

**ADDENDUM NO. 1**

**CITY OF ROCHESTER, NEW HAMPSHIRE**

**BID #16-12 2016 Model year 3,000 gallons Fire Apparatus Tanker Truck**

This addendum amends and/or supplements the bid documents as indicated below. Only these items alter the Bid Document. This addendum may also be obtained from City of Rochester's web site: [www.rochesternh.net](http://www.rochesternh.net) or will be available by request via e-mail at the following address: [purchasing@rochesternh.net](mailto:purchasing@rochesternh.net).

**CLARIFICATIONS AS FOLLOWS:**

*As found on page 29 of 50 on the original bid:*

The entire apparatus body shall be assembled using only bolted type construction. All apparatus body parts shall be able to be unbolted without the need to cut welds, etc. No exceptions to this requirement as all apparatus manufacturers have the capability to manufacture apparatus bodies in this manner.

*This shall now read as follows:*

The entire apparatus body shall be assembled using only bolted type construction. All apparatus body parts shall be able to be unbolted without the need to cut welds for ease of future repairs. Frames, sub-frames, and gusseting for strength and support are not subject to this requirement.
