

New! City Meetings are now streaming live.

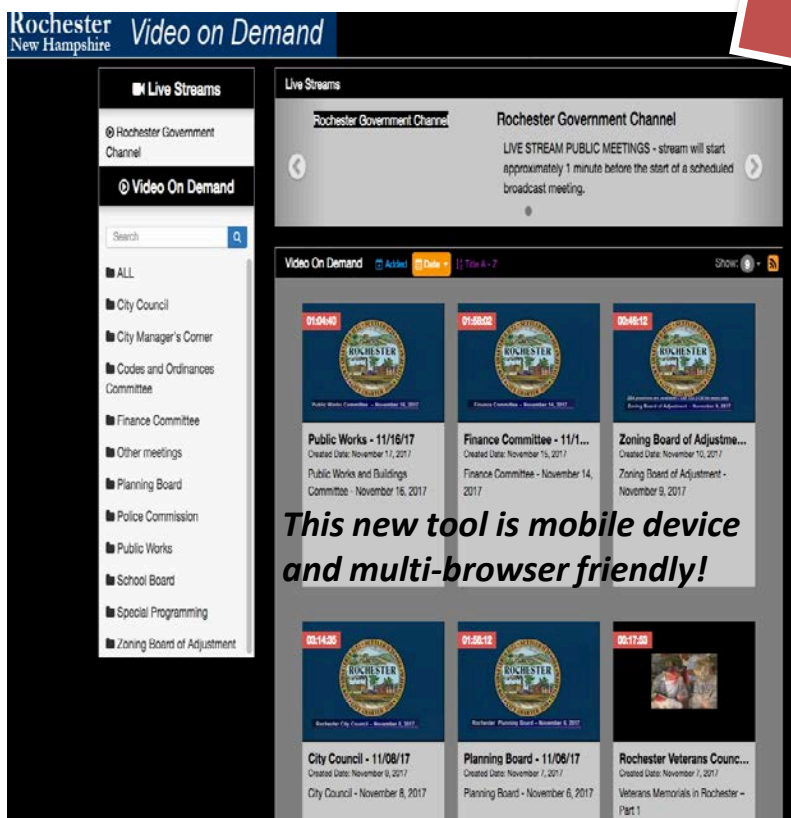

Public meetings broadcasting live on Channel 26 are available live through the City of Rochester website, www.RochesterNH.net

Step 1: Click on the button for "Live Stream and Video On Demand."

Step 2: Click on the live streams window. The video signal will begin a few minutes before the meeting. Enjoy!

The Rochester Government Channel broadcasts a wide array of city meetings live, including the Finance Committee, Public Works Committee, Planning Board, City Council, Police Commission, School Board and Zoning Board of Adjustment. Those meetings are also archived and available on-demand at <https://www.rochesternh.net/>

The Rochester Government Channel also features informational programming on different aspects of city government which can also be viewed on channel 26 and on the city website.
