants, developers, citizens, and other City staff. It is also budget season and the Director worked on the proposed Departmental budget and Capital Improvement budget and met with the City Manager and Director of Finance on the proposed budgets. Finally, for the City Manager's Corner the City Manager, Director of BZLS, City Attorney, and I created a video called "Zoning Laws and Applying for a Variance" to educate the public on the Zoning Ordinance and Variances. The Planning Board agenda for March is a busy one with new applications as well as some continued applications. The Department has begun to review the applications and preparing them for hearings in March.

APPLICATIONS REVIEWED BY THE PLANNING BOARD

John & Marilynn Tapscott, 639 & 647 Portland Street (by David Vincent) Lot line revision.
 Case# 109 – 159&160 – R1 – 17 **APPROVED**

SDJ Development of Rochester, LLC, 183 Washington Street (by Hillside Design Group) Amendment to the Master Plan for Highfield Commons PUD. Case# 237 – 8-1 – PUD – 16 **APPROVED**

Makris R.E. Development, LLC, Chesley Hill Road & Donald Street (by Beals Associates) 51-Lot subdivision. Case# 137 – 9&10 – R1 – 17 **CONTINUED TO 3/6/2017**

CONSERVATION COMMISSION ACTIVITIES

1. Collaboration with City Council:

The Conservation Commission attended two City Council meetings in February to present and answer questions relative to the Commission's request to have City Council support and partially fund the acquisition of a Conservation Easement on Gauthier Farm on Bernard Rd. The Commission, prior to the City Council meetings, also organized a neighborhood meeting between the Gauthier family and Tara Estates residents to discuss this proposal. In addition to those two parties being present, Ward 1 Councilors, Conservation Commission members, Police Department staff and the Planning Department staff were also present to answer questions and facilitate the meeting.

2) Conservation Overlay District:

a) Formal presentation of: Makris R.E. Development, LLC, Chesley Hill Road & Donald Street (by Beals Associates) 51-Lot subdivision proposal involving wetland and wetland buffer impacts.

The Commission discussed the project and the proposed impacts to wetland and wetland buffers, as well as how to prevent future lot owners from impacting wetlands and wetland buffers. The Commission voted to conditionally approve/support the Conservation Overlay Conditional Use Permit.

b) Non-Binding presentation of: Real Estate Advisors Inc., 24 Jeremiah Lane (Real Estate Advisors Inc) 53-Lot subdivision for single and duplex housing proposal involving with wetland/wetland buffer impacts.

The applicant presented a conceptual redesign and asked the Commission for their nonbinding comments. The Commission offered suggestions and nonbinding conditional support. The applicant will formally return to the Commission for review once a final design and engineered plans are submitted.

3. Reports:

Technical Review Group. The Commission's liaison to the TRG explained the applications that are being reviewed and will be before the Planning Board that have conservation related aspects to them (wetlands, etc).

4. Old Business: The Commission finished their review of easement language for Gauthier Farm.

5. Other Business: Two residents asked the Commission about application, review, and commenting processes.

THE HISTORIC DISTRICT COMMISSION

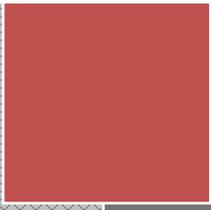

The Historic District Commission did not review any applications. They did meet to discuss the Division of Historical Resources Certified Local Government grant award to hire a consultant to prepare design guidelines for the historic district. Rochester Historic District Commission has been selected for funding from the 2017 pool of applicants. The grant amount, pending the DHR's final approval of its Federal Fiscal Year 2017 funding from the National Park Service, will be \$15,000 the match will be \$2,000 from the city. The city staff will be working with NH Division of Historical Resources to discuss how to engage property owners in the process. The staff also gave an update on the City Hall Annex project to the members.

