**SUMMARY STATEMENT**

The Conservation Commission (Con Com) has been working diligently over the last several years to acquire conservation easements on private land. Con Com is before the City Council to simply showcase what projects they have successfully completed, and which they are currently working on.

**RECOMMENDED ACTION**

The Conservation Commission asks that the City Council to continue to support their efforts to conserve land which has high natural resource values.

**BUDGET DEVELOPMENT MEMORANDUM #1**

**FISCAL YEAR 2016**

**City Finance Office**

May 7, 2015

1. Tax Cap Update - To date the City & County are **\$6.00** under the cap and the school department is **\$13,550** under the cap.
2. Committee of the Whole Actions Tracking - The attached sheet shows the "FY16 Council Committee Actions." There has only been two changes with a net \$0 change to the City Manager's proposed budget.
3. Library - Library Director Sylvester was requested to further explain his request for increased Library Assistant hours (I&O, page 50). Specifically, how would it work to add hours to multiple existing part time staff as opposed to moving one existing part time staffer to full time. His response is as follows: *The library issues and options forms outline two possibilities for adding staff hours for the circulation department. The least expensive option is to change a 20 hour a week library assistant to 25 hours a week (I&O, page 50). There are six library assistants at 20 hours a week in the circulation department that are eligible for increased hours. Moving two employees from 20 hours a week to 25 hours a week provides the same addition in desk coverage (10 hours a week) as promoting an employee from part time to full time (I&O, page 60) but at a substantially reduced cost. The total cost to move two employees from 20 to 25 hours a week is \$9,208 annually, or a **\$4,604***

*addition to the city manager's proposed budget (the CM did add one already).*

4. **Library Gas** - Library Director Sylvester informed the Council how natural gas meter swap outs last year caused us to incur higher than usual gas billings for a short term. Specifically, a new meter was installed ... metered usage spiked ... the new meter was replaced with a second new meter ... metered usage returned to normal. The Council asked if we plan to seek a recalculation of the metered usage on the first new meter? Seek a refund or credit? We will seek a response from our energy consultant/ broker.
5. **East Rochester Library** - In the Issues & Options Book on page 70 the East Rochester Library had requested an increase of \$4,300 to the City Manager's proposed budget of \$5,000. This would result in a total FY2016 appropriation of \$9,300. During the May 12 Budget Workshop the East Rochester Library adjusted their requested increase to \$1,500 instead which would result in a FY2016 total appropriation of \$6,500.
6. **Building, Zoning & Licensing** - Director Grant indicated that he does not have a City issued cell phone and thus it was not a budgeted item. The Council requested that he supply them with the cost for said cell phone. In addition, Mr. Grant was requested to supply the Council with data showing the permitting fees of neighboring communities. Mr. Grant is working on this data and it will be provided to the Council.

- 7. Planning - Director Campbell was asked to supply the Council with an update on the status of the federal grant expected on the Laverdiere Farm Easement project. Seth Creighton provided the following update: *South East Land Trust (SELT) is helping with this project and recently offered updates. Basically, the status is that we are still waiting to hear if a grant for Federal funding will be awarded, and we likely won't know for sure until late August.***
- 8. Police - Police Commissioner Peters was asked what the police department non-union salary adjustments for FY2016 would be. This would include the positions of Chief of Police, Deputy Police Chief, Police Captains and Police Lieutenants. Chief Allen responded the increases would average approximately 3.4%. During the annual budget development process, for the non-unionized police command personnel, the City Manager's budget per the Memorandum of Understanding with the Police Commission, passes along whatever salary adjustment allocation that is requested by the Police Commission. For the current fiscal year (FY2015), the Police Commission awarded merit adjustments to the non-union Command Staff of 3.5% that totaled \$6,330 above the 2.5% non-union personnel City budget guideline. As a result of the above, the City Manager for all other non-union personnel has proposed 3.5% for FY2016. All non-union salary adjustments are determined and applied as merit based upon performance.**

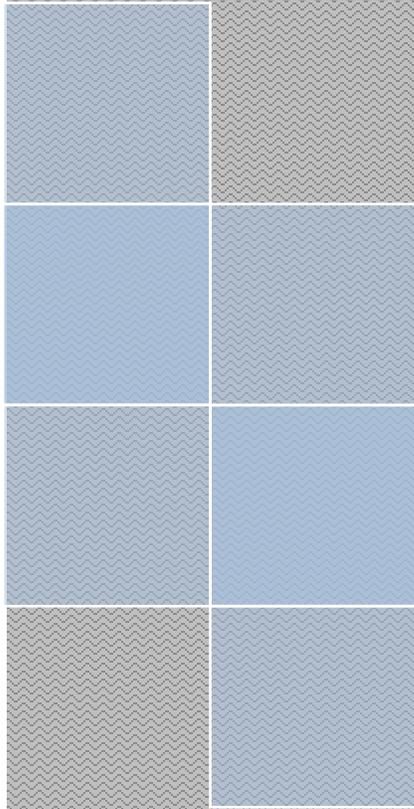

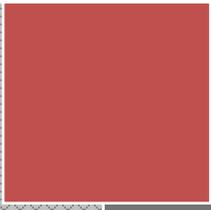

9. **Police & Legal - The Committee of the Whole (CW) reduced the Police Department 533009 LEGAL budget line (O&M page 103) from \$26,291. In addition, the CW increased the Legal Department budget 511002 SALARIES PART TIME by \$26,291 for an additional part time Prosecution Secretary (I&O, page 3).**
10. **Collective Bargaining Agreements - The following 4 collective bargaining agreements will be negotiated in FY216: *Rochester Municipal Employees (RMEA), Police, Library & Communications.* The Managers & Municipal Managers will be negotiated in FY2018. Public Works will be negotiated in FY2019. The Fire agreement is being negotiated now in FY2015.**
11. **Economic Development Reserve Fund - Economic Development Manager Pollard was asked several questions regarding what the Economic Development Special Reserve Fund is used for. The Finance Office will create a report showing the FY2015 expenditures are from this fund. The Finance Office is also creating a report to show how this fund is structured and is funded.**
12. **Annex - The Authorized & Unissued capital projects list contains an FY2015 adopted appropriation of \$3M for the rehabilitation/ replacement of the Annex building. Oakpoint Architects has supplied the City with an updated budget estimate of \$3,633,000. The project concept as it stands would rehabilitate the existing structure and provide office/ meeting/ common area space for the**

**departments of Economic Development, Planning as well as Building, Licensing & Zoning Services without the need for an addition to the existing building footprint.**

