Re: Modification to the Rochester Hauling Company Facility.
Case# 262/267 – 22/23-2 – RI/A – 18

Dear Applicant:

This is to inform you that the Rochester Planning Board at its December 3, 2018 meeting **APPROVED** your application referenced above with the following conditions:

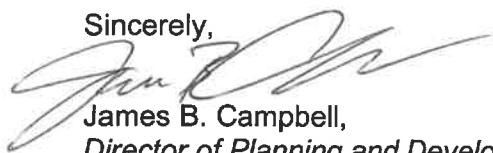

Except as otherwise approved by this amendment all previous conditions of approval still apply.

- 1) The property owner is to sign a Memorandum of Understanding, drafted by the City as part of this approval, which states that the previously approved residential site plan approval is no longer valid and is not vested.

It is the applicant's responsibility to obtain any other applicable permits from local, state, and federal agencies. Contact the City of Rochester Building, Zoning, and Licensing Department at 332-3508 to apply for any necessary permits, including a building permit and certificate of occupancy when applicable. This approval is valid for one year. If a building permit has not been issued or work has not substantially begun on the site pursuant to this approval, then this approval shall be null and void.

Thank you for your cooperation in the review process. I wish you the best of luck with your project. If you have any questions please feel free to contact me.

Sincerely,

A handwritten signature in dark ink, appearing to read 'James B. Campbell', written in a cursive style.

James B. Campbell,
Director of Planning and Development