ARTS AND CULTURE COMMISSION ACTIVITIES

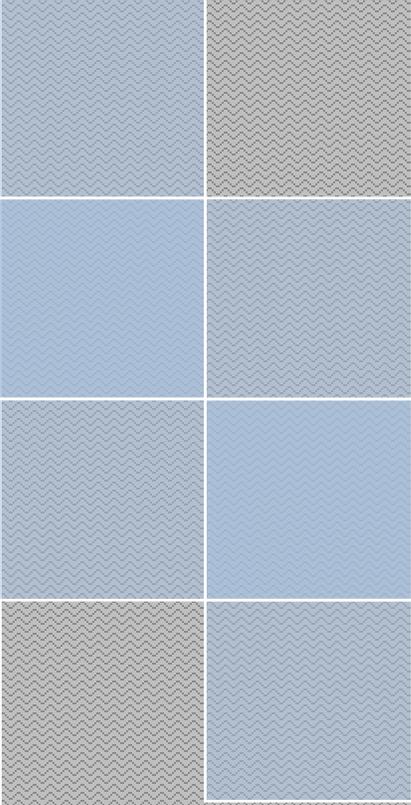

The Arts and Culture Commission did not meet for the month of February. The Commission is very excited that the new Poet Laureate was crowned at City Council on February 7th, 2017. Katie O'Connor read her work to the City Council and Mayor. She is the first Poet Laureate to serve Rochester since 2014.

Respectfully submitted,

James B. Campbell,
Director of Planning & Development

ROCHESTER DEPARTMENT OF PUBLIC WORKS MONTHLY REPORT FOR FEBRUARY 2017

HIGHWAY, FLEET MAINTENANCE AND UTILITIES

Highway Division responded to approximately 70 service calls which were either completed or scheduled for repair. The request included sign repair, installations of new signs and several repairs for mail boxes that were damaged during snow events. Staff treated or plowed during 8 winter events. Our total of snow fall for February is 39" and we picked up approximately 9,688 yards of snow. Monthly maintenance included pothole repair, traffic light repairs and 2 catch basin repairs. The mechanics repaired sidewalk tractors' blowers and replaced a high pressure fuel pump on six wheel dump truck # 17. They also replaced the transmission and left rear wheel hub on six wheel dump truck # 55. They replaced the engine turbo and exhaust gasket on ten wheel dump truck # 12; and they replaced the sander chain on six wheel dump truck #20. The Utilities Division responded to 15 service requests this month including discolored water calls and sewer backup calls. Staff traveled the hydrant runs and replaced any reflective hydrant markers that were bent or damaged, and they cleared snow for safe access. Staff repaired a water shut off on Sawyer Ave and replaced a broken water service on Coxeter Square. The Utility Staff is continuing to perform maintenance and cleaning on our trouble sewers and siphons.

BUILDINGS AND GROUNDS

Buildings and Grounds completed 54 work orders in the month of February which included general repairs of electrical, carpentry, equipment repairs and plumbing related issues. The Department removed a large amount of subfloor from 2-4 Walnut Street. This wood, due to its age and similar texture and look, is being used to patch in some area of the City Hall Annex. The technicians spend a considerable amount of time performing inspection & maintenance on the two sets of expanding bleachers located in the Community Center Gym. This work included tightening loose nuts and bolts, greased all fittings and an overall inspection of all working parts. Winter maintenance took up

a considerable amount of staff time in February. The construction of a satellite office for the Recreation Department has begun at the Community Center.

WATER TREATMENT PLANT

Treated water volume for the month of February was approximately 53.1 million gallons from the surface water treatment plant. All water quality testing and monitoring was completed in accordance with NHDES requirements. Monthly DBP sampling results for February continue to show improvement, with lower levels at all sites. Watershed inspections were conducted at all reservoirs and structures. We measured approximately 1.4" of rainfall at the Reservoir in addition to significant snowmelt. Raw water soluble color and organic concentrations have increased due to the rapid inflow. Berry River downstream release has exceeded 20cfs. Remobilization for the raw water transmission main repairs is expected the first week of March 6th. Preliminary instrumentation and electrical design for the Raw Water/LLPS station is underway. Equipment, grounds maintenance, and snow removal was performed at the plant, well, and tanks/stations. Maintenance at the WTF included sample line purging, repairs to the intake blowoff system, installation of a filter alum injection line, cleaning of the permanganate system, inspection of the treated water influent channel, and continued efforts to utilize the pilot carbon system. PM was performed on flocculator and backwash gear drives. Lab equipment has been serviced and cleaned. The backwash recycle valve and check assembly failed and will be replaced. Aggressive multi-chemical washing of the sand filter has achieved limited improvement; installation of cell dividers is the preferred solution. Distribution system modeling and evaluation for hydrant flushing and lead sample site selections is underway.