## City Clerk's Report 2015

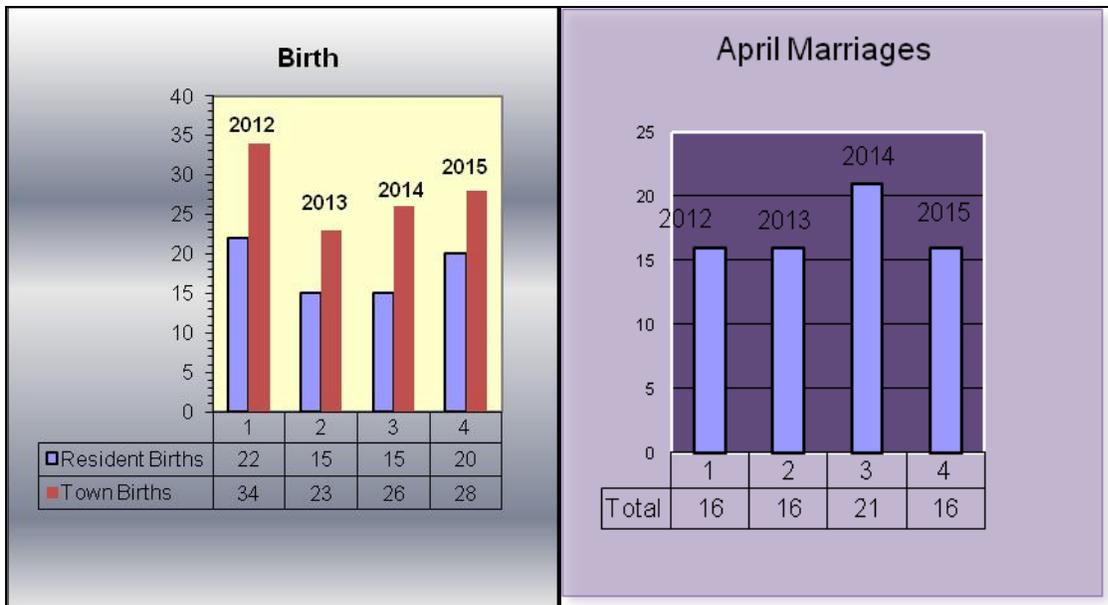

May 19, 2015

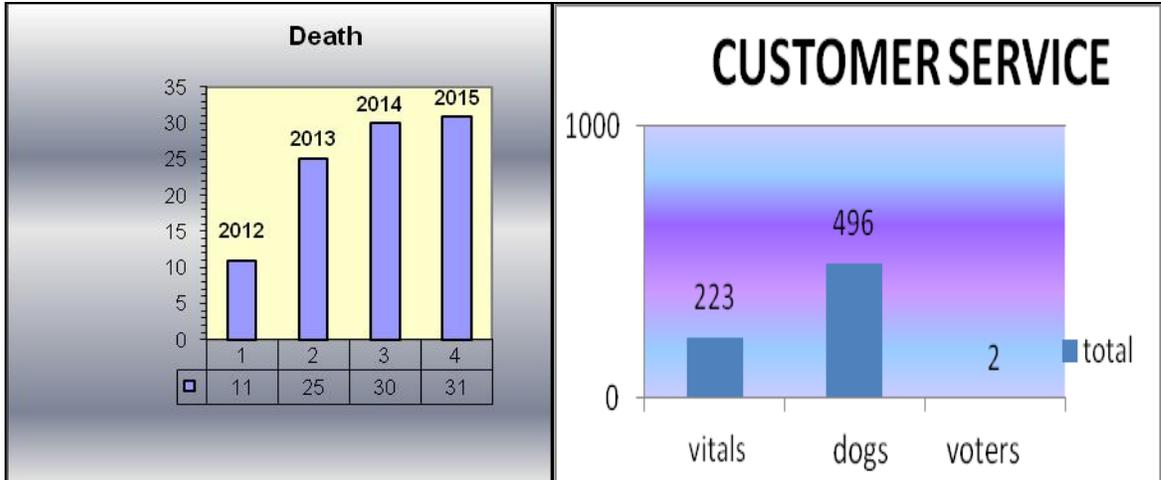

### Vital Statistics

The City Clerk's staff issued 225 initial copies of vital records, 147 subsequent copies of vital records, and 16 marriage licenses in April. The New Hampshire Division of Vital Records Administration generated the following report of statistics for the City of Rochester: there were 28 babies born in Rochester during the month of April, 20 of which were of Rochester residents; a total of 31 resident deaths occurred in Rochester during the month of April.

#### Revenue – Vital Records/Marriage Licenses

	State	City
Initial/Subsequent copies	\$2,535	\$2310
Marriage Licenses	<u>\$ 608</u>	<u>\$ 112</u>
	\$3,143	\$2,422

**Dog Licensing**

The City Clerk’s office licensed 2,735 dogs during the month of April.

**Elections**

**[Voter registration summary by party as of April 30, 2015:](#)**

	<u>Democrats</u>	<u>Republicans</u>	<u>Undeclared</u>	<u>Total</u>
<b><u>Ward 1</u></b>	918	968	1,248	3,134
<b><u>Ward 2</u></b>	857	988	1,336	3,181
<b><u>Ward 3</u></b>	886	1,008	1,254	3,148

April 2015

**APPLICATIONS REVIEWED BY THE ZONING BOARD**

**2015-08** Application by Christopher A. Stone of C&S Signs USA, for a Variance to allow an additional five (5) signs for the IHOP, in the Highway Commercial Zone, according to the City's Zoning Ordinance, Article 42.29, section (c) (3).

**Location:** 160 Washington St. Map 130 Lot 38, Highway Commercial Zone

The above Variance was unanimously **Approved** as presented, by the five voting members at the Zoning Board of Adjustment April 8, 2015 meeting with the following criteria: The variance will not be contrary to the public interest because: It will not negatively affect the health and general welfare. The spirit of the ordinance is observed because: It will not exacerbate the overcrowding of the land. If granted, the benefit to this individual applicant outweighs any harm to the community as a whole. The value of surrounding properties will not be diminished because: The hours of operation are such that impacts from increased levels of noise, light, activity or traffic are not problematic.

-----POSTPONED-----

**2015-09** Application by Peter Cicolini/ Brookside Property Services Inc. for a Variance to allow a fifth rental unit, in the Downtown Commercial Zone. This request is according to the City's Zoning Ordinance, Article 42, Section 19, Subsection (a). **Location:** 1 Lincoln St. Map 125 Lot 135, Downtown Commercial Zone

**2015-04** Request by the Applicant To Rehear Case 2015-04 under RSA 677:2.

**Location:** Map 222 Lot 57, 8 Milton Rd. Highway Commercial Zone

The above Request to Rehear Case 2015-04 was **Denied** by roll call vote of the five voting members. The reason for this decision was made by the following criteria; there was no new evidence presented by the applicant.

## CODE VIOLATION TYPE & OCCURRENCES

Month of: April 2015

### Code Compliance Deficiencies

---

There are up to four steps of actions being used to deal with complaints/ violations: The first being verbal contact. The next method is a written notice of violation. This consists of a notice that is mailed first class as well as certified mail giving the property owner or violator a detailed description of the deficiencies and a date to make the appropriate corrections. The requested date depends on the time that is considered reasonable for the requested action that needs corrected, for instance, a minor repair to a fence may warrant a couple of days, while replacing an entire fence may require a few weeks. If there has been no contact made by the recipient of the notice, a follow up inspection is then made. If the violation(s) still exist, a second notice of violation is mailed with a new correction date on it. This process is then followed through again with a final notice. If the violation has still not been corrected after these notices, the paper work is turned over to Attorney Grossman for legal/court action to be taken. If the violation was a time sensitive issue, such as trash piling up, we would skip the second notice and go straight to a final notice to help expedite the process.

## **Community & Economic Development Management Report - April 2015**

### **Economic Development Specialist**

#### ***Workforce Development Strategy***

We ran a very successful Seacoast Manufacturing Exchange at the Creteau Technical Center, with close to 30 large and small manufacturers. Key players from the educational system came to discuss how manufacturer's and educators can work together to make help ensure a strong workforce.

Waterstone and Extended Learning Coordinator of the Creteau Center will be working closely to involve the students in the Route 11 project to provide jobs and internship opportunities.

#### ***Community Development***

Josh Levy was special guest for this month's Business Roundtable on the 21<sup>st</sup>. The room was packed with community members wanting to learn more about the Ridge. It was a very successful meeting and a positive article the Rochester Times about the project hit the newsstands and online

We held the 3<sup>rd</sup> annual Author's Fair at the Library on April 25<sup>th</sup> gathering a crowd of participants.

#### ***Farmer's Market Initiative***

The Main Street board of directors agreed to be the fiscal agent for the Farmers Market in 2016. Next step is get approval for times and dates from the Recreation Department and then go for a variance.

### **Economic Development Executive Secretary**

#### ***PR, Communications & Marketing Strategies – Local, Regional, National & International***

- Original design ads to commemorate The RIDGE ground breaking developed
- Lead sponsorship collaterals designs for signature New England Real Estate Cocktails & Conversations networking event.
- Advance promotion for Las Vegas RECON event designed to garner retail investment.
- Aerospace/Advanced Manufacturing Ads & Editorial concepts for national marketing campaigns in Expansion Solutions, NEREJ and Trade & Industry Development, each trade publication representing over 10,000 CEOs, executives, corporate real estate brokers and industry consultants.
- Three maps using Pictometry aerials showing available properties were developed for client meetings.
- THINKROCHESTER branded promotional bags for the 2015 Wings and Wheels event completed.
- Tax Increment Financing documents are available online Economic Development, Links section: <http://www.rochesternh.net/economic-development>

## **Community Development Coordinator Report**

**Prepared and submitted by the Community Development Coordinator**

### ***Continuing Projects***

- Hanson Pines Pavilion: This project has gone out to bid, and one prospective builder went on the walk-through. The project is planned to begin construction in May and to finish in June.
- Public Library HVAC System: This project has gone out to bid, and two prospective builders went on the walk-through. The project is planned to begin construction in May and to finish in June.
- JOB Loans Program: The Spring 2015 quarterly JOB Loans report is attached.

### ● ***Potential Future Projects***

- Handicap-Accessible Elevator Lift at Spaulding High School: This project has been approved by the Community Development Committee and has been referred to the full City Council for its vote and approval as part of the FY 2015-2016 Annual Action Plan.
- Feasibility Study for Teen Drop-In Center: This project was proposed at the March 26, 2015 Community Development Committee meeting. This month, the Community Development Coordinator has visited Dover's teen center, along with City employees from the Police and Recreation Departments, as part of research for this potential project.

