

Bid 15-17 Q & A

Can you please advise where the RFP cover sheet is that is required (per VI, B to be returned with addendum acknowledgements, if any, signed and filled out as required.)? The first page of the RFP is the cover sheet...there have been no addendums issued on this project, so no acknowledgement is needed...the vendor pricing schedule and vendor data sheets are in the end Schedules A & B, Schedule C is the Requirements Matrix.
