Re: Lot line revision to remove an existing encroachment.
Case# 264/256-13&60-A-14

Dear Applicant:

This is to inform you that the Rochester Planning Board at its August 4, 2014 meeting **APPROVED** your application referenced above.

"Applicant", herein, refers to the property owner, business owner, individual(s), or organization submitting this application and to his/her/its agents, successors, and assigns.

Precedent Conditions [Office use only. Date certified: _____; ROD received? _____]

All of the precedent conditions below must be met by the applicant, at the expense of the applicant, prior to the plans being certified by the Planning Department. Certification of the plans is required prior to issuance of a building permit or recording of any plans. Once these precedent conditions are met and the plans are certified the approval is considered final.

Please note* If all of the precedent conditions are not met within 6 calendar months to the day of the board's approval – by February 4, 2015 - the board's approval will be considered to have lapsed and resubmission of the application will be required. It is the sole responsibility of the applicant (or his/her agent) to ensure that these conditions are met by this deadline. We urge the applicant to carefully track his/her progress in meeting the individual conditions. Also, a building permit must be issued and substantially acted upon within 1 year of plan certification or the Planning Board approval is considered null and void. See RSA 674:39 on vesting.

- 1) Plan modification. Make the following modifications to the plan drawings:
 - a) Final plans must be stamped and signed by NH Licensed Surveyor.
- 2) Plan notes. Add the following notes (or equivalent) to the plan drawings:
 - a) Add a note on the plan indicating that Lot 264-13 has not been evaluated wetlands t the time of this Lot Line Adjustment.
 - b) Map 256 is now 256A; the applicant shall change each map number throughout the plan, including in the notes and title block section.
 - c) The plan's title block and Note 1 should be changed to only reference Map 256A Lot 66 and 264-13 (Map-Lot 256-66-64 is not part of this application) *AND* the date should be changed to reflect when the plan was created (not October 2012).
 - d) Plan Note 4 must be changed to reflect the newly adopted dimensional requirements. (Refer to attached sheet).
- 3)# State plane coordinates. The plans are to be tied into the State Plane Coordinate System or \$40.00 is to be contributed to the Monumentation Fund.
- 4) Current use. The Current Use Condition for this lot line revision has been fully satisfied.
- 5) Notarized deed. The applicant must submit to the Planning Department a copy of the signed and notarized deed which will affect the conveyance of the affected land (the land within the lot lines being adjusted). After the plat is certified by the Planning Department the original deed and the plat will then be recorded simultaneously (see below). The deeds may refer to the plat and state that the conveyance is not effective until such time as the plat is certified and all documents are recorded.
- 6) Final Drawings. (a) One set of mylar plus (b) six sets of large black-line plus (c) one set of 11" x 17" final approved site plan drawings plus (d) one electronic version by pdf or CD must be on file with the City. *Each individual sheet in every set of drawings must be stamped and signed by the land surveyor, engineer, or architect responsible for the site plans.* (The applicant need only submit additional black-line sets of drawings or individual sheets, as needed, to make five complete sets – consult the Planning Department). At the discretion of the Planning Department minor changes to drawings (as required in the precedent conditions, above may be marked by hand. Note: If there are significant changes to made to the plans, as specified above, one full size paper check print must be sent to the Planning Department for review prior to producing these final drawings. (The primary set of plans was last received July 7, 2014).

General and Subsequent Conditions

All of the conditions below are attached to this approval.

- 1)# Recording. The plat, this notice of decision (per RSA 676:3III), and deed (a deed is required if the lots are owned by two separate parties or if one lot is sold prior to recording of this plat; see precedent conditions above) must be recorded together at the Strafford County Registry of Deeds within two calendar months to the date the plat is certified (e.g. if certified September 9th they must be recorded by November 9th). See RSA 478:1-a regarding plat requirements. **Failure to comply with this requirements herein shall render the minor subdivision null and void.**
- 3) Execution. The project must be executed exactly as specified in the approved application unless changes are approved by the City.
- 4) Approval. All of the documentation submitted in the application package by the applicant and any requirements imposed by other agencies are part of this approval unless otherwise updated, revised, clarified in some manner, or superseded in full or in part. In the case of conflicting information between documents, the most recent documentation and this notice herein shall generally be determining.
- 5) Other permits. It is the responsibility of the applicant to obtain all other local, state, and federal permits, licenses, and approvals which may be required as part of this project. Contact the City of Rochester's Building, Zoning and Licensing Department at 332-3508 regarding building permits.

(Note: in both sections above, the numbered condition marked with a # and all conditions below the # are standard conditions on all or most applications of this type).

Sincerely,

James B. Campbell,
Chief Planner