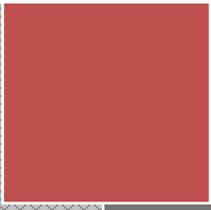

Spillway flow at Round Pond

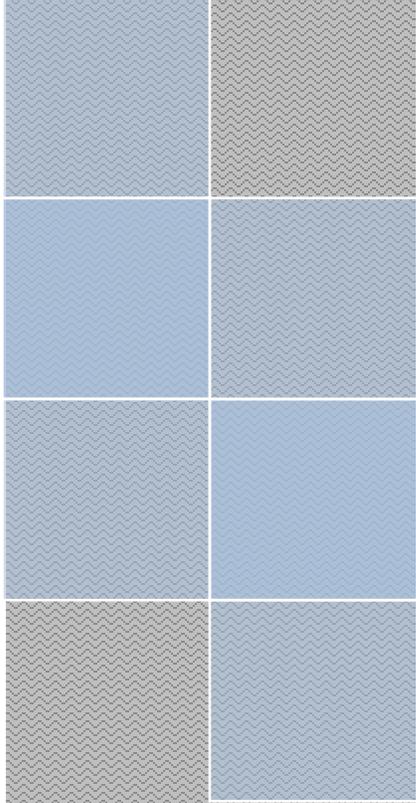

WASTEWATER TREATMENT FACILITY

Items that were completed during the month of February: We continue to work with the coalition of communities on related wastewater and Great Bay Estuary issues. Staff attended an MS4 stormwater permit meeting. The Western Avenue pump station upgrade continues to move forward – wet well and building are substantially completed, generator has been installed, pumps are to be shipped first week of March, Electrical and HVAC is on-going. Staff attended State sponsored training classes. Ray Drive pump station has a new pole, transformer and wiring to

meter was installed by EverSource. We met with consultant engineers from the water treatment facility to discuss options to reduce the increased hydraulic load being put on the wastewater treatment facility and alternative options for alum sludge handling. The annual industrial pretreatment report is complete. We completed the Homeland Security paperwork for grant to install security camera's at the wastewater treatment facility. Employee evaluations have been completed. The Biddeford WWTF crew toured our facility. Boring work was completed for possible site for chemical storage facility. DES officials toured the Zeolite pilot study set-up. Software systems are being evaluated for the process control automation project. Staff performed preventative and corrective maintenance on equipment, machinery and instrumentation. All required testing for EPA and State has been completed and submitted. Average effluent flow for the month was 3.253 million gallons per day (MGD). Percent of design flow = 64.7%. Percent of design flow for 2017 = 65.6%. Precipitation for the month = 2.97". Precipitation for 2017 = 5.44".

Memorandum

To: Dan Fitzpatrick, City Manager
Mayor McCarley
Members of the City Council

From: Lauren Krans, Recreation & Arena
Date: March 7, 2017
Re: February Department Report

February Break Activities

February Break was a busy week for our department. Additional sessions of Public Ice Skating, Learn to Skate and Parent/Child Stick were offered to keep families busy and having fun at the Rochester Arena. Our February Vacation Camp tripled in size from last year due to the fun packed weekly schedule created by our staff. Last year we had 13 children registered for February Vacation Camp, this year we maxed out at 40 campers! Parent/guardians gave us stellar feedback on this program. Campers spent the week visiting Spaulding High School, getting a presentation from Cocheco Valley Humane Society, taking a tour of Gerry's Food Pantry, and learning about safety from the Rochester Fire Department and Rochester Police Department. The activities at February Vacation Camp highlighted all of the wonderful resources we have in our community.

Summer Hiring

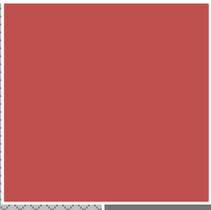

After receiving Finance Committee support to advertise for Summer 2017, we quickly started our marketing campaign. Once again using our creative in-house life guard certification program to attract new candidates, we're hopeful we will get a lot of new talent for both pool and camp staff. Applications are due to the Human Resource Department on March 15.

