#### **V. New Applications:**

**Anthony Ejarque, 1 Wakefield Street** Certificate of Approval for an amendment to a previously approved new sign. Case # 120 – 394 – DC – 23

Applicant Anthony Ejarque presented the updated proposed sign design. He said after meeting with the Commission at the February 15<sup>th</sup> meeting, he took the suggestions made and redesigned the sign. Mr. Ejarque explained they have removed the original victorian logo and came up with a new name and logo for the store in order to eliminate any confusion. He told the Commission in preparation for the new sign they have installed three goose neck lights that will be used to illuminate the sign.

Mr. Connor asked why they decided to change the color of the sign. Mr. Ejarque said he thought about Mr. Bruckner's comments regarding the proposed red or burgundy lettering and how it may be difficult for some to read.

*A motion was made by Mr. Bruckner and seconded by Ms. Hainey to approve the amendment for a new sign as presented. The motion carried unanimously.*