### ● ***Other Items***

- Bridging the Gaps: The Community Development Coordinator has completed the fiscal agent change paperwork and the continuation grant application, and both have been submitted to the Substance Abuse and Mental Health Services Administration (SAMHSA). The Community Development Coordinator will continue to follow up with SAMHSA as appropriate.
- Office of Economic Development's TIF Advisory Board Agenda Bill: The Office of Economic Development has drafted an agenda bill that would establish a TIF Advisory Board. The attachments to the agenda bill include proposed members for the TIF Advisory Board. The agenda bill and its attachments are attached to this report. The Office of Economic Development requests feedback and comments from the Community Development Committee before the agenda bill is presented to the full City Council in May.

- HUD Lead Abatement Grant: The Community Development Coordinator and other City employees have had two meetings with contractor Kate Kirkwood to discuss the possibility of the City applying for a grant to fund lead-based paint abatement efforts. Grants are available up to \$3 million, and there is a match requirement. Ms. Kirkwood has assisted other New Hampshire municipalities and non-profits in applying for and administering this grant. The Community Development Coordinator would like approval from the Community Development Committee to present this potential grant opportunity to the full City Council for its consideration.

  - General City Funding Grant Applications Analyses
  - Office of Economic Development's TIF Advisory Board Agenda Bill and Attachments
  - Lead Abatement Grant Documents
  - Spring 2015 JOB Loans Report

**Analysis of FY 2015-2016 Grant Applications  
Prepared by the Community Development Coordinator  
3 April 2015**

***Summary of Grant Applications in Total***

Total Requested Funding:

- Total Requested General City Funds: \$69,323
- Total Estimated General City Funds: \$47,500

***Summary of Grant Applications by Applicant***

The Homemakers

- Request for General City funding for \$27,497.00
- Most recently funded in FY 2013-2014 at \$10,500
- This application requests funding to support Home Support and Personal Care Service Provider program, which includes housekeeping services companionship and safety oversight for elderly persons and people with disabilities.
- Homemakers started receiving funding in 2005. The highest amount funded was \$10,500.

Cornerstone VNA

- Request for General City funding for \$28,826.00
- Most recently funded in FY 2014-2015 at \$28,000.00
- This application requests funding to supplement reimbursement for Rochester low-income patients on Medicaid and for Rochester residents who have no insurance in the organization's Homecare, Hospice, prenatal, and community health clinic programs.
- Cornerstone VNA has been receiving funding since at least as far back as 2002. The highest amount funded was \$36,000, back in the early 2000s.

Community Action Partnership of Strafford County

- Request for General City funding for \$13,000.00
- Most recently funded (from general City funds) in FY 2014-2015 at \$9,000.00
- The general City funding application requests general program support for the organization’s services to low-income persons, which includes food, education, child care, utilities assistance, emergency shelter, etc.
- Stafford CAP has been receiving funding since at least as far back as 2002. The highest amount funded was \$13,000, back in the early 2000s.

--

**LEGAL AUTHORITY**

RSA 162-K requires the appointment of a District Advisory Board with a majority of members made up of tenants or property owners within the Tax Increment Financing District. See Attachment.

**SUMMARY STATEMENT**

A proposal for makeup of the Granite Ridge Development District TIF District is attached. It includes a 5 member board, with the City Manager or Designee as the District Administrator. Designee of Rochester Economic Development Commission, and an appointment by the Mayor. The other three members will be tenants or owners in the district as appointed by the City Council. The length of term is designated as three years, also to be determined by the City Council, and the schedule of meetings will be determined by the District Administrator. Deputy City Manager Pollard met with the Community Development Committee on September 27 to review and discuss the proposal, and changes have been incorporated into the duties and appointments.

**RECOMMENDED ACTION**

Request that the City Council consider appointing an Advisory Board for the Granite Ridge Development District TIF Advisory Board, it's members, terms and duties as required by RSA 162-K.

**§ 162-K:14 Advisory Board.**

- I. The legislative body of the municipality shall create an advisory board for each development district. The board shall consist of such number of members appointed or elected as determined by the legislative body. A majority of members shall be owners or occupants of real property within or adjacent to the development district. In a substantially residential development district, however, the board shall consist solely of owners or occupants of real property within or adjacent to the district.
- II. The advisory board shall advise the governing body and district administrator on planning, construction and implementation of the development program and on maintenance and operation of the district after the program has been completed.
- III. The governing body shall by resolution delineate the respective powers and duties of the advisory board and the planning staff or agency. The resolution shall establish reasonable time limits for consultation by the advisory board on the phases of the development program, and provide a mechanism for appealing to the governing body for a final decision when conflicts arise between the advisory board and the planning staff or agency, regarding the development program in its initial and subsequent stages.

**§ 162-K:11 Annual Report.**

The municipality's annual report shall contain a financial report for any development district in the municipality. The report shall include at least the following information: the amount and source of revenue of the district; the amount and purpose of expenditures, the amount of principal and interest on any outstanding bonded indebtedness, the original assessed value of the district, the captured assessed value retained by the district, the tax increments received and any additional information necessary to demonstrate compliance with the tax increment financing plan.

**Advisory Board of the Granite Ridge Development District Tax Increment Financing District RSA 162-K**

The Advisory Board shall consist of five (5) members, one (1) of which shall be a designee of the Mayor with finance, real estate or development experience, and one (1) member shall be the designee of the Rochester Economic Development Commission. RSA 162-K:4 require that a majority of the Advisory Board members be owners or occupants of real property within the district. Three (3) members who represent owners or occupants of the TIF District shall be appointed for a term of three (3) years with vacancies being filled by the City Council for any unexpired terms. The initial appointments will have staggered term expirations. Should the owner or occupant status of an appointed Advisory Board member change, the member will resign from the position on the Board.

The City Manager or their designee will serve as District Administrator and will be an ex-officio member of the Advisory Board.

The Granite Ridge Development District TIF District Advisory Board shall perform the following functions:

- (1) Meet annually or as scheduled by the District Administrator, not more than quarterly.
- (2) Review compliance with the adopted GRDD TIF District Financing and Development Plan.
- (3) Review the Annual Report with the financial data as required by RSA 162-K:11, and make a report to the Rochester City Council.
- (4) Review and consult with the District Administrator regarding maintenance, operations, construction and development within the TIF District.
- (5) Make recommendations to the City Council in the event of changes to legislation, or should modification to the TIF District Financing and Development Plan be suggested.

**Granite Ridge Development District

By Appointment of the Mayor

3 Year Appointment – expires Dec. 31, 2018

Lead Hazard Control Grant Program – Rochester, NH

**Meeting 4/14/15**

Karen Pollard, Economic Development  
Don Graves, Code Enforcement  
Michelle Mears, Planning  
Julian Long, Community Development Coordinator  
Kate Kirkwood, grant writer and program manager

**Purpose:** To explore feasibility of Rochester application for LHC Grant in 2015

**Background:** Kate has many years of experience in writing and managing these programs, (KMK letter of intro)

Rochester has documented need (see DHHS data)

Other communities receive these awards (see previous awards)

Partners are primed

HUD is about to release NOFA (see general nofa – HUD conference April 20-24)

**Partners:** DHHS (under order properties)

Property Owners (i.e. Elm Grove, seek assistance with renovation)

Contractors: (i.e. Greg Bolton, Peter Anderson, Dan Caron, John Randolph)

Lead Inspectors/Risk Assessors (KMK and 10 others)

Typical Staff: 3 person minimum – program oversight – risk assessment, grant management, HUD regulations – i.e. intake, income, lead inspection protocol, state abatement regulations and current revisions on all above, coordinate with property owners and contractors, city officials and HUD, generates contracts for abatement work – owner/contractor agreement and grant agreement – quarterly reporting to HUD and manager of HUD audits

Intake: meet with property owners, explain and document qualification

requirements, compliance for 3 years, verify income and rent, prioritize projects

Construction: must have lead abatement license – creates work scope and LEHRP (lead exposure hazard reduction plan) from the risk assessment, maintain list of licensed lead abatement contractors, schedule and invite to bid walks, inspect construction for rule details, approve periodic payments.

