133 years old and better than ever!

Foster's Daily Democrat has been covering local communities for that long. We're a lot different today and a much bigger newspaper but our goal remains to provide the most complete local news and sports coverage possible.

Foster's is a family owned newspaper now with its fifth generation of the family at the helm. We understand the Rochester area and the surrounding region better than any news gathering organization.

Read Foster's every day for the latest news. And give our sister-publication, the Rochester Times, a look. It's a very unique and interesting weekly paper.

Our website, www.fosters.com, has the latest breaking news, updated several times each day.
