

ADDENDUM NUMBER 2:  
**Bid 21-34 North Main Street RRFB Project**  
March 15, 2021

This Addendum forms part of the original document marked: **Bid 21-34 North Main Street RRFB.**

1). **BIDDER QUESTIONS:**

Bidder questions received by Stantec have been included, with responses, here:

- The specification calls for a cast aluminum pole, but the plan shows cast iron. Please confirm material type.
  - *Light pole to be cast iron, per the detail, to match existing light poles. Where in conflict, Detail Sheet 3 of 4 shall govern over the special provision for the light pole.*

All else remains unchanged from original bid document.

Please acknowledge receipt of this addendum within your proposal. Failure to do so may subject a bidder to disqualification.