**Benefits to the City:** Keep kids safe – reduce number of poisoned children  
Improve properties (abatement is renovation too)  
Reduce insurance costs and liability on rental units  
Create Jobs – HUD funds train and employ contractors and program staff  
Provide training – connections with HUD healthy homes creates funding for medical and housing and counseling staff to learn about lead poisoning and other toxic substances in the home – use HUD funds to educate and raise awareness in schools, medical and community facilities and staff

**Additional Details:**

10 % match is typical – can be provided by any non federal source – IE property owners, banks, and State or City funds  
Can ask for less than the full \$3,000,000 – see 2014 and 2011 awards  
Can speak to other grantees and get info prior to application  
Kate is already attending HUD office of Lead and Healthy Homes Grantees conference week of April 20-24 2015 – so can gather more information

I hope this summary is helpful

Please feel free to contact me for more information

Kate Kirkwood  
603-781-4304  
[kate@kkirkwood.com](mailto:kate@kkirkwood.com)  
[www.kkirkwood.com](http://www.kkirkwood.com)

This is an introduction to Kate Kirkwood and a proposal for consideration by the City of Rochester.

Kate Kirkwood, MBA (Of K Kirkwood Consulting, LLC) has been working in the world of childhood lead poisoning and healthy homes since 2007, prior to which she was a general business consultant and adjunct professor in the School of Business at Southern New Hampshire University. In that capacity she has worked on projects with the HUD office of Lead and Healthy Homes in the City of Manchester, The City of Nashua, the State of NH, and NH Housing Finance Authority. She is nationally certified by EPA and HUD to teach the “Renovate Repair and Paint” lead safety rule, as well as the federal “Dust Sampling Technician” program. She is certified by the Department Of Energy to teach “Lead Safe Weatherization” and by the State of NH to teach Risk Assessor/Lead Inspector classes as well as Lead Abatement Contractor/supervisor/worker classes. She is in fact, herself, certified as a practitioner in each of these disciplines, as well as an instructor.

Ms. Kirkwood served from 2007 to 2012 as director of the Manchester Lead Hazard Control Program called Manchester Housing Initiatives. She assembled a team of administrative and technical personnel, and formed an LLC specific to lead remediation and related issues. In 2013 and 2014, she worked in the same capacity with NH Housing Finance Authority Lead Program until their grant program was completed – one full year ahead of schedule with highest ratings from HUD every quarter.

Her team has administered over \$10 million in funds at the city and state level in recent years, has been responsible for making over 600 housing units lead safe, and has trained over 5000 contractors and property owners in Lead Safe Renovations and Abatement. Now recognized as a New England expert in this field, she has been retained by EPA region 1 in New England to train their own inspectors, and provides “Train the Trainer” classes in State and Federal Lead Safe Renovation.

What does all this have to do with Rochester? Ms. Kirkwood lived in Rochester from 1984 until 1999, she is currently a resident of Madbury New Hampshire and has been a Strafford County resident for many decades.

As a successful grant writer, Kate is willing and interested in assisting the city of Rochester in obtaining one of these HUD lead hazard control grants. The timing is right now as the NOFA (notice of funding availability) is expected to be released from HUD in the next few weeks and then the application window will be about 60 days. This means that approximately \$3,000,000 could be available to benefit the City of Rochester as early as fall 2015. To make this happen would require collaboration with a city official who will provide some data about the city, and who will assist Kirkwood in assembling an accurate picture with regard to housing stock and income of families in the city of Rochester

Ms. Kirkwood will serve as grant writer, however the grant will be signed by and submitted by city officials, since HUD requires that these funds be managed by a partnership that includes a municipal government agency. Assuming we are successful, and there is no guarantee of this, the city would receive approximately \$3 million in HUD funding to administer a lead abatement program within the city of Rochester. This means that all administrative and technical work will be funded by the city using these funds, and some "match" money. The match could come from existing city rehab or building funds, it could also come from property owners, and typically the match required is approximately 10%

Since lead abatement work often includes the replacement of doors and windows, the painting of interior walls and trim, the covering of floors and stairs, and the vinyl siding of the building, the lead abatement grant can be used to significantly improve the quality of housing stock in the city, while creating a safer environment for children. The NH Department of Health and Human Services has designated Rochester as one of the high risk communities in the State with regard to lead poisoning. Kate’s team has already completed the management of several projects in Rochester using NHHFA funds, so those property owners and projects could be reviewed as the city considers this suggestion.

Since there are some city commitments, it seems likely that a meeting should be quickly convened if Rochester has any interest in this program. City participation might include, for example, HUD funds passing through the city finance department to be reallocated through a consultant into the program, using funds to pay the administrative team as well as local contractors who can be certified to do this work, and be paid for the work using HUD funds. This brings up another advantage to the community, which is that the program will create jobs for contractors and painters in the greater Rochester area. An interest meeting might include a couple of property owners, perhaps a representative from the City finance department and from planning and economic development who could discuss with Ms. Kirkwood some details of what this grant program would do and answer questions about how it has functioned in other cities.

In essence, Kate is offering to write the grant application on behalf of the city, and if you are funded to manage the program in order to bring approximately \$3 million over a three-year period into the city of Rochester and create approximately 200 lead safe homes or apartments during that time. Of course, the program could be repeated when the first 3 years has ended.

Please feel free to contact me if you have any additional questions

JOB Loan Program Update  
April 2015

The Job Opportunity Benefit (JOB) Loan program provides a source of funding for businesses to expand, modernize or relocate within Rochester. These funds are almost always used as “gap” financing for businesses to add additional debt to their conventional financing. Eligible applicants include Rochester businesses that commit to hiring (*per HUD Regulation 24 CFR 570.209*) one full-time or full-time equivalent worker per \$50,000 of CDBG funds or one full-time or full-time equivalent worker per \$35,000 of CDBG funds if calculated in the aggregate for the year across all JOB Loans.

The JOB Loan account has a balance of **\$124,841** and is receiving **\$5,042.17** in monthly payments.

Community and Economic Development staff are working together to identify eligible businesses that would benefit from this loan program. Phone Booth, LLC made its final payment in March 2015, and Custom Banner is scheduled to make its final payment in April 2015. The Publick House has breached its contact by selling its business without prior notification to the City; the City has discussed this breach with the Publick House and has reached a mutually-acceptable resolution, which includes full repayment of the loan over a limited timeframe. LHR Sporting Arms is in the process of being bought out by another company, and the City will work with LHR Sporting Arms and its future parent company to ensure loan repayment is completed.

**Note:** Job Loan balances are run on a quarterly basis—the principal balances below are through November 30, 2014.

Recipient Name	Original Loan Amount	Origination Date	FY15 Principal Balance as of 31 Mar 2015	Is Loan Currently Up to Date?
Custom Banner	\$50,000.00	5/12/2009	\$883.98	Yes
Distinctive Forest Creations	\$30,000.00	11/12/2005	\$16,458.94	Yes
Carney Medical	\$50,000.00	8/12/2009	\$0.00	Closed
Phone Booth, LLC	\$25,000.00	3/12/2010	\$0.00	Closed
Blue Oasis	\$50,000.00	4/12/2010	\$27,350.93	Yes
Country Tire & Service Center	\$40,000.00	8/22/2011	\$19,899.17	Yes

News Release

**Business Round Table Discussion**  
**Guest Speaker Josh Levy of Waterstone Retail**  
*Local businesses invited to share vision*  
*for making Rochester the place to do business!*

ROCHESTER, NH – This month's Business Round Table discussion is set for Tuesday, April 21<sup>st</sup>, at 7:30 AM in the City Council Chambers at City Hall. This is a FREE monthly event on the 3<sup>rd</sup> Tuesday.

Route 11 is a hot topic around town and Josh Levy, Principle and Director of Leasing, will be joining our meeting to discuss the project. Do you have a great idea for a tenant that you think would be a perfect fit in Rochester? This is your time to share. Come learn about Waterstone Retail, the future plans in the City and be a part of the discussion as the exciting next steps of the development unfold!

This is your opportunity to meet city officials, and to network with fellow business owners and managers, and to learn about what's going on in the Rochester business community. Be part of the discussion. Bring your suggestions and your ideas for making Rochester THE place to do business.

Please RSVP to [jennifer.marsh@rochesternh.net](mailto:jennifer.marsh@rochesternh.net) Business Round Table Discussion  
City Council Chambers @ City Hall  
April 21st, 7:30 AM to 9 AM

**Breakfast snacks and refreshments will be provided and sponsored by:**  
**Jeff Brown of TD Bank**

# THINK ROCHESTER NEW HAMPSHIRE

Welcomes  
The **RIDGE** MARKETPLACE!

