Project Update

Week of July 29 – August 2

Upcoming Work

Water System

No water work planned at this time.

Sewer Work

Contractor crews will installing the new sewer main and service connections (to the property line) on Juniper Street (from Vinewood Lane to Hickory Lane) and Towle Street.

Project Clean-up

Scheduled for Friday afternoon.

Water Service Interruption

None anticipated at this time.

Traffic Patterns

Road Closures: Juniper Street (between Vinewood Lane and Hickory Lane) and all of Towle Street.

Parking: We ask that residents do not park vehicles on Juniper Street (between Vinewood Lane and Hickory Lane) and all of Towle Street between 7:00am and 6:00pm during the work week.

General Notes

Neighborhood residents are requested to have patience with construction activities and temporary water service interruptions. Inclement weather may cause contractor unanticipated delays and last-minute changes in work plans.

Resident Inspector Keith Noyes will be continuing to have meetings with residents to review new sewer service connections and provide home owners with estimates for the work to be done. Residents that have not contacted Keith Noyes @ 603-507-0024 to arrange an appointment to meet should do so as soon as possible.

If you have any questions or concerns, please contact Timothy Goldthwaite, P.E., Assistant City Engineer at 509-1907.