Summer Camp and Swim Lessons

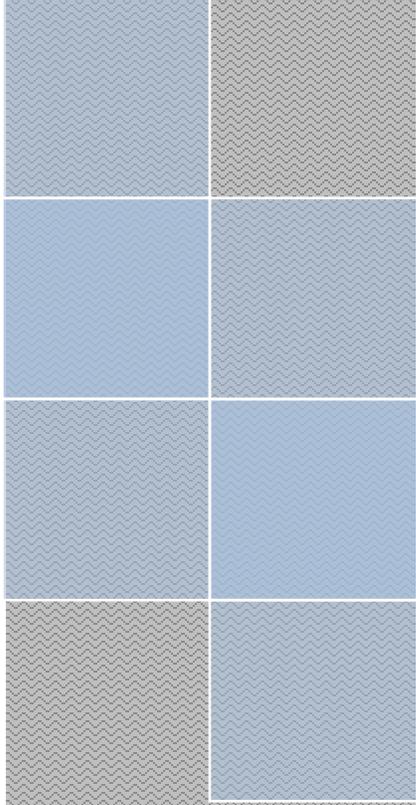

Much of February was spent preparing for our summer season. Information on Rochester Rec Summer Camp, Camp Aid, Teen Travel Camp, Public Swim, Swim Lessons and Senior Swim was published on February 15. We're excited to get this information out early to our customers so they can start making their summer plans. Registrations for camp and swim lessons open on April 3.

SUMMARY STATEMENT

The Legal Department seeks permission of the City Council to apply for a NH DOJ Victim of Crime Act (VOCA) grant in order to fund the Department's Victim-Witness Advocate position. A Victim-Witness Advocate provides individual services to victims of crime who came in contact with the legal Department. These services include intake processing, education on the criminal justice system, referral to appropriate social services, courtroom familiarization, trial/hearing preparation, and restitution assistance. The Advocate also provides to the Legal Department client interface services along with trial support services to include witness coordination, witness preparation, file review, and trial advice.

**A Resolution of the City of Rochester City Council Affirming the
City of Rochester's Commitment to Support Pursuit of 75% State of
New Hampshire Funded Renovations to the Richard W. Creteau
Technology Center**

Whereas, the Rochester School Board has determined that renovations and expansion of the Richard W. Creteau Technology Center are needed to adequately meet the Career and Technical Education mission as defined by the State of New Hampshire; and

Whereas, New Hampshire Revised Statutes Annotated Chapters 188-E:3 and 188-E:10 make provisions for the renovation of regional Career and Technical centers and allows for the possibility to seek State appropriations for renovation; and

Whereas, the State of New Hampshire through the Department of Education's Division of Career Technology and Adult Learning has indicated said funding would be formulated at this time as 75% State and 25% Local funded;

NOW, THEREFORE, IT IS HEREBY RESOLVED that the Rochester City Council affirms its commitment to pursue State appropriations, along with Local appropriations, for renovation and expansions to the Richard W. Creteau Technology Center.

**Resolution Authorizing Supplemental Appropriation to the School Building Fund in the
Amount of \$796,326.00**

**BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF
ROCHESTER, AS FOLLOWS:**

In accordance with RSA 34:2, that the sum of Seven Hundred Ninety Six Thousand Three Hundred Twenty Six Dollars (\$796,326.00) be, and hereby is, appropriated as a supplemental appropriation to the School Building Fund. The entire amount of the supplemental appropriation shall be derived from the General Fund unassigned fund balance.

To the extent not otherwise provided for in this Resolution, the Finance Director is hereby authorized to designate and/or establish such accounts and/or account numbers as necessary to implement the transactions contemplated by this Resolution.

SUMMARY STATEMENT

Transfer of funds from the City's General Fund "Unassigned Fund Balance" to the City's School Building Fund.

* General Fund Unassigned Fund Balance "surplus" for Fiscal Year 2016 was \$1,607,697, as certified by the Independent Auditor.