*“Rochester will be a  
destination for shopping,  
dining and entertainment for  
the whole region.*

*Waterstone has a Grand Slam  
Home run.”*

[www.THINKROCHESTER.biz](http://www.THINKROCHESTER.biz)

## Project of the Month: Waterstone Retail breaks ground on 250,000 s/f project - The Ridge Marketplace in Rochester

Groundbreaking of The Ridge Marketplace - Rochester, NH

The Ridge Marketplace - Rochester, NH

Waterstone Retail and the city of Rochester, N.H. hosted a groundbreaking ceremony on April 16 for the region's newest high quality retail project, The Ridge Marketplace. Opening spring of 2016, this 250,000 s/f open-air retail shopping center will sit connected to the region's top performing WalMart Supercenter and will include a desirable mix of retailers, restaurants, services, entertainment providers and will feature outdoor green space for al-fresco dining, seasonal events and community gatherings.

Site work is now underway for this ground-up development located just off Exit 15 on the Spaulding Turnpike in N.H., and directly situated on Rte. 11/Farmington Rd. When complete, Phase -one will consist of three buildings totaling 130,000 s/f of retail space that will be future home to a supermarket, apparel anchors, pet superstore, arts and crafts superstore, footwear, fashion and accessories and specialty shops. In 2016, Phase two will come on-line with an additional 120,000 s/f of retail including a cinema, full-service restaurants and several large scale retailers.

### Merchandising and Leasing

With familiar national retailers, independent local tenants and destination restaurants, the retail mix at The Ridge will appeal to a wide range of customers eager for choices. According to Karen Pollard, Rochester's director of economic development, "Waterstone has been a wonderful partner for the city and we are pleased at the premier shopping and entertainment center coming to life in the Granite Ridge District. The customers for the center, both residents and visitors, have been eagerly awaiting tenant announcements. If the number of phone calls and emails to my office are any indication, Waterstone and the retailers coming here have a grand-slam home run in Rochester."

Waterstone's experienced leasing team is led by national leasing director, Lee Anne Klemyk who states, "The Ridge will provide diverse, highly sought after retail, restaurant and entertainment offerings in a pedestrian-friendly environment. Outdoor areas provide an ideal setting for impromptu gatherings as well as events designed to bring the community together and extend the customer experience from morning until well into the evening hours. With great separation from other major markets, not only will we attract customers

from the immediate trade area, The Ridge will draw customers regionally from an extended customer base including shoppers from nearby Maine seeking New Hampshire's tax free advantage and from all points North."

### Customer Base

With a population of more than 180,000 people within a 15 miles radius, combined with millions of tourists passing through annually and a robust daytime population, Rochester (New Hampshire's 6th largest city) has attracted more than 41 businesses in the past three years including 700,000 s/f of commercial and retail space. Of note, Safran/Albany, an international aerospace composite manufacturing company recently opened a 300,000 s/f facility (1,000+ employees) at the Granite State Business park just minutes from The Ridge.

**Travel and Tourism.** Located on the only route (Route 11) leading to the famed Lakes Region, The Ridge Marketplace is a gateway to the region and will attract captivated tourists headed to the Lakes Region looking for shopping and dining options currently underserved in the area. A majority of these tourists traveling through Rochester are considered to be repeat vacationers and seasonal home renters at one of the 250 habitable lakes in the region. Not only does The Ridge Marketplace cater to tourists bound for the Lakes region, but will also be the stop-off for travelers headed to the Green Mountain resorts via the Spaulding turnpike - only ½ mile from The Ridge Marketplace.

**Rochester Fire Department**  
City of Rochester  
37 Wakefield Street – Rochester, NH 03867

**Norman Sanborn Jr.**  
Chief of Department

Tel (603) 335-7545  
Fax (603) 332-9711

May 11, 2015

TO: City Manager Dan Fitzpatrick  
Mayor T.J. Jean & City Council Members

**MONTHLY REPORT**  
**APRIL 2015**

On behalf of the Fire Department, I am pleased to provide you with the following report. It serves as a summary of the activities, projects and programs underway within the department.

**DEPARTMENT INFORMATION:**

During the month of April the Department responded to 184 calls for service. Of those calls this month, we had 1 structure fire in a multiunit dwelling that required 2 alarms to control. In addition to that working fire there were six other fires involving a vehicle and several other brush fires.

Firefighters also responded to 93 calls for vehicle accidents, and medical calls as well as 3 calls for mutual aid assistance. The remaining calls included everything from alarm activations, good intent calls, and public service calls, as well as a multitude of various other type calls.

Call volume is down from March with 33 fewer runs this month; however, in comparison, April of 2014 there were 179 calls which indicate a 2.8% increase this April over the same period last year.

**ADMINISTRATIVE STAFF:**

Staff attended the Health Fair at the Opera House.

Staff attended the ground breaking for the Granite Ridge project.

Staff attended the mandatory training which was held at the Community Center.

Staff presented their manpower needs to the Finance Committee.

Staff presented the proposed FY16 budget to the City Council.

**FIRE PREVENTION:**

With Spring in full swing, please remember to be extra careful with outdoor fires. Typically all outdoor burning requires a permit, and with the dry weather and combination of dead foliage, the forest fire danger is very high. Also, don't forget to check your outdoor gas BBQ grill for leaks that may have appeared over the winter hibernation.

**DUTY SHIFT:**

There were 17 training sessions for fulltime firefighters. Call firefighters were recertified in CPR.

**EMERGENCY MANAGEMENT:**

I attended the FEMA kickoff meeting which was held in the City Council Chambers. This was hosted by Rochester for the Strafford County region. This was in reference to the snowstorm declaration and filling out paperwork.

Staff met with Jane Hubbard from Hubbard Consulting to discuss the Continuity of Operations Plan (COOP) for the City.

Staff met with Julia Chase from NH Emergency Management to discuss the possibility of an Emergency Management Performance Grant (EMPG).

Staff met with NH Emergency Management staff to conduct an inventory on the Seabrook Trailer.

Staff me with Dave Hutchinson from Goodwin Health Center to discuss the Multi-agency Coordinating Entity (MACE) training.

Staff attended the MACE training which was held at the Central Fire Station.

Sincerely,

Norman G. Sanborn, Jr.  
Fire Chief

# Rochester Fire Department

## **MONTHLY REPORT**

### **April 2015**

There were a total of 19,553 items circulated with 12,257 people visiting the library in the month of April. Two hundred eighty-four patrons used the library's Internet computers for 1,477 hours. Visitors to the library's web site numbered 8,608. Current number of patron registrations is 34,844. Interlibrary loan activity included 72 materials borrowed from other libraries and 315 loaned to other libraries.

Spring Story Times continued through the month of April with 66 children attending 7 Story Times. On April 4<sup>th</sup> the children's room staff had twenty-five creative children making Corn Syrup Paintings to bring home during a successful "Make-It and Take-It" program.

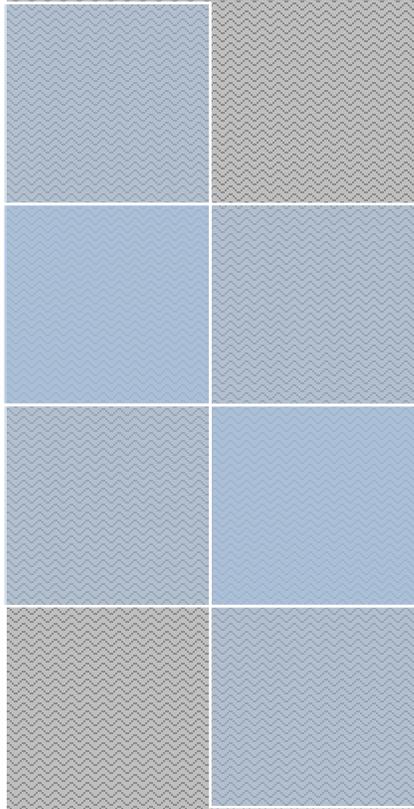

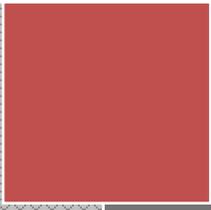

Wednesday, April 1<sup>st</sup> the Library was pleased to present "A Garden for Wildlife" a UNH Cooperative Extension program. This presentation showed attendees that anyone with a backyard, garden, or landscaped area can help wildlife by altering their landscaping and gardening practices. A discussion of wildlife and habitats, plant choice, use of native plants, nest boxes and feeders, and issues such as invasive plants were included in this free program.

In celebration of National Poetry Month the library was proud to present "An Evening of Poetry with an Hour of Open Mic" on Wednesday, April 8<sup>th</sup>. This event included readings from featured poets: Lauren Vermette, David McNicholas, Lindsey Coombs and Kyle Leach. This was an opportunity for accomplished and aspiring poets to be heard.

