1] Call to Order

Mayor Jean called the City Council Budget Workshop to order at 8:58 PM. The Deputy City Clerk took a silent roll call. All Council members were present, with the exception of Councilor Walker, who had been excused.

2] Permission to Submit Grant Application for COAST Bus Shelter Site Preparation and Concrete Pads in Two Locations

Mayor Jean explained that this item is to approve the application for a \$12,000 grant to install two new bus shelters on Wakefield Street.

Councilor Lachapelle **MOVED** to approve the submission of a grant application for two COAST bus shelters on Wakefield Street. Councilor LaBranche seconded the motion.

Councilor Torr was looking at the map that was provided with the proposed location for the bus shelters. He said that one of the proposed locations is a very bad location, especially in the busy hours before and after school. The Council members discussed the location in front of the Spaulding High School, most disagreeing with the

location. Councilor Lachapelle said he would discuss it with Councilor Walker with the decision to refer the location issue to the Public Safety Committee.

The **MOTION CARRIED** to approve submittal of the grant application in the amount of \$12,000 for the COAST bus shelters by majority voice vote.

3] Other

There was no other further business.

4] Adjournment

Councilor Lachapelle **MOVED** to adjourn at 9:05 PM. Councilor LaBranche seconded the motion. The **MOTION CARRIED** by unanimous voice vote.

Respectfully submitted,

Marcia H. Roddy
Deputy City Clerk
