**NOTICE OF DECISION**

June 9, 2021

Rochester Security Systems, LLC  
169 Milton Road  
Rochester, NH 03868

**Re: 3-Lot subdivision. Case# 204 – 81 – HC – 21**

Dear Applicant:

This is to inform you that the Rochester Planning Board at its June 7, 2021 meeting **APPROVED** your application referenced above.

---

"Applicant", herein, refers to the property owner, business owner, individual(s), or organization submitting this application and to his/her/its agents, successors, and assigns.

**Precedent Conditions** [Office use only. Date certified: \_\_\_\_\_ ROD received? \_\_\_\_\_]

All of the precedent conditions below must be met by the applicant, at the expense of the applicant, prior to the plans being certified by the Planning Department. Certification of the plans is required prior to issuance of a building permit or recording of any plans. Once these precedent conditions are met and the plans are certified the approval is considered final.

*Please note\** If all of the precedent conditions are not met within 6 calendar months to the day of the board's approval – by December 7, 2021 - the board's approval will be considered to have lapsed and resubmission of the application will be required. It is the sole responsibility of the applicant (or his/her agent) to ensure that these conditions are met by this deadline. We urge the applicant to carefully track his/her progress in meeting the individual conditions. See RSA 674:39 on vesting.

- 1) Plan modifications. The plan drawings are to be modified as follows:
  - a) None at this time.
- 2) Plan notes. Add the following notes (or equivalent) to the plan drawings:
  - a) Please clarify via a plan note that each lot must connect to City water.
- 3) State plane coordinates. The plans are to be tied into the State Plane Coordinate System.
- 4) Other permits. All required State and Federal permits must be obtained – including any Driveway/Curb Cut permit, Water Service Connection Permit, Drainage Permit, Cross Connection Control Permit, etc., as appropriate – with copies of permits or confirmation of approvals delivered to the Planning Department.
- 5) Pre-Construction meeting. The pre-construction meeting agreement is to be signed by the property owner.
- 6) Draft copies of access and utility easements, and a road maintenance agreement are to be submitted.
- 7) Final Drawings. (a) three sets of large black-line plus (b) one set of 11” x 17” final approved site plan drawings plus (c) one electronic version by pdf or flash drive must be on file with the City. *Each individual sheet in every set of drawings must be stamped and signed by the land surveyor, engineer, or architect responsible for the site plans.* (The applicant need only submit additional black-line sets of drawings or individual sheets, as needed, to make five complete sets – consult the Planning Department). At the discretion of the Planning Department minor changes to drawings (as required in the precedent conditions, above) may be marked by hand. Note: If there are significant changes to made to the plans, as specified above, one full size paper check print must be sent to the Planning Department for review prior to producing these final drawings. Once the plan is recorded at the Registry of Deeds, submit two 11x17 recorded copies of the plan. Assessing will need an 11x17 recorded copy of the plan.

### **General and Subsequent Conditions**

All of the conditions below are attached to this approval.

1. Once it has been determined where the driveway will be located (via the driveway permit) the Planning Department will provide an address for these new parcels. Appropriate signage for private drive and numbering at the split in the driveway is required to identify respective addresses. Please call the Planning Department to start this process.
2. Driveway permits for each new lot will need to be applied for and granted by the Department of Public Works.

3. The shared access will be considered a Private Road and as such a street sign is required with "private" sign above; sign is to adhere to Dept. Of Public Works' standards:

Private/Class VI Indicator:

- a. Type: Flat
  - b. Size: 4" x 8" with rounded corners
  - c. Sign Color: White
  - d. Letter Color: Green
  - e. Style: Engineering Grade
  - f. Location: Attaches to top of Street Sign via universal bracket
4. Wetland buffer areas shall not be impacted by any construction activities (other than those impacts permitted under the CUP and DES wetlands permit). Wetland buffers shall be marked with orange snow fence prior to any onsite activity, and such markers shall be maintained throughout construction.
  5. A Surveyor is to submit a signed letter to the Planning Department stating that the new lot corner monuments have been set (Subdivision Regulation 6.1) and that reference pins have been set on all easement bounds (Subdivision Regulation 5.7.4).
  6. Execution. The project must be built and executed exactly as specified in the approved application unless changes are approved by the City.
  7. Approvals. All of the documentation submitted in the application package by the applicant and any requirements imposed by other agencies are part of this approval unless otherwise updated, revised, clarified in some manner, or superseded in full or in part. In the case of conflicting information between documents, the most recent documentation and this notice herein shall generally be determining.
  8. Violations. In the event of any violations of these conditions of approval or of any pertinent local, state, or federal laws – such as those regarding erosion and sedimentation control, wetlands, stormwater management, and general site development standards – the City of Rochester reserves the right to take any appropriate permissible action, including, but not limited to, withholding of building permits, withholding of certificates of occupancy, withholding of driveway permits, revocations of permits/approvals, referring violations to other agencies, and calling of bonds.
  9. Other permits. It is the responsibility of the applicant to obtain all other local, state, and federal permits, licenses, and approvals which may be required as part of this project. Contact the City of Rochester's Building, Zoning and Licensing Department at 332-3508 regarding building permits. Please also contact the City of Rochester Fire Department at 330-7182 to ensure that the proposed building meets all Fire Codes. Finally, please contact the Department of Public Works for any stormwater, sewer, or water permits or fees that are required.
  10. **APPEAL PROCESS:** Pursuant to RSA 677:15, an aggrieved party may appeal this decision to the Strafford County Superior Court within 30 days of the date the Board voted to

approve or disapprove the application, or to the ZBA pursuant to RSA 676:5, III within 30 days of the date the Board made its decision.

Sincerely,

Shanna B. Saunders,  
*Director of Planning & Development*
