

Colonial Pines Sewer Extension – Phase 2

Project Update

Week of October 14 – October 18

Upcoming Work

Water System

Water work is not anticipated

Sewer Work

Contractor crews will be installing new sewer main on Wildwood Lane. Contractor crews will also be installing service connections (to the property line) on Juniper Street (from Hickory Lane to Wildwood Lane).

Project Clean-up

Scheduled for Friday afternoon.

Water Service Interruption

Field personnel will notify residents prior to interrupting the water service.

Traffic Patterns

Road Closures: Wildwood Lane and Juniper Street (from Hickory Lane to Wildwood Lane) and.

Parking: We ask that residents do not park vehicles on Hickory Lane, Wildwood Lane, and Juniper Street (from Hickory Lane to Wildwood Lane) between 7:00am and 6:00pm during the work week.

General Notes

Neighborhood residents are requested to have patience with construction activities and temporary water service interruptions. Inclement weather may cause contractor unanticipated delays and last-minute changes in work plans.

Resident Inspector Keith Noyes will be continuing to have meetings with residents to review new sewer service connections and provide home owners with estimates for the work to be done. Residents that have not contacted Keith Noyes @ 603-507-0024 to arrange an appointment to meet should do so as soon as possible.

If you have any questions or concerns, please contact Timothy Goldthwaite, P.E., Assistant City Engineer at 509-1907.