The Third Annual Greater Rochester Authors' Fair, presented by the Rochester Times and Rochester Main Street, in conjunction with Rochester Public Library and Rochester Economic Development Department, was held in the library's large meeting room, on April 25<sup>th</sup>. Over 100 people attended this successful event where authors talked about their books, writing techniques, publishing and how to reach their readers.

In addition to the print versions of available books, 279 of our Library patrons downloaded 1,294 e-books to media devices through the library's web site this month. The RPL website also enabled 17 patrons access to Mango Languages.

Trustees meet on May 19<sup>th</sup> in the Rose Room of the library at 6pm.

## PLANNING DEPARTMENT MONTHLY REPORT FOR APRIL 2015

The Planning Board, Conservation Commission, and Historic District Commission all met in the month of April. The Planning Board reviewed four applications in the month of April and those are listed below. The Planning Board also held a discussion with the City Engineer, Jen Hale, on the surety release for the Norway Plains subdivision, met with a representative from Tighe & Bond regarding the Milton Road Corridor Study, and finalized discussions on the draft Aquifer Protection Ordinance.. The Conservation Commission activity and the Historic District Commission activity are also listed below. The happenings around Rochester regarding Arts and Culture is also listed below.

The Planning Staff attended various meetings and workshops throughout the month of April. The Chief Planner began attending the Seacoast MPO Technical Advisory Committee (TAC) regarding transportation issues in the Seacoast region. These discussions included the NHDOT's 10-Year Transportation Plan. Staff also attended the Codes and Ordinance Committee meeting to discuss the draft sign ordinance and attended the TRG meeting for applications that will be going to the Planning Board. Staff also met with representatives from Waste Management to discuss conceptual plans for the future of the facility. The Department staff also met with various developers and citizens of Rochester. Staff also attended a Historic Preservation Workshop and a Water pollution Conference. The Director and Chief Planner also attended a Continuity of Operations (COOP) meeting to help create a plan for emergency situations that the City may be faced with in the future.

---

### APPLICATIONS REVIEWED BY THE PLANNING BOARD

**Kelley's Flooring, 27 Hancock Street** (by IHT, LLC) Site Plan and Conditional Use to permit a flooring warehouse and showroom. Case# 128-27-NMU-15 **APPROVED**

**Jane Forrest & Nicholas Marcotte, 165 Charles Street & 663 Columbus Avenue** (by Norway Plains Associates) Lot Line Revision and Conditional Use to increase parking for Map 132 Lot 49. Case# 128-221-NMU-15 **APPROVED**

**OCW Retail-Rochester, LLC, 160 Washington Street** (by VHB Engineering) Modification to change the approved lighting. Case# 130-38-HC-15 **APPROVED**

**Patricia O'Malley & Dennis & Cathy Jepsen, 24 & 28 Common Street** Request for an extension to an approved lot line revision. Case# 125 – 100&101 – R2 – 14 **APPROVED**

**APPLICATIONS REVIEWED BY THE CONSERVATION COMMISSION**

**1. Conservation Overlay District:** 21 Farmington Rd, Proposed Vehicle Sales Lot, including proposal to locate stormwater treatment (a rain garden) within a wetland buffer.

*The Commission voted to support this wetland buffer incursion proposal because the buffer is already impacted and this proposal will improve the existing conditions, as well as provide for additional stormwater treatment.*

**2. Discussion:** *Members shared what they had recently learned while attending a "Saving Special Places" workshop. Other upcoming workshops/events were also discussed.*

**3. Dredge and Fill Application/Wetland Permit Application:**

a) NH DES Wetlands Permit Application: Boston Felt Hydroelectric Project, Salmon Falls River, East Rochester (Repair and Reactivation of hydroelectric dam)

*The Commission recalled this application, or one very similar, being submitted several years ago. They stated they did not support it then, and do not support it now. They did not submit official comments to NH DES, but believe that NH DES will not issue approval.*

**4. Violations:** *Staff provided an update relevant to a potential violation on Rt 202. No new violations were discussed.*

**5. Correspondence:** *An update on Laverdiere Farm NRCS grant application was given.*

**6. Notice of Intent to Cut Wood or Timber / Intent to Excavate:**

a) Notice of Intent to Cut - Tax Map # 216-4, Northgate Apartments, Route 11

b) Notice of Intent to Cut- Tax Map # 208-2, Vacant Land, Route 11

c) Notice of Intent to Excavate- Tax Map# 207-1, Frank Torr, Route 11

d) Notice of Intent to Cut- Tax Map # 250-15, Lynne Berube, 356 Washington St,

e) Notice of Intent to Cut- Tax Map #209-31, Ralph Torr, Chestnut Hill Rd

*The Commission had no concern with these Intent To Cut/Excavate notices.*

**7. Old Business:** *The Commission asked Staff to work with Kane Conservation and the IT Department to place the Conservation Inventory Report online.*

**8. New Business:** *Staff supplied "Standard Operating Procedures" relevant to pursuing and purchasing Conservation Easements. The Commission will review this document and be ready to discuss at the next meeting.*

**APPLICATIONS REVIEWED BY THE HISTORIC DISTRICT COMMISSION**

**Allstate** Certificate of Approval for replacement of wall sign. Case #HDC 120-324-DC-15.

**Jeffery Muelenbroek Studley's** Certificate of Approval window sign. Case# HDC 116-158-DC-15

**ARTS AND CULTURE COMMISSION ACTIVITIES**

**What is happening around Rochester?**

The RMFA will be holding there film festival on May 23 featuring sixteen independent films from around the world. The Community Center now has a new installation from the RMFA permanent collection. The RMFA will also be working with the Rochester Fairgrounds on an exhibit during the fair.

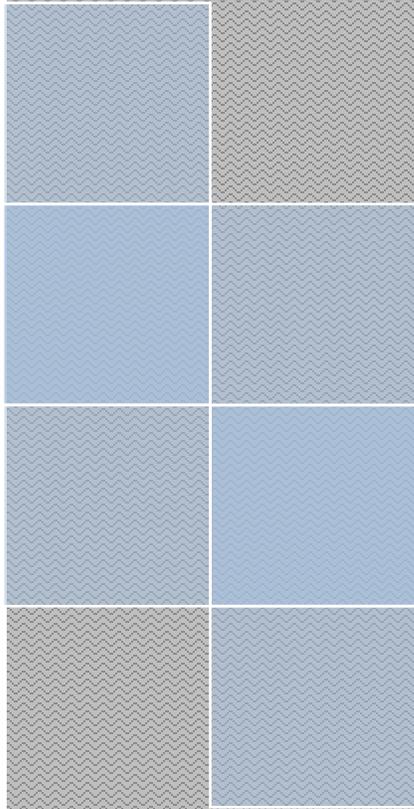

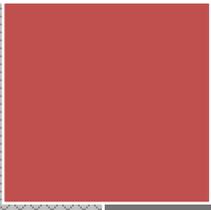

Rochester Main Street events include: April 18 - Rochester Pride Day, 8:30 am to 12:00 noon; April 25 - Author's Fair, Community Room, Rochester Public Library 10-2:30; May 2 - Free Comic Book Day, 10:00am to 4:00pm; June 3 - Wine in the Gardens/Beer in the Woods, Studley's Flower Gardens, 5:00-7:30pm.

June 17 - Downtown Cash Mob, 5:30 pm - 7:30 pm purchase from downtown local businesses.

Eric the Owner of the Cast & Grind has open mic night on Thursday.

Respectfully submitted,

James B. Campbell,  
Director of Planning & Development

RE: Monthly Report – April 2015

**OPERATIONS:** Four of the six wards met this reporting period, each reporting good attendance by residents as well as elected officials. Issues discussed overall included crime statistics, the heroin epidemic, traffic patrols and enforcement, burglaries, crime prevention and general law questions.

There was a good discussion in Ward 4 with Elm Grove Properties representative Steve Fleming. This company has been purchasing properties and renovating them to attract more desirable tenants. Ward 5 residents of Cocheco River Estates spoke of concerns with the impending development of Granite Ridge and the increased traffic for Route 11 and the possibility of a traffic light for this location. City Councilor Gray talked at the Ward 6 meeting about plans for the old police station and fire station.

There were 42 cases sent up from patrol to the investigations bureau for review and or investigation. Currently there are 92 cases assigned for investigation. Detectives were called out for four cases, 3 overdose deaths and a robbery. We continue to work on the investigation of multiple burglaries in the Stillwater Circle neighborhood. Property Crimes detectives completed another large fraud case with a theft of approximately \$10,000 from a bank account. This case has been forwarded to the County Attorney for review and indictment. We logged 315 pieces of evidence and returned 119 pieces to owners.

