Dear Applicant:

This is to inform you that the Rochester Planning Board at its March 2, 2020 meeting **APPROVED** your application referenced above.

"Applicant", herein, refers to the property owner, business owner, individual(s), or organization submitting this application and to his/her/its agents, successors, and assigns.

Precedent Conditions [Office use only. Date certified: _____; CO signed off? _____]

As- Builts received? _____; All surety returned? _____]

All of the precedent conditions below must be met by the applicant, at the expense of the applicant, prior to the plans being certified by the Planning Department. Certification of the plans is required prior to issuance of a building permit or recording of any plans. Once these precedent conditions are met and the plans are certified the approval is considered final.

Please note* If all of the precedent conditions are not met within 3 calendar months to the day of the board's approval – by June 2, 2020 - the board's approval will be considered to have lapsed and resubmission of the application will be required. It is the sole responsibility of the applicant (or his/her agent) to ensure that these conditions are met by this deadline. We urge the applicant to carefully track his/her progress in meeting the individual conditions. Also, a building permit must be issued and substantially acted upon within 1 year of plan certification or the Planning Board approval is considered null and void. See RSA 674:39 on vesting.

- 1)# Final Drawings. If there are any changes to the floor plans as submitted with the application, the applicant shall provide the Planning Department with the new floor plans.

General and Subsequent Conditions

All of the conditions below are attached to this approval.

- 1)# Execution. The project must be executed exactly as specified in the approved application package unless changes are approved by the City.
- 2) Approval. All of the documentation submitted in the application package by the applicant and any requirements imposed by other agencies are part of this approval unless otherwise updated, revised, clarified in some manner, or superseded in full or in part. In the case of conflicting information between documents, the most recent documentation and this notice herein shall generally be determining.
- 3) Other Permits. It is the responsibility of the applicant to obtain all other local, state, and federal permits, licenses, and approvals which may be required as part of this project. Contact the City of Rochester Building, Licensing, and Zoning Department at 332-3508 regarding building permits. Please also contact the City of Rochester Fire Department at 330-7182 to ensure that the proposed building meets all Fire Codes. Finally, please contact the Department of Public Works for any stormwater, sewer, or water permits or fees that are required.

(Note: in both sections above, the numbered condition marked with a # and all conditions below the # are standard conditions on all or most applications of this type).

Sincerely,

James B. Campbell, AICP
Director of Planning & Development