* School Building Fund stipulates "The City Council ... may ... transfer to such fund ... not more than 1/2 of its ... surplus ... after the annual audit presentation by the independent auditor ...

* The amount contributed to the Fiscal Year 2016 surplus by the School Department is \$796,326.

RECOMMENDED ACTION

Transfer the School Department's net revenues & appropriations for fiscal year 2016 of \$796,326 from General Fund Unassigned Fund Balance to the School Building Fund.

**Resolution Pursuant to RSA 34:1 Establishing a School
Building Capital
Reserve Fund**

**BE IT RESOLVED BY THE MAYOR AND THE CITY COUNCIL
OF THE CITY OF ROCHESTER, AS FOLLOWS:**

By adoption of this Resolution, the City Council establishes a Capital Reserve Fund pursuant to RSA 34:1 for the purpose of rehabilitating, enlarging, replacing, and/or constructing new school facilities and/or the purchase of land for the enlargement of existing school facilities and/or siting of new school facilities. The name of such fund shall be the School Building Fund.

The City Council, at its sole discretion, may appropriate monies to said School Building Fund through the annual budgeting process. The City Council may also by favorable vote of $\frac{3}{4}$ of its members, transfer to such fund after a public hearing with notice as provided in RSA 34:2, not more than $\frac{1}{2}$ of its unencumbered surplus funds remaining on hand at the end of the fiscal year, within limits as provided in RSA 34:4. No transfer from the City's unencumbered surplus funds to the School Building Fund shall be considered until after the annual audit presentation by the independent auditor and confirmation of the stated surplus. The City Council may also accept and appropriate gifts, legacies and trusts to the School Building Fund by majority vote.

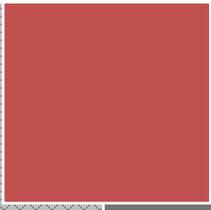

Expenditure of funds from the School Building Fund is at the sole discretion of the City Council.

Pursuant to RSA 34:6, the Trustees of Trust Funds shall have custody of all capital reserves transferred to the School Building Fund. The Trustees of the Trust Fund will hold the monies appropriated to the School Building Fund in a separate account. Appropriations made to the School Building Fund will be paid over to the Trustees of the Trust Fund after July 1 but prior to June 30 of the fiscal year of the appropriation.

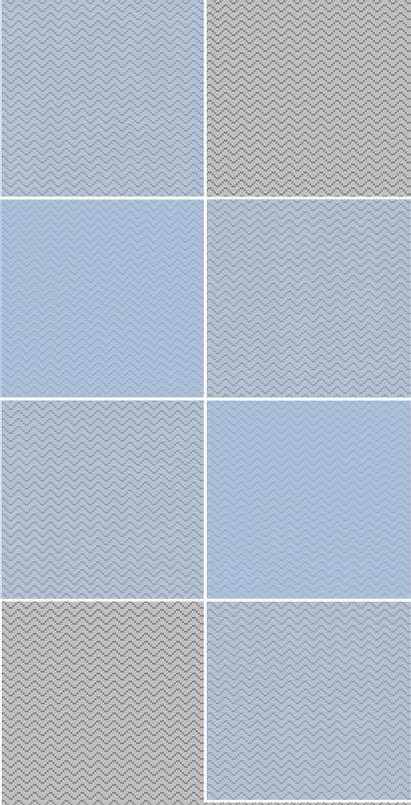

The City Council may dissolve the School Building Fund at its sole discretion. Upon dissolution of any portion of said fund appropriated from the General Fund said funds will lapse to surplus (Unassigned General Fund fund balance) and cannot be repurposed directly to a different capital fund or project. Any funds contained in the School Building Fund accepted and appropriated from gifts, legacies or trusts may be redirected at the discretion of the City Council.

To the extent not otherwise provided for in this Resolution, the Finance Director is hereby authorized to designate and/or establish such accounts and/or account numbers as necessary to implement the transactions contemplated by this Resolution.