**COMP STAT:** Patrol continues to work on the strategy of heavy self-initiated activity in areas that have identified drug issues. There were 1426 traffic stops this reporting period. Arrests from stops have more than doubled for this time period. Year to date numbers for all property crime categories are significantly down with the exception of vandalism. Drug arrests are up significantly.

**COMMUNICATIONS:** There is still one vacancy in the Communications Center. Three specialists are still in various stages of training. We are on track for the NCIC audit to ensure we are CJIS compliant.

**COMMUNITY ENGAGEMENT OFFICER:** This was formerly our POP report. Officer Hayes continues to work with our citizens through social media. It is overall a positive tool for the

Department. Planning is underway for the annual Wings and Wheels event at Skyhaven Airport set for June 13th. Officer Hayes completed a grant application for our evidence team to receive training. She has been working on a house numbering initiative with Planning and Home Depot to get all residences in the City up to code on numbering the buildings.

**K9:** There were three tracks and four drug searches in Rochester. The team also participated in Teen Night, a community round table event and community policing in the downtown. Officer MacKenzie received the Police Officer of the Year award from the NH Police, Fire and EMS Foundation.

**HONOR GUARD:** The Honor Guard participated in the Harlem Wizards fundraiser game; a joint fundraiser with the Rochester Police Benevolent Association and Project Graduation. The Honor Guard will participate in the Law Enforcement Memorial Day in Concord as well as the Memorial Day Parade.

**DIVERSION:** Teen Night on April 4 had 265 youth participating. Nicole continues to explore the viability and needed resources to develop a teen center in Rochester. Nicole participated in the Citizens Academy, Rochester Listens and the Governor's Commission to advise on services of at-risk youth.

**PROSECUTION:** Lt. Gould has settled into the juvenile prosecution role and handling those cases. She continues to assist in entering dispositions and drug results from the state lab to ease some of the backlog for prosecution support staff.

**SCHOOL RESOURCE OFFICERS:** Off. Funk has completed DARE classes and will be working on a graduation ceremony. Off. Murphy has submitted his letter of request to return to Patrol work and have another officer assigned to the SRO duties at the High School. We have posted this temporary assignment in house for interested applicants. We will schedule oral boards that will include input from the school.

**ADMINISTRATIVE:** the Police Department is set to present our FY16 budget to the City Council on May 12, 2015. Our FY 15 budget continues to show we will end the fiscal year with a surplus. Savings will be realized in salary and benefit lines. The dispatch budget overall is still slightly in the black.

We are in the process of renewing maintenance bids and purchasing for the next two year period. These bids are scheduled to be opened on May 7. We are looking to break out the uniform bid into three packages – general uniform gear, police accessory equipment and outerwear. Vendors will be able to bid on as many of the packages as they wish. We feel this may present more cost effective options for the City.

We recorded 135 hours of training this period. The majority was for an internal investigations school. We continue to work on setting up host training within this fiscal year. We have had some set-backs with available instructors for training we were looking at, as well as competition from other schools being hosted in the area.

We had three officers graduate from the Academy on April 10, all finishing in the top ten academically. Officer Garstin finished first and Officer Williams-Hurley and Officer Schacht finished 5th and 9th respectively; out of 58 total cadets. They are finishing up in house courses and being assigned to field training.

We have begun a review of all of our policies creating a policy review committee consisting of command level, line level and support staff positions. Most updates moving forward will be for housekeeping and updating verbiage of how things are done on a day to day basis.

An update on the Narcan for first responders; we continue to work with Frisbie Hospital EMS on the roll out of policy development and training. It will cost approximately \$1,700.00 in additional equipment for the advanced CPR training. Frisbie has agreed to bear this cost. We are targeting the June meeting for a first read of the policy before the Commission. We have an excellent partnership with Frisbie.

**EMD USE:**

There were no Taser displays or deploys this period.

**FORFEITURE FUND SPENDING:**

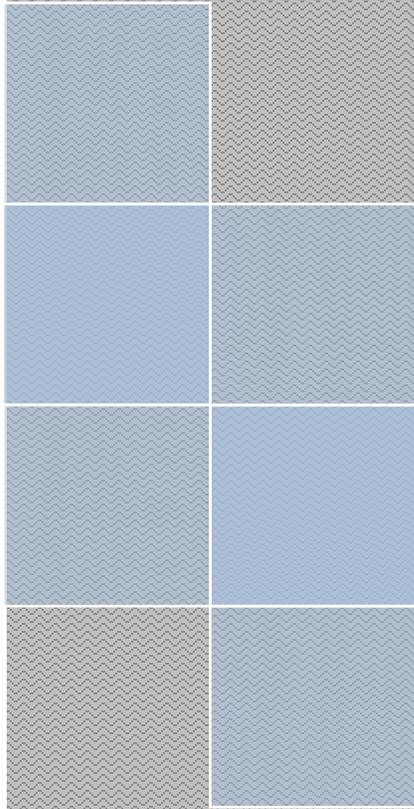

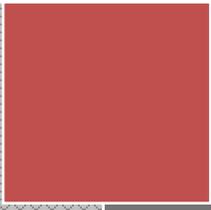

There was no forfeiture spending this period.

Respectfully Submitted,

*Michael J. Allen*

# **ROCHESTER DEPARTMENT OF PUBLIC WORKS MONTHLY REPORT FOR April 2015**

## **HIGHWAY AND UTILITIES**

Staff had one storm event this month where 2" of snow was plowed and city streets were treated. After that event the mechanics were assisted by all with the removal of wings and sanders from all the trucks. Staff has been working to remove all traces of the harsh winter. Snow fence has been removed, limbs and plowed debris is being cleaned up. Highway Division responded to an average number (82) service calls which were either completed or scheduled for repair. They repaired storm/catch basins at #23 Dewey St, Old Dover Rd, Brattle St. and # 8 Spruce Street. Maintenance for the month involved pothole repair, graveling and grading dirt roads, traffic light repairs, and catch basin cleaning though out the city, side walk and street sweeping, and we have begun repainting the faded crosswalks, arrows and lines. The mechanics worked many hours preparing the street sweeper for work this spring.

The Utilities Division performed typical maintenance on the water and sewer systems. The number of dig safe calls has been on the rise with the spring season here and contractors starting work. This division has also been cleaning catch basins and culverts that are full of debris. A large amount of rain in early April had staff working throughout the city to chase dams of leaves and winter debris to keep the water moving in the ditches and culverts. We continued to blow out water gates in the city, and continue with manhole inspections. With the warmer weather upon us we have been able to have two sewer cleaning crews out almost every day cleaning out sewer manholes and sewer lines. SUR was contracted to replace 100 feet of Sewer at 144 South Main Street. Cuts in roadway from winter water and sewer work have been repair with hot top. Staff has repairing and replacing fire hydrants that sustained damage throughout the winter months.

## **BUILDINGS AND GROUNDS**

In addition to regular maintenance requests, staff did some more painting at D.P.W., moved a couple offices around, and replaced some ceiling tiles. We have been fixing many of the broken antique light poles downtown, as well as drilled out the base of a light pole on S. Main Street to have it ready when the new light pole comes in. The Gonic pool is all drained and cleaned out, water meter is hooked up and the pool is filling. East Rochester Pool has been drained, and Bayrock Pools will start resurfacing the pool soon. The seasonal Grounds staff has started their 35 hours a week on April 27. Steve Lenox was hired to fill the vacant Grounds position. Staff has put the tennis nets and windscreens back up at the tennis courts at the Community Center. Spring clean up has begun at the Community Center. Staff will be cleaning the grounds and mulched where appropriate at all buildings. Jeff Wiggin transferred from the Water Treatment Plant to be the new part-time custodian. Hackworth Fire has replaced the fire alarm panel at City Hall. Rochester Security came in and installed a new lock system with key pad access to the down stairs of the Revenue Building.

## **WATER TREATMENT PLANT**

Treated water volume for the month of April 2015 was approximately 47.9 million gallons from the surface water treatment plant and 4.4 million gallons from groundwater plant. Stage 2 DBP, TOC, and coliform analyses were conducted for this quarter, as well as distribution system field sampling. All water quality testing and monitoring was completed in accordance with NHDES

requirements. We are pleased to report that the City of Rochester again met and exceeded all State and Federal standards for drinking water. We are continuing to monitor the filling of Round Pond, and have inspected the raw transmission mains, Tufts Pond, Whaleback Ponds 1&2, and the Berry River Dam intake structures. We are optimizing our conditioned raw water chemical doses to take advantage of the increased CO2 levels in the reservoir for NOM removal and organic acidification. Equipment and grounds maintenance was performed at the WTF, well, and tanks/stations, and inspections were conducted within the watershed and structures. Maintenance at the well included changing of the chlorine storage tank and finish water discharge pressure sensor repair. Maintenance at the WTF included static mix channel cleaning, replacement of the carbon filter train worm gear, and raw water pump station/blow off building cleaning. Staff cycled the raw water pumps in preparation for performance testing. We are awaiting a service report on the TOC analyzer from the factory.