Adopted by City Council on December 15, 2015

February 2017 Monthly Report

For the month of February Code Compliance dealt with 9 properties that had compliance or zoning issues for a total of 24 documented issues. All of property owners in these cases received either a Courtesy Notice or a formal Notice of Violation asking for them to bring their property into compliance, 6 of them have been closed and have come into compliance, 1 has been escalated and resulted in formal violations and 2 are still pending and being worked on at the time of this report. Of the 3 issues that were pending from January, 2 are still pending and the other has been closed.

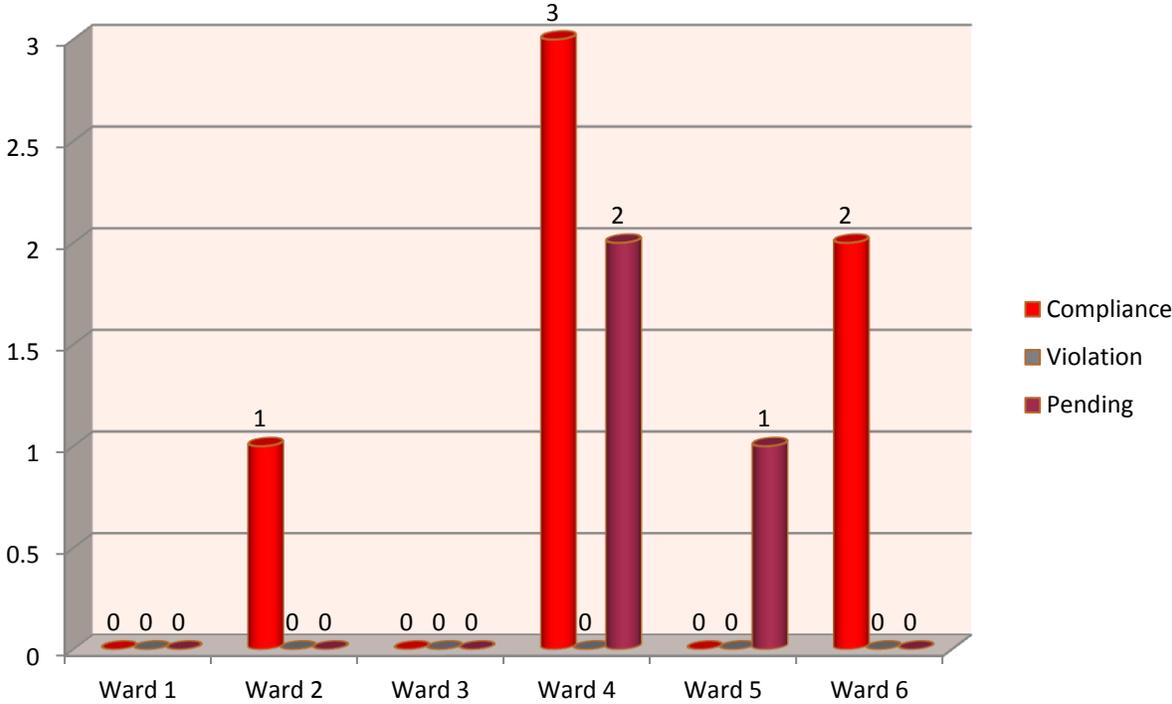

Different Violations

Orgin of Violation

Breakdown by Ward's

We have started a new program called Code of the Month and rolled it out in February. The initiative will highlight a code or zoning topic that the department frequently gets questions on or compliance issues that city workers see being violated in the field .Februarys topic was related to signage, more specifically temporary, snipe, and banner signs and where or if they are allowed in the City.

We have a case pending in Rochester District Court against 62 Whitehouse Road for an illegal home occupation. We issued 12 citations to a property on Congress St and 2 Citations to 36 Farmington Road. We worked with Economic Development to clear an outstanding violation at Home Depot for an illegal temporary structure they had built. I also dealt with an ongoing issue on Capital Circle. I have continued with the yearly inspection of all second hand dealers in the City. I am also in the process of conduction mandatory rental unit inspections in conjunction with the Fire Department.

I had the opportunity to attend the NH Building Officials training, a leadership training put on by UNH, and the Seacoast Building Officials training. I attended the Rochester Main Street annual meeting, Rochester Listens, the business round table hosted by Economic Development and the Ward 5 Community RUN Meetings.

Respectfully Submitted,

Joseph Devine