We are proceeding with maintenance on the Gina Drive pump station, which includes electrical, structural, and plumbing improvements. Staff conducted cross connection surveys throughout the city, which should be completed within the month.

Filter upgrade work to date includes placement of the fluoride saturator, alum bulk storage pipe work and transfer pump installation, and sand filter media removal and under drain demolition

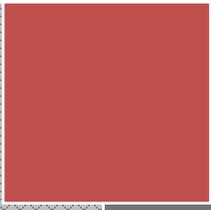

#### **WASTEWATER TREATMENT FACILITY**

Items that were completed during the month of April: We continue to work with the coalition of communities on related wastewater and Great Bay Estuary issues. Reviewed bid specifications. Worked with staff to jet and remove debris from the Old Dover Rd and River St. siphons in preparation for high spring flows. We submitted the quarterly report to EPA as required as part of our action items list for the 18 month extension. We inspected Simple Life Recycling facility. Staff gave a plant tour to York, ME operations staff. The hoist truck has been delivered. We have training scheduled for May 20. We are starting to prepare for wetlands and Phosphorous pilot studies. The New Rte 125 pump station is in full construction phase. Staff attended the Health Fair – Great job Diane and Kay!! Staff attended the SWA meeting. Staff attending state sponsored training classes. Staff attended mandatory training sessions within the city. We also attended Surface Water Quality Regulations Info session in Concord. Staff attended New 125 pump station construction meeting. We are working with industries on industrial pretreatment related issues. Staff performed preventative and corrective maintenance on equipment, machinery and instrumentation. All required testing for the EPA and State has been completed and submitted. Average effluent flow for the month = 4.965 Million Gallons per Day (MGD). Percent of design flow = 98.7%. Percent of design flow for 2015 = 67.4%. Precipitation = 4.03”.

#### **ENGINEERING**

- **Chesley Hill Road Reconstruction:** Construction contract signed with J.H. Lyman & Sons, Inc. and pre-construction meeting held in April 2015. Construction in 2015.
- **Granite Ridge Public Outlay:** Pre-construction meeting was held on-site in April 2015. Construction in 2015.
- **Water Storage Tank Rehabilitation:** Pre-construction meeting has been scheduled for June 2015. Construction in 2015.
- **Surface Water Treatment Plant Upgrades:** Construction is continuing and is scheduled to be completed in late summer/fall 2015.

- **Rte. 125 Pump Station:** Construction is progressing, however the contractor will not be completed until after the contractual final completion date of 5/3/15.
- **Catherine St./Sheridan Ave./Knight St. Area Improvements:** Construction to continue through 2015. Final completion in spring/early summer 2016.
- **Rochester Reservoir West End Spillway Modifications:** Design complete. Pursuing a wetlands permit. Construction in 2015.
- **Salmon Falls Road/Milton Road Water and Sewer (EDA Project):** Design continues. Anticipate construction start in summer 2015.
- **Howard Brook Culverts Replacement:** Finalizing design. Anticipate construction in 2015.
- **Franklin St.-Western Ave.-Adams Ave. Road and Utility Reconstruction:** Design is progressing. Anticipate construction start in summer 2015. Western Ave./First St. Pump Station Replacement has been rolled into this project. This project is recommended to be split into a base contract which would rebuild the Western Ave sewer pump station and rebuild Franklin St. and an alternate to rebuild the roadway and utilities in 1<sup>st</sup>-5<sup>th</sup> Streets, Western and Adams Avenues. Additional funding requested for FY16.
- **Salmon Falls Rd. HSIP Curve Softening Project:** Working with property owners to obtain necessary temporary and permanent construction easements. Future of this project uncertain due to challenges with obtaining easements and availability of federal funding.
- **Strafford Square Roundabout:** Federal funding not available until Federal Fiscal Year 2016 (Oct 2015). Design is underway. Obtaining costs from utility companies associated with placing above-ground utilities underground. Construction funds requested for FY16.
- **Wakefield Street Reconstruction:** Preliminary design completed. 30% design plans to be completed in May. Final Design/Construction funding requested for FY16.
- **Colonial Pines Sewer / Wastewater Interceptor Upgrades:** Design underway. Construction funds to be sought in FY16-18 budgets.
- **Milton Road Corridor Analysis:** Final report was presented to and accepted by the Planning Board on 4/20/15.
- **NPDES Permit - Wastewater/MS4 Permit - Stormwater:** Rochester recently agreed to certain conditions with EPA in exchange for additional time before a new NPDES permit is issued. The terms of the conditions include such activities as sampling, conducting studies, and development of plans related to nutrient reduction.

## Memorandum

**To:** Dan Fitzpatrick, City Manager  
 Mayor TJ Jean  
 Members of the City Council

**From:** Lauren Colanto, Recreation & Arena  
 Assistant Director  
**Date:** May 12, 2015  
**Re:** March Department Report

### No Cost Community Programming

We continue to offer a variety of seasonally based no cost programming for the public. Collaborative Open Gym continues to bring a small crowd each Monday afternoon. The partnership between Community Partners, the Rec, and Bud Carlson Academy has shown great potential for future programming. Our free, seasonal craft brought in 13 parents and children who enjoyed making bookmarks, caterpillar magnet clips and sun catchers guided by our awesome staff member Cindy. The American Legion sponsored the April Teen Night which provided an evening of fun to 236 local teens.

### Senior Programs

April marked the one year anniversary of our successful Senior Power Hour led by instructor Heidi. This amazing program has brought so many wonderful seniors into the recreation department as regular participants. April was the last month that Senior Power Hour will take place at the Rochester Community Center, as it has transitioned to the Rochester Arena in the month of May.

Senior Yoga has expanded to two classes. Yoga instructor Jo differentiates the classes by leading one as a traditional yoga class and the second as chair yoga. These classes cater to a wide spectrum of abilities and allow for more seniors to take advantage of these exercise opportunities. Instructor Jo has created such a strong rapport with students that they requested she lead a Senior Meditation Class following yoga. The pairing of these classes gives seniors a change to not only exercise their bodies, but relax their minds for a more whole body health approach.

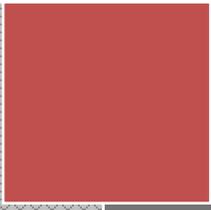

### Youth Programming

Indoor Golf began this April at the Rochester Arena and quickly filled. Knowledgeable staff from the Rochester Country Club instruct children ages 6-14 on golf basics and techniques. The program beautifully demonstrated the multifunction of the Rochester Arena. Golf instruction takes place inside of the arena on the sports floor and will culminate with the last class at the Rochester Country Club for a genuine golf experience.

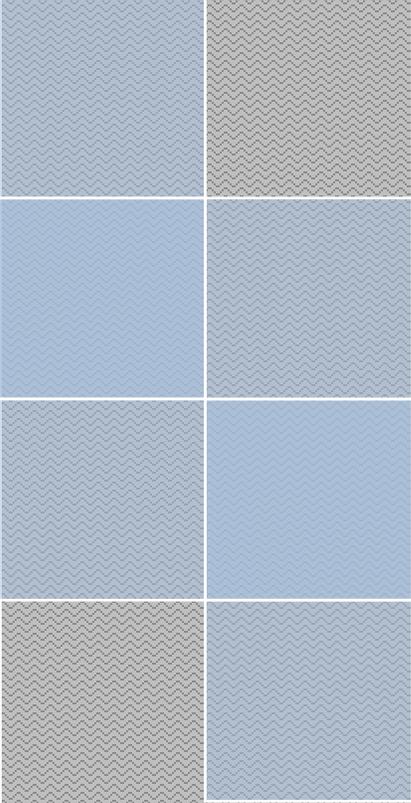

### Volunteerism

Rochester Pride Day took place April 18 and was another huge success. Volunteers were estimated between 250-300. Groups from JC Penney, Girl Scouts, Spaulding High, Bud Carlson, Civil Air Patrol and many more local organizations and businesses all participated. The day was sponsored by Rochester Main Street, Rochester Recreation, Rochester Public Works and Waste Management.
